Thomas M. Wilson

Albanian Costumes Through the Centuries Andromaqi Gjergji,2004

Encyclopedia of European Peoples Carl Waldman,Catherine Mason,2006 Presents an alphabetical listing of information on the origins, prehistory, history, culture, languages, relationships to other cultures and more regarding European peoples.

Albania in Pictures Tom Streissguth,2010-08-01 Albania maintains a distinct national identity despite a violent history of many different ruling groups. In one of Europe's poorest nations, resourceful Albanians fight harsh terrain to make agriculture the country's primary business.

Europe Thomas M. Wilson,2023-11-30 This two-volume encyclopedia profiles the contemporary culture and society of every country in Europe. Each country receives a chapter encompassing such topics as religion, lifestyle and leisure, standard of living, cuisine, gender roles, relationships, dress, music, visual arts, and architecture. This authoritative and comprehensive encyclopedia provides readers with richly detailed entries on the 45 nations that comprise modern Europe. Each country profile looks at elements of contemporary life related to family and work, including popular pastimes, customs, beliefs, and attitudes. Students can make cross-cultural comparisons-for instance, a student could compare social customs in Denmark with those in Norway, compare Greece's cuisine with that of Italy, and contrast the architecture of Paris with Amsterdam and Barcelona. Culture and society are changing in each region and nation of Europe due to many political and economic forces, both inside and outside of each nation's borders. This encyclopedia considers many of the transformations connected to globalization, as well as traditions that still hold strong, to provide a complete assessment of the processes that make European societies and cultures distinctive.

The Italo-Albanian Villages of Southern Italy George Nicholas Nasse,1964 Since ancient times, various peoples have settled in southern Italy: ancient Greeks, Byzantine Greeks, Arabs, Waldenses, and Albanians. Of these, only the Albanians have survived as an ethnic group. Aside from minor troubles and suspicions, they have lived rather peacefully in southern Italy for nearly 500 years. Some ItaloAlbanian villages have lost their Albanian characteristics; others, while considerably

Italianized, still retain recognizable Albanian traits. The villages retaining Albanian characteristics are situated in Calabria, Lucania and northwestern Sicily, in remote, mountainous regions which are just beginning to be reached through modern means of transportation and communication. To a large extent the Italo-Albanian of southern Italy follows the Italian way of life. There has been some intermingling and even intermarriage. His towns, dwellings, agricultural practices, food, clothing, and economy resemble those of the Italians. Within his village, however, he has been able to speak Albanian, maintain the Greek religious rite, glorify his own heroes, hold his own festivals, retain some customs, and perpetuate the folklore of his ancestors. (Author).
