A Life Well Lived Tommy Nelson, 2010-10-01 In the desire and quest to make sense of the world and our existence, three great sirens have lured men and women into a lull with the empty promise to make their lives meaningful. The great king of Israel, Solomon, though the wisest man, was not immune to their song. But at the end of his life, Solomon, in all of his God-given wisdom, stopped to contemplate on all that competed for his attention. He wrote his conclusions in the Book of Ecclesiastes. Tommy Nelson continues his study of Solomon's writings by taking an in-depth look at Ecclesiastes. In a world such as ours, where the search for meaning and purpose propels mankind to try everything under the sun, Solomon's conclusions ring louder than ever for a people who need answers more than ever.

But the Bible is not silent on this subject. As a matter of fact it has much to say. As the creator of sex, God knows and has imparted the knowledge of the conditions for sex at its best.
