1000 English Idioms and Phrases Muhammad Nabeel, 2017-09-13 Enhance your speaking skills and listening comprehension by learning English idiomatic expressions Welcome to another new exciting book of Coach Shane's English expression series. In this book, you would find 1000 English idioms and phrases with practical examples, dialogues/conversations and explanations. In this version, I made many changes compare to previous version. Because, I rearranged all English idiomatic expressions in alphabetically order, so you can use this book like an American idioms dictionary. Also, you would find some illustrated pictures in some places. In previous edition, I have received some complains, so that's why, I fixed many things in this edition. I tried to explain the English phrasal verbs and idioms in detail. You would know how to use them effectively. I picked up these common English expressions from sitcoms, movies, news, etc. Having learned these sayings, idioms and phrasal verbs, you would be able to understand movies, sitcoms, and news. I hope this book would be a great book for intermediate and advanced level ESL (English as a second language) peoples.

500 Really Useful English Phrases Jenny Smith,2014-03-05 Do You Feel Stuck in the Intermediate English Level? Do you want to break out and start improving quickly?Then this is the perfect book to help you move up to the advanced level

and start using everyday English fluently. The 500 phrases in this book will help you make the leap from intermediate to advanced. What made me want to write this book? After years of teaching intermediate students who never seemed to improve I decided to find out what the problem was. Essentially, intermediate students get stuck because learning at this stage is a different type of learning than at the beginner stage. You have mastered the grammar and the basic vocabulary but most textbooks just carry on like nothing has changed. However, what you need at the intermediate stage is not just more dry grammar and lists of vocabulary, but to be exposed to as much 'real' English in as many 'real-life' situations as possible. This will help you start to understand what people are actually saying and not just 'textbook' English. It will also help you to naturally 'get a feel' for the language. Because I couldn't find a book that introduced everyday English phrases in a fun and engaging way I decided to write one myself. How will this book help you? Every new phrase is introduced in the real context of a short story or an article. So by having fun and reading something interesting you will be learning naturally rather than having to force yourself to study. It's a simple fact that if you are having fun you will learn quicker and more easily. This book is an excellent way to be exposed to 'real everyday English phrases' but with the guidance of clear explanations and examples in simple English. Basically it uses simple language to introduce more complex phrases so you are eased into a more advanced level. All of the phrases in this book are in common use and are the key to unlocking fluency. I have only included phrases which I have heard recently in conversation or on the radio or television. If it is in this book it is in everyday use. So, if you are sick of being stuck and want to improve in a fun and engaging way, please press the buy button on the top right of this page to get started today.
