Holly George-Warren

Cry Like a Man Jason Wilson, 2019-01-21 As a leader in teaching, training, and transforming boys in Detroit, Jason Wilson shares his own story of discovering what it means to “be a man” in this life-changing memoir. His grandfather’s lynching in the deep South, the murders of his two older brothers, and his verbally harsh and absent father all worked together to form Jason Wilson’s childhood. But it was his decision to acknowledge his emotions and yield to God’s call on his life that made Wilson the man and leader he is today. As the founder of one of the country’s most esteemed youth organizations, Wilson has decades of experience in strengthening the physical, mental, and emotional spirit of boys and men. In *Cry Like a Man*, Wilson explains the dangers men face in our culture’s definition of “masculinity” and gives readers hope that healing is possible. As Wilson writes, “My passion is to help boys and men find strength to become courageously transparent about their own brokenness as I shed light on the symptoms and causes of childhood trauma and ‘father wounds.’ I long to see men free themselves from emotional incarceration—to see their minds renewed, souls weaned, and relationships restored.”

Cry Like a Man Anne Kirkpatrick,

A Man Called Destruction Holly George-Warren, 2014-03-20 The first biography of the artist who “essentially invented indie and alternative rock” (Spin) A brilliant and influential songwriter, vocalist, and guitarist, the charismatic Alex Chilton was more than a rock star—he was a true cult icon. Awardwinning music writer Holly George-Warren’s *A Man Called Destruction* is the first biography of this enigmatic artist, who died in 2010. Covering Chilton’s life from his early work with the charttopping Box Tops and the seminal power-pop band Big Star to his experiments with punk and roots music and his sprawling solo career, *A Man Called Destruction* is the story of a musical icon and a richly detailed chronicle of pop music’s evolution, from the mid-1960s through today’s indie rock.

A Ricepaper Airplane Gary Pak, 1998-04-01 From a hospital bed a dying man unfolds the tale of an arduous life on the fringes of a Hawai’i sugar plantation in the 1920s. There Kim Sung Wha—laborer, patriot, revolutionary, aviator—envisioned building an airplane from ricepaper, bamboo, and the scrap parts of a broken-down bicycle, an airplane that would carry him back to his Korean homeland and to his wife and children. From the start Sung Wha’s dream is destined to fail, but this moving and passionate work is the story of a man who dares to live past the wreckage of shattered visions. His is a heroic story of loss, of deep love, and of rebirth.

I Liked You Until . . . Beverly Green,2016-01-26 There is a popular saying: You need to kiss a lot of toads before you meet your prince. Most movies and books tell the story of the prince. Not mine. This is a story about the toads. This book is about my failed relationships and dating stories so awful, you have to laugh. This book is for women, as we go through the same breakups, makeups, heartaches, and overall relationship roller-coaster rides. And this book is for men, to educate the male population on what not to do when you actually like a girl. Now, able to smile at my single status approaching thirty, I share the stories and toast the men who have impacted my life for better . . . and worse.

Summary of Jason Wilson's Cry Like a Man Everest Media,2022-05-30T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 Estes Wright had a charisma that was hard to miss. He was a fruit picker by trade, and he had a strong sense of self that left a lasting impression on everyone he met. But his conviction was tested when the Great Depression began, and people were suffering regardless of their color. #2 Estes Wright was a man of courage and conviction. He was not afraid to stand up for what he believed was right, even if it meant going against the status quo. #3 The story of Estes Wright is a prime example of how black bodies were treated in the Jim Crow South. He was a black man who lived life as if he had every privilege of a white man, and that was unforgivable. #4 The aftermath of Estes's murder created panic throughout the black community, and the family was alienated by their neighbors. The police were never charged with a crime.

The Adventures of Philip on His Way Through the World William Makepeace Thackeray,1889

Manhood Impossible Scott Melzer,2018-08-31 In *Manhood Impossible*, Scott Melzer argues that boys' and men's bodies and breadwinner status are the two primary sites for their expression of control. Controlling selves and others, and resisting being dominated and controlled is most connected to men's bodies and work. However, no man can live up to these culturally ascendant ideals of manhood. The strategies men use to manage unmet expectations often prove toxic, not only for men themselves, but also for other men, women, and society. Melzer strategically explores the lives of four groups of adult men struggling with contemporary body and breadwinner ideals. These case studies uncover men's struggles to achieve and maintain manhood, and redefine what it means to be a man.
