*Behind the Rainbow: The Tragic Life of Eva Cassidy* Johan Bakker, 2012-01-19 Eva Cassidy's story is one of the most compelling and poignant in recent music history. In this thoughtful and probing biography, Johan Bakker explores her brief performing career and the fame that only came after her death at the age of 33. A local performer, Eva Cassidy's performance in Iceland was the closest she ever got to Europe. Yet her music has touched millions across the world. Her posthumously released albums, *Imagine*, *Songbird*, *Simply Eva* and *Somewhere* included three UK number ones have sold more than ten million copies. Interviewing Eva's friends, colleagues and family in Washington D.C. and Maryland, Johan Bakker traces her short life, her idealism and her disillusionment with the business side of her trade.

**Songs for the Soul** Ivor Moody, 2024-06-21 'It is a song which illustrates the bittersweet paradox between distance and closeness. Paul McCartney recognised immediately the religious connotations of the song. The words of the song speak of a mother's watching presence, a comforter of the broken hearted people of the world whose advice is to wait, to trust, and to believe that everything will come right in the end.' - Ivor Moody on 'Let it Be'. *Songs for the Soul* is a collection of musical musings and discussions from author Ivor Moody. In this book, Moody discusses his own interpretations of popular songs by the likes of The Beatles, Bob Dylan and Simon & Garfunkel. Moody sees popular music as a natural extension of his own spirituality and writes that each of the six songs featured in this book contains, "a treasury of blessings." He argues that whilst the songs are in fact secular they should not be dismissed or condemned, rather, they are open to spiritual interpretation. That music and the personal meanings we take from it should be incorporated into our everyday worship. 'From 'Message in a Bottle' to 'Let it Be', Ivor Moody opens up the deepest messages, and lets these old songs be something new in the minds of the reader. Moving seamlessly from Sting to George Herbert, From Nina Simone to St. Paul he finds the hidden treasures and the spiritual nourishment nestled and embedded in popular song and links them to the great themes of scripture and the great spiritual writings of the past.' - Revd Dr. Malcolm Guite.

**Clearly Creative CVs** Gavin Ricketts,2012-11-15 In today's competitive Media industries, it's essential that your CV ticks all the right boxes as it determines the first impression an employer will form of you. If you don't convey your skills clearly and effectively, your application may go straight in the bin. Having read thousands of CVs as a producer, writer and director Gavin Ricketts can immediately tell when someone has got it right or wrong. He has 15 years of industry experience and six years' experience of running and marketing his own production company. "When we post a job ad, we get so many responses that those that do not hit the nail on the head go in the recycle bin. But a poor CV is not always indicative of a poor applicant; many simply do not do their senders justice." Distilling this experience and backing it up with industry research, Gavin has developed a successful course on how to write a great CV for the television, animation and other creative industries. Clearly Creative CVs will give a new insight into why certain CVs are picked over others and equip readers with skills that will see a rise in the number of interview requests, job wins and annual earnings. It's a must-read for anyone trying to get into the industry - including graduates leaving university and embarking on their career path.

The Little Lark Still Sings Victoria Smith,2021-01-26 In this memoir of life abroad, a married couple discovers the charms and challenges of Italy when they buy their Tuscan dream home. Happily married for two decades, Victoria and Larry decide to move to their favorite hilltown in Tuscany. But what begins as a romantic adventure soon becomes a drama of change and perseverance. Alongside Italy's wonders—its beauty, art, architecture, food, and history—come the challenges of daily life in a foreign culture, surviving the chaos of construction, navigating narrow roads, longing for friends, stumbling with language, and so much more. As these struggles undermine Victoria's confidence which, in turn, wears on Larry's patience. Though they share a dream, they discover their personal goals are different. His are to study and write, hers are to create the perfect Italian home and make friends. He needs quiet time; she needs his help. From the joys and near disasters of renovating an ancient stone farmhouse to celebrating their first Italian dinner party, Victoria learns about Italy, herself, and their marriage. In The Little Lark Still Sings, she shares their humorous and character-stretching experiences with uplifting insight and wisdom.
