This little book of quotes by Charles Bukowski covers all his profound quotes on life, love, writing, philosophy, human mind etc. Makes for a unique gift to those who appreciate profound thoughts and ideas Highly quotable lines you can use (or take inspiration) for your own writing If something burns your soul with purpose and desire, it's your duty to be reduced to ashes by it. Any other form of existence will be yet another dull book in the library of life. ~ Charles Bukowski Find what you love and let it kill you. The problem with the world is that the intelligent people are full of doubts, while the stupid ones are full of confidence. Love is kind of like when you see a fog in the morning, when you wake up before the sun comes out. It's just a little while, and then it burns away... Love is a fog that burns with the first daylight of reality.

Quotes by Charles Bukowski Lilith Regan,2020-04-04 Some people never go crazy. What truly horrible lives they must lead.We are here to laugh at the odds and live our lives so well that Death will tremble to take us.I don't hate people. I just feel better when they aren't around.The free soul is rare, but you know it when you see it - basically because you feel good, very good, when you are near or with them.An intellectual says a simple thing in a hard way. An artist says a hard thing in a simple way.If you're losing your soul and you know it, then you've still got a soul left to lose.Of course it's possible to love a human being if you don't know them too well.To do a dull thing with style-now that's what I call art.You begin saving the world by saving one man at a time; all else is grandiose romanticism or politics.Genius might be the ability to say a profound thing in a simple way.
