The Edge of Sadness Edwin O'Connor, 2010-06 A realistic Christian novel of hope in a non-Christian age.-New England Quarterly A deeply felt and eloquently expressed work . . . A quiet, gentle novel of considerable insight and charm . . .-Library Journal O'Connor succeeds in delineating poignantly the overwhelming spiritual storms of the soul which assail the conscientious clergyman.-The Christian Century Winner of the Pulitzer Prize for Fiction In this moving novel, Father Hugh Kennedy, a recovering alcoholic, returns to Boston to repair his damaged priesthood. There he is drawn into the unruly world of the Carmodys, a sprawling, prosperous Irish family teeming with passion and riddled with secrets. The story of this entanglement is a beautifully rendered tale of grace and renewal, of friendship and longing, of loneliness and spiritual aridity giving way to hope.

A Family of His Own Charles F. Duffy, 2003 A family of his own covers Edwin O'Connor's comfortable upbringing in Rhode Island, his formation at Notre Dame, his obscure years in radio and the Coast Guard during World War II, his adoption of Boston, his long association with his publishers at Atlantic Monthly and Little, Brown and Company, his toil in journalism and television reviewing, his several sojourns in Ireland, and his extraordinary dedication to his craft while living close to poverty. For the years after The Last Hurrah, Duffy examines O'Connor's handling of newfound wealth and celebrity, his growing loneliness, the surprise and fulfillment of a late marriage, his failure on Broadway, and his return to fiction. Throughout his writing O'Connor's major subject was the family, especially the gains, losses, and conflicts within assimilated Irish America. Duffy examines the complex ways by which O'Connor's own experience of family and friendship formed essential patterns in his works.

Crisanta Knight: Eternity's End Geanna Culbertson,2022-10-18 Our enemies are prepping for the culmination of their plans, we have powerful allies in multiple realms, my magic is stronger than ever, and we're in a position to cross worlds and find the girl that's key to all of this. Seems like a good time for a finale, don't you think? In this epic conclusion to the nine-book fantastical series known for its soulful storytelling, exceptional world building, and heroic, inspiring characters, join Crisanta Knight and her allies as they fight for happily ever after---for themselves, the ones they love, and the many realms they have impacted. Returning from her harrowing experience on Earth as a more powerful and more dangerous version of herself, Crisa must redefine her role as a hero, princess, leader, and human girl amidst realms on the brink of chaos and a slew of story arcs about to collide in climax. So put your dragon in park, holster your wand, and strap in for an adventure worthy of the term FINALE. The stakes have never been higher as the antagonists move to execute the final phase of their plan for the realm of Book and greater magical universe. Crisa and company will face them head on and attempt to conquer external and internal adversity as they push to truly live up to the role that started it all---Protagonist. What Fans Say: A beloved series is hard to find, but this author has most definitely written one that should be granted a prominent place on every bookshelf around the globe. This series is one of the best I've read in quite some time. I can hardly wait until the next book is published. The story line is amazing and keeps you entertained throughout the book. This is a great twist on old classics. A brilliantly written story, easily ready for the TV or movie screen! As good as Game of Thrones, but written for a younger audience, this book will pick you up on its very first page, wrap you in its arms, and carry you all the way to the end.
