Catherine Ray

The Shallows Holly Craig, 2023-02-06 Her best friend is dead. Emma and Ariella, neighbours in one of Sydney's most exclusive suburbs, appear to have it all--perfect homes, perfect husbands, perfect lives. But they both know dark secrets lurk beneath the surface and shallow waters can't hide Ariella's. Now she has been found murdered. Her daughter filmed the killing. Not knowing what she's filmed, Emma's daughter Kiki innocently uploads footage of Ariella's brutal death. Emma fears the worst--the killer will know what she and Kiki have seen. Their safe suburban lives no longer exist. Her husband knows more than he's revealing. Emma's husband Charles forces the family to leave their perfect life and escape on their yacht. His dangerous plan to flee means Emma is trapped and desperately seeking answers. What are they hiding from? What did Ariella have to confess? And who else knows Emma's own secret? Her secret isn't safe and neither is she.

Find Me Holly Craig, 2026-08-25 From the bestselling author of *The Shallows* and *The Rip* comes a terrifying survivalist thriller as two sisters navigate the eerie Tasmanian wilderness, perfect for fans of Jane Harper and *Yellowjackets*. Don't stop until you find me. When their brother Pete went missing two years ago on Mount Mercy, officials shook their heads. "He never should have been here; he was warned. Mount Mercy takes things." After a disastrous first attempt to locate him, they called off the search. Estranged sisters Hallie and Gertie are drawn back together when their mother's dying wish is for her girls to find their brother. To bring him back home. Their brother was last seen at a mysterious commune at the foot of the mountain, where members perform strange rituals to keep a sinister presence that comes from deep in the woods at bay. But this mountain has no mercy, and they shouldn't be there either. The sisters must navigate treacherous terrain as they confront what lies between them and what lives on the mountain. When Gertie also vanishes, the line between reality and nightmare blurs. Hallie realizes she must face Mount Mercy, and whatever is lurking in the forest, all alone.

The Rip Holly Craig, 2024-02-20 Luxury villas on hot white sand, views for miles over turquoise water. Flawless hostess Penny gathers guests to an island for her husband's birthday celebrations. But she soon regrets inviting self-obsessed Eloise...When a child vanishes on the night of the party, their perfect island weekend is ripped apart. Even paradise harbours murky secrets... Has he been taken? Has he drowned? In the panic to find any trace, Penny casts about for someone to blame--even if that person is her own daughter, Rosie. Even clear waters descend to pitch black... But it's not the first time Rosie's been attacked by her mother. And it's not the first time she's turned to Eloise for support. As the sun beats down and

dark secrets rise to the surface, can they find the missing child before it's too late--or will this sudden disappearance endanger them all? ...and someone among them knows the whole shocking truth.

UNBLOCK Amanda Sokell,2024-11-04 More productive people and processes, fast. In many countries, productivity growth has been sluggish for over 15 years. It is the reason why we are all working harder for less money, and yet despite many attempts to overcome this, it remains a significant challenge. Yet productivity is a poorly understood concept - few companies measure it effectively, and even fewer understand how they can change it for the better. In UNBLOCK, Amanda Sokell sets out the root cause of a poor productivity culture and outlines four levers to transform your productivity, and therefore your profits, in only 100 days. Amanda Sokell is a process and productivity expert who helps companies thrive. She's also a popular speaker, author, entrepreneur, creative, polymath and educationalist; lover of learning, chocolate, dancing and difference. In a 25-year career spanning public relations, software development, coaching, mentoring and training, Amanda has helped transform the productivity culture of organizations from global pharmaceuticals to family-run microbusinesses.

Mělčina Craigová Holly,2023-09-04 Co vše dokáže zvládnout matka, když jsou ohroženy životy jejích dětí i její vlastní? Po vraždě v sousedství se celá rodina musí dát na útěk. Jejich dobrodružná plavba skončí na ostrově, ze kterého zdánlivě není úniku.

End of Story Elizabeth Spann Craig,2023-07-25 A novel way to die. When Ann's boyfriend Grayson inherits a surprise legacy, the couple heads to historic Charleston for a much-needed vacation. Not only does Grayson adore the city, but Ann's college roommate, now a librarian, has extended an invitation for them to stay with her. As they explore the picturesque streets and soak in the rich culture, Ann and Grayson couldn't be happier. But their idyllic getaway takes a turn for the worse when her former roommate's brother is found dead in the library. Determined to uncover the truth and bring the killer to justice, Ann sets out to investigate. With Grayson's help, Ann unearths clues and unravels a web of deception. Will she be able to solve the mystery before someone else is booked for murder?

The Internet Is Not the Answer Andrew Keen,2018-09-01 The renowned Internet commentator and author of *How to Fix the Future* expos[es] the greed, egotism and narcissism that fuels the tech world (Chicago Tribune). The digital revolution has contributed to the world in many positive ways, but we are less aware of the Internet's deeply negative effects. *The Internet Is Not the Answer*, by longtime Internet skeptic Andrew Keen, offers a comprehensive look at what the Internet is doing to our lives. The book traces the technological and economic history of the Internet, from its founding in the 1960s through the rise of big data companies to the increasing attempts to monetize almost every human activity. In this sharp, witty narrative, informed by the work of other writers, reporters, and academics, as well as his own research and interviews, Keen shows us the tech world, warts and all. Startling and important, *The Internet Is Not the Answer* is a big-picture look at

what the Internet is doing to our society and an investigation of what we can do to try to make sure the decisions we are making about the reconfiguring of our world do not lead to unpleasant, unforeseen aftershocks. Andrew Keen has written a very powerful and daring manifesto questioning whether the Internet lives up to its own espoused values. He is not an opponent of Internet culture, he is its conscience, and must be heard. —Po Bronson, #1 New York Times–bestselling author
