## **Snow Flower and the Secret Fan** ,2011-09

*Reading Women* Nanci Milone Hill,2012-03-07 An indispensable guide for anyone who runs or participates in a book group, this title provides the structure and fun facts needed to examine the genre of women's fiction. Women's fiction covers numerous topics of importance in the lives of women—friendship, love, personal growth, and familial relationships. For this reason, the genre is a hotbed of engaging subjects for book group discussions. *Reading Women: A Book Club Guide for Women's Fiction* brings together information on over 100 women's fiction titles, providing everything a book group needs to encourage focused, stimulating meetings. *Reading Women* marshals information that has been, up to this point, either nonexistent or scattered in book club guides. Readers will learn the difference between women's fiction, romance, and chick lit, as well as why these genres provide a rich trove of discussion topics for book groups. Specific entries cover titles from all three genres, offering an author biography, a book summary, bibliographic material, discussion questions, and read-alike information for each book. An additional 50 titles suitable for book group discussions are listed with brief summaries.

*China Mysteries* Jeffrey C. Kinkley,2023-12-31 With the 1989 Beijing massacre fading from popular memory in the West, China from the mid-1990s to a few years ago felt more open than ever to global trade, communication, travel, and cultural and educational exchanges. There was even talk in the mainstream press that China was heading toward a more democratic future. It was during this second Sino-Western honeymoon that authors in the US, Canada, France, the UK, and elsewhere began writing mystery fiction set in contemporary China in their regional languages. These “China mysteries”—crime, detective, and mystery thriller novels that take place in China but were not written or published there—formed a new genre of popular fiction that highlighted the world’s hopes and fears after Tiananmen. The multinational and multicultural writers of China mysteries, among them ex-PRC nationals like Qiu Xiaolong, Zhang Xinxin, and Diane Wei Liang, converged on the China Mainland to negotiate political and cultural complexities through crime fiction plotlines. Their books emerged from Western lineages of the modern novel and popular genre fiction—with Chinese contributions—and depended on Western commercial publishing models shaped by cultural, national, political, and economic factors. This work examines more than a hundred China mysteries—many describing and analyzing social and economic changes at the center of modern life in China—to provide a brief history of the genre and analyze the formulaic and original elements of the mysteries, including

their attention to matters of location, social content, characterization, history, and biography. It also highlights the role of “information” acquisition as a motivation for readers and authors of popular fiction, which has become a topic of discussion in Chinese literature studies. With its timely commentary on Sino-Western relations as presented through crime fiction, *China Mysteries* will appeal to students and scholars of contemporary Chinese literature and culture, as well as fans of crime novels and others who are curious about the global dimensions of the genre and how it complicates our understanding of “world literature.”

*The Media and Communications Study Skills Student Guide* Doug Specht, 2020-11-25 All the tips, ideas and advice given to, and requested by, MA students in Media and Communications, are brought together in an easy-to-use accessible guide to help students study most effectively. Based upon many years of teaching study skills and hundreds of lecture slides and handouts this introduction covers a range of general and generic skills that the author relates specifically towards media and communications studies. As well as the mechanics of writing and presentations, the book also shows how students can work on and engage with the critical and contemplative elements of their degrees whilst retaining motivation and refining timekeeping skills. Of course the nuts and bolts of reading, writing, listening, seminars and the dreaded dissertation and essays are covered too. In addition advice on referencing, citation and academic style is offered for those with concerns over English grammar and expression. Aimed primarily at postgraduate students, there is significant crossover with undergraduate work, so this book will also prove of use to upper level undergraduate readers whether using English as a first or second language.

**Icons of Beauty** Lindsay J. Bosch, Debra N. Mancoff, 2009-12-22 What gives beauty such fascinating power? Why is beauty so easy to recognize but so hard to define? Across cultures and continents and over the centuries the standards of beauty have changed but the desire to portray beauty, to praise beauty, and to possess beauty has never diminished. *Icons of Beauty* offers an enthralling overview of the most revered icons of female beauty in world art from pre-history to the present. From images of Eve to Cindy Sherman's self-portraits, from Cleopatra to Madonna, from ancient goddesses to modern celebrities, this interdisciplinary set offers fresh insight as to how we can use perceptions of beauty to learn about world cultures, both past and present. Each chapter looks at an individual work of art to pose a question about the power of beauty. What makes beauty modern? What is the influence of celebrities? How do women portray their own beauty in a different manner than men? In-depth profiles of the icons reveal how specific ideas about beauty were developed and expressed, offering a full analysis of their history, cultural significance, and lasting influence. In addition to renowned works of art, *Icons of Beauty* also looks at icons in literature, film, politics, and contemporary entertainment. Interdisciplinary and multicultural in its approach, chapters inside this set also feature sidebars on provocative topics and issues, such as foot binding and body adornment; myths and practices; opinions and interpretations; and even related films, songs, and even comic book

characters. Generously illustrated, this rich set encompasses history, politics, society, women's studies, and art history, making it an indispensable resource for high school and college students as well as general readers.

**Running Book Discussion Groups** Lauren Zina John,2006 Oprah. The Today Show. Live! With Regis and Kelly. Their book clubs attract millions - and send hordes of readers to the library. Your library may not be able to hold millions, but there's no reason your discussion group can't be every bit as popular and appreciated as those on TV. This unique manual shows you step-by-step how to build, improve, and maintain successful, engaging book discussion groups. Chapters answer the fundamental questions: How do you build membership? Choose the right titles? Schedule and arrange meetings? Develop questions? Get free or discounted books? Provide an inviting atmosphere and setting? Planning, publicity, facilitating discussions, programming techniques, and assessment are discussed in detail. Essential advice on programming includes 15 ready-to-use discussion guides; One Book-One City program ideas; on line forums; title selection; and more. Any library starting or running book discussion groups will want this practical guide by their side.

**Shanghai Girls** Lisa See,2010-02-02 NEW YORK TIMES BESTSELLER • “A gifted writer . . . explores the bonds of sisterhood while powerfully evoking the often nightmarish American immigrant experience.”—USA Today In 1937, Shanghai is the Paris of Asia, a city of great wealth and glamour, the home of millionaires and beggars, gangsters and gamblers, patriots and revolutionaries, artists and warlords. Thanks to the financial security and material comforts provided by their father’s prosperous rickshaw business, twenty-one-year-old Pearl Chin and her younger sister, May, are having the time of their lives. Though both sisters wave off authority and tradition, they couldn’t be more different: Pearl is a Dragon sign, strong and stubborn, while May is a true Sheep, adorable and placid. Both are beautiful, modern, and carefree . . . until the day their father tells them that he has gambled away their wealth and that in order to repay his debts he must sell the girls as wives to suitors who have traveled from California to find Chinese brides. As Japanese bombs fall on their beloved city, Pearl and May set out on the journey of a lifetime, one that will take them through the Chinese countryside, in and out of the clutch of brutal soldiers, and across the Pacific to the shores of America. In Los Angeles they begin a fresh chapter, trying to find love with the strangers they have married, brushing against the seduction of Hollywood, and striving to embrace American life even as they fight against discrimination, brave Communist witch hunts, and find themselves hemmed in by

Chinatown's old ways and rules. At its heart, *Shanghai Girls* is a story of sisters: Pearl and May are inseparable best friends who share hopes, dreams, and a deep connection, but like sisters everywhere they also harbor petty jealousies and rivalries. They love each other, but each knows exactly where to drive the knife to hurt the other the most. Along the way they face terrible sacrifices, make impossible choices, and confront a devastating, life-changing secret, but through it all the two heroines of this astounding new novel hold fast to who they are: Shanghai girls. Praise for *Shanghai Girls* "A buoyant and lustrous paean to the bonds of sisterhood."—Booklist "A rich work . . . as compulsively readable as it is an enlightening journey."—Denver Post

**American Book Publishing Record** ,1977-03-31 Here's quick access to more than 490,000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction. Author and Title indexes are included, and a Subject Guide correlates primary subjects with Dewey and LC classification numbers. These cumulative records are available in three separate sets.

*The Island of Sea Women* Lisa See,2019-03-05 THE NEW YORK TIMES BESTSELLER "A mesmerizing new historical novel" (O, The Oprah Magazine) from Lisa See, the bestselling author of *The Tea Girl of Hummingbird Lane*, about female friendship and devastating family secrets on a small Korean island. Mi-ja and Young-sook, two girls living on the Korean island of Jeju, are best friends who come from very different backgrounds. When they are old enough, they begin working in the sea with their village's all-female diving collective, led by Young-sook's mother. As the girls take up their positions as baby divers, they know they are beginning a life of excitement and responsibility—but also danger. Despite their love for each other, Mi-ja and Young-sook find it impossible to ignore their differences. *The Island of Sea Women* takes place over many decades, beginning during a period of Japanese colonialism in the 1930s and 1940s, followed by World War II, the Korean War, through the era of cell phones and wet suits for the women divers. Throughout this time, the residents of Jeju find themselves caught between warring empires. Mi-ja is the daughter of a Japanese collaborator. Young-sook was born into a long line of haenyeo and will inherit her mother's position leading the divers in their village. Little do the two friends know that forces outside their control will push their friendship to the breaking point. "This vivid...thoughtful and empathetic" novel (The New York Times Book Review) illuminates a world turned upside down, one where the women are in charge and the men take care of the children. "A wonderful ode to a truly singular group of women" (Publishers Weekly), *The Island of Sea Women* is a "beautiful story...about the endurance of friendship when it's pushed to its limits, and you...will love it" (Cosmopolitan).

**Harness Horse** ,1978

*Shanghai Girls* Lisa See,2009 Shanghai, 1937. Pearl and May are two sisters from a bourgeois family. Though their

personalities are very different, they are inseparable. Both are living a carefree life...until their father tells them that he has gambled away the family's wealth, and that in order to repay his debts he must sell the girls as wives to two Gold Mountain men: Americans. As Japanese bombs fall on their city, the two sisters set out on the journey of a lifetime, one that will take them to a new, married life in Los Angeles's Chinatown. Here they begin a fresh chapter, despite the racial discrimination and anti-Communist paranoia, because now they have something to strive for: a young, American-born daughter, Joy.

The book delves into Snow Flower And The Secret Fan Summary. Snow Flower And The Secret Fan Summary is an essential topic that must be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Snow Flower And The Secret Fan Summary, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
  - Chapter 1: Introduction to Snow Flower And The Secret Fan Summary
  - Chapter 2: Essential Elements of Snow Flower And The Secret Fan Summary
  - Chapter 3: Snow Flower And The Secret Fan Summary in Everyday Life
  - Chapter 4: Snow Flower And The Secret Fan Summary in Specific Contexts
  - Chapter 5: Conclusion
2. In chapter 1, this book will provide an overview of Snow Flower And The Secret Fan Summary. The first chapter will explore what Snow Flower And The Secret Fan Summary is, why Snow Flower And The Secret Fan Summary is vital, and how to effectively learn about Snow Flower And The Secret Fan Summary.
3. In chapter 2, the author will delve into the foundational concepts of Snow Flower And The Secret Fan Summary. The second chapter will elucidate the essential principles that must be understood to grasp Snow Flower And The Secret Fan Summary in its entirety.
4. In chapter 3, this book will examine the practical applications of Snow Flower And The Secret Fan Summary in daily life. This chapter will showcase real-world examples of how Snow Flower And The Secret Fan Summary can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Snow Flower And The Secret Fan Summary in specific contexts. This chapter will explore how Snow Flower And The Secret Fan Summary is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, the author will draw a conclusion about Snow Flower And The Secret Fan Summary. The final chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Snow Flower And The Secret Fan Summary.
