Walking Tall In Tough Times GREAT IGWE,2019-07-30 Out of nowhere, the storms of life hit us without warning. The loss of a loved one, a broken relationship, loss of a job and properties. A terrible accident, illness or the failure of a business. This is tough challenges that people all over the world are being confronted with daily in their respective life. We don't have the power to choose what happens to us, neither can we as humans choose the nature and severity of the problems and challenges that confronts us every day. But one thing we sure can do, and has the power to control is the way we respond to these challenges and how we fight through it. Life is like an ocean and every one of us are born sailors, sailing through this ocean. Everybody shall one day encounter a storm, be it the wealthy, the educated, the poor, the uneducated, the single or married, the sick or healthy. The storms of life is not a respecter of race, religion or country of birth but rather a respecter of courage, boldness, persistent, firmness of purpose and positive attitude. Walking tall in tough times, is a book that will certainly arm and spur you to take tough decisions and actions necessary to bring about a change in your life. It will also help you change your negative perceptions and response to the challenges you are going through and put you on a part to true success. The principles and practical steps that are outlined in this book is not based on head knowledge, but rather are founded on experiential knowledge and scriptural examples that will certainly leave transformed. This book will undoubtedly stir you to leave your comfort zone to your rightful place of influence and power. It will forge you to become uncomfortable with mediocrity and average existence. Buckle up as I take you through this journey of self-freedom and reawakening. Happy read.

*Color Me Rich* Callisto Momesso,2024-05-21 Can't Draw Stick Figures? No Problem! Cook Up Awesome Coloring Books with AI (and Actually Sell Them!) Okay, let's be real. You've seen those cool coloring books everywhere and thought, I could

totally come up with ideas for that... if only I could draw. Good news! Your lack of artistic wizardry is no longer a dealbreaker. Your secret weapon? Artificial Intelligence! Color Me Rich: How to Use AI to Create and Sell Unique Coloring Books (No Art Skills Needed!) is your slightly nerdy, super practical playbook for turning fun ideas into actual, sellable coloring books without ever touching a drawing tablet. Seriously. If you can type, you can do this. Think of AI tools like Midjourney, DALL·E 3, or Leonardo.ai as your personal art genie. You tell them what you want (A cat wearing a tiny monocle riding a steampunk unicycle, coloring page style!), and poof – they conjure up images! This guide shows you exactly how to talk to these digital genies to get awesome black-and-white line art that people will love to color. No confusing tech jargon overload here. We break it all down into easy, follow-along steps: Become an AI Whisperer: Learn simple tricks to write prompts that get you clean lines, not weird smudges. (We've included copy-pasteable templates!) Find Your Weird Niche: Forget boring flowers (unless you really love boring flowers). We'll use AI to brainstorm cool, quirky niches (Sloths Doing Yoga in Space, anyone?) and quickly check if people are actually searching for them on Etsy and Amazon. Stick 'Em Together: Learn how to easily assemble your AI art into a proper book format using tools you probably already know, like Canva (or even PowerPoint, we won't judge!). We'll cover the must-knows like page size and why single-sided pages are your friend. Sell Without Selling Your Soul: Get the lowdown on listing your creations on Etsy (hello, instant downloads!) and Amazon KDP (they print and ship for you!). We'll cover making your listings look good with mockups and using the right keywords so people can find your stuff. Spread the Word (Without Being Annoying): Quick tips on using visual platforms like Pinterest to show off your cool pages. We'll even show you how AI can write your social media captions! Rinse & Repeat for \$ (Maybe!): Learn how to streamline the whole process so you can make more books without working yourself into a puddle. Templates and batching are your new best friends for building that sweet, sweet passive income. This guide is perfect if you're totally new to AI, online selling, and the idea of making money from your creativity (even if you think you don't have any!). It's about having fun, experimenting with amazing technology, and potentially building a cool little income stream on the side. Ready to dive into the fun and surprisingly profitable world of AI coloring books? Grab Color Me Rich and let's start creating!

**Taiwanese and Polish Humor** Li-Chi Lee Chen,2017-06-23 Is there a specifically 'Taiwanese' or 'Polish' humor? Do people from Taiwan and Poland share the same sense of humor? How is humor related to politics, religion and the LGBT community? These questions represent the starting point of investigation of this book. Some of the central issues explored here include: (1) how Taiwanese and Polish friends use various discourse strategies to construct humor; and (2) how different types of humor are employed on television variety shows to attract laughter. This book also provides an explanation of the prevalence of wúlítóu 'nonsense' in the Taiwanese society and how Polish 'directness' is reflected in humor. To understand how humor is culturally shaped and how it contributes to a talk-in-interaction, the three methodological approaches of conversation analysis, multimodal discourse analysis and interactional linguistics are adopted and combined here. This book will be of interest to both linguists and non-linguists who are interested in the social and cultural construction of humor.

In Life Only One Thing Is Certain, Friday Will Come Work Ridge Press,2019-08-29 Perfect gift for your coworker or yourself. Funny Office Blank Lined notebook journal for taking notes in the office, meeting.

**At Least Life Wants to Fuck Me** Sarcastic Ass,2018-08-07 So this is a journal. Or notebook. Or Diary or whatever the hell you want to call it. You write stuff in it, or didn't you know that? I know, I know...you're looking for that funny gift that will either charm someone, make them laugh, or make them raise an eyebrow. Well, you've probably found the perfect item, but hell, who knows? They might love it or they might hate it. They might use it for toilet paper. You could just buy it and

keep it for yourself. I mean, you did actually click this far to get to this description, didn't you? So you thought it was worth looking into a little further. Well, since you're already here, I'll tell you about this little gem. It has a cover. It has pages with lines on it. The lines you can use to write notes, feelings, how shitty your day was or how much you hate your boss. Or maybe you love your boss and want to give this as a bosses day gift? That could work. Could score some brownie points that way. It's a 6x9. Not too big, not too small. Has a little over 100 pages. I tried to do an even number, like 100, 150 or 200 pages, but I decided to be different and do 108. Well, since you probably can't think of all the ways to use this on your own, I'll make a list of ideas to get you started. You could combine it with a sarcastic t-shirt or even a cool coffee mug. Maybe even one of those phone thingy's that stick to the back of the phone, I think they are called pop sockets. Those are annoying as crap though, but, whatever floats your boat. Oh, here's those ideas: Sarcastic Boss Gift (I think I said that already, but whatevs) Sarcastic Birthday Gift (Nothing like rubbing it in!) Sarcastic Anniversary Gift (You mean they are STILL married?) Complimentary gift for an adult coloring book (Yeah, I know...adults like to sit around and color too!) Adult Humor Wedding Gift (no...it won't be embarrassing...I promise!) Adult Humor Christmas Present (because nothing says Happy Holidays like sarcasm) Bachelor or Bachelorette Party Gift (because it's the last hoorah and everybody knows it!) Gift Under \$10 Dollars (nothing wrong with being frugal) Sarcastic Gag Gift (do I really need to keep explaining these?) Adult Humor Baby Shower Gift (because once that little bundle of joy gets here, they won't be sleeping anymore!)

Just Kidding Louis R. Franzini,2012-07-30 For professional comedians, their primary goal is to make people laugh. For everyone else humor can be the envelope in which another message is sent and therefore will be received with pleasure. This book is designed precisely to help you make your own efforts at humor more effective in achieving the primary goals of your interaction: to solidify friendships, preserve a marriage, obtain employment, close sales, conduct therapy, defuse conflict, or simply enjoy life more. Humor is a quality nearly all of us claim in ourselves and one which we seek and highly value in others. We love a sense of humor in our dates and mates, our children, and everyone with whom we have social contacts. When humor making is successful, we are drawn closer to other people and share a bonding emotional experience. We enjoy life more and our troubles seem to lessen instantly. There are many proven ways to enhance our senses of humor in ourselves and even our children. Humor making can be taught and developed to a very high level, thus increasing our chances for social and even economic success. Just Kidding: Using Humor Effectively is for adults who enjoy humor and who would like to be funnier. It includes definitions of funniness and examples of both helpful and harmful humor. It describes the relevant comedic and psychological rules for making humor effective. The book points out the danger signs for offensive humor and how to make the decision to "say it or stuff it." Examples of successful and unsuccessful humor from comedians to politicians are used throughout to illustrate the many varieties of humor and how context and audience make a difference. Finally, a

variety of fun exercises are offered to build the skills for effective humor making.
