Man in the Mirror A. J. Llewellyn, D. J. Manly, 2020-05-15 Four years ago, things had been very different. In trouble with the mob and suicidal, Aaron's twin brother, Troy, needed to get rid of his life. So he'd handed it over to Aaron. And when Aaron's impersonation of his twin brother was revealed, Aaron feared losing the man he loved, his brother Troy's husband, gorgeous personal trainer, David Alvarez. But by some miracle, David had fallen in love with Aaron, realizing that Aaron was good and true, the contrast to his twin, and there was forgiveness. When Troy's insane plot to let his twin take the fall of his screwed-up life unraveled and it appeared Troy's life was over, Aaron had hope that his life with David could truly begin. Aaron and David now run a B & B on a beautiful Hawaiian island and life is great until the handsome and charming Randy Carlton buys the house down the beach from them. From the onset, Randy Carlton gives Aaron the feeling that he wants David. And he does. Randy Carlton has gone to great lengths to get back what he considers to be his. He intends to let nothing stand in his way. He will have David at all costs...even if he has to kill to do it. This book was previously published under the title Man in the Mirror: Mirrors, Book 2.

Pastoring Men Patrick Morley, 2008-11-06 Much has been made about the 'men problem.' You can hear about it on Oprah. You can read about it in Time. Everyone is concerned about it. Many address the consequences of it, yet very few people are doing anything that will change the root of it.- Patrick Morley, *Pastoring Men*. No man fails on purpose, yet our society is wrought with the results. Popular, well-intentioned solutions rarely deal with the root issue. Because men are difficult to reach, pastors need resources designed specifically for them. In *Pastoring Men*, Patrick Morley equips pastors to effectively reach and disciple all of the men they shepherd. Through proven and practical strategies, *Pastoring Men* provides for positive and lasting change.

A Man's Guide to the Spiritual Disciplines Patrick Morley, 2008-09-01 Spiritual disciplines are to the believer what medical school is to the doctor. A man came up to me at a conference where I was speaking and said, "Pat, do me a favor. Tell me how to be good. I already know how bad I am." That statement captures the intent of this book - and the purpose of the spiritual disciplines. Spiritual strength, like surgical skill or athletic excellence, requires training and practice. To become the kind of man who walks with God and wields Christ's influence in your world, you'll want to begin a consistent regimen of spiritual exercises. In *A Man's Guide to the Spiritual Disciplines*, Patrick Morley highlights twelve habits that will strengthen your walk with Christ, including: -- Experiencing God in creation -- Letting the Bible change your life -- Learning the power of

prayer -- Grasping God's greatness through worship -- Gaining strength through Sabbath -- Thriving because of fellowship -- Succeeding through wise counsel -- And more . . . By presenting each discipline with a concise overview, several examples, and application ideas to get you going, this powerful guidebook will help you develop the maturity every man of God was designed to reflect.

The Book of the Mirror Miranda Anderson,2007 The essays in this book are gathered together from the realms of art, literature, history, archaeology, philosophy and science. Together they weave a picture that gives us new insights into the mirror as a material object and as an image in art and texts. This interdisciplinary and innovative book raises important issues about the material life of an object and its intimate interrelations with socio-cultural imagery. Perceptions of the workings of our cognitive processes and of our subjectivity are shown to be dynamically interwoven with the technological and socio-cultural matrices of particular periods, whilst longer term continuities in the understanding and employment of the mirror reflect underlying continuities in the capacities and constraints of mirrors and of human subjects. This book demonstrates the active role imagery and technologies have always played in our thoughts, lives and worlds.
