

Executive Power Vince Flynn

CL Gary

Executive Power Vince Flynn, 2020-11-03 The New York Times bestselling Mitch Rapp series returns with this “fast-paced spy thriller” (People) following the country’s best assassin as he finds himself in the crossfire of America’s deadliest enemies. Returning from a covert mission, Mitch Rapp was publicly hailed by the president for his role in the fight against terrorism. After years of working in the shadows, Rapp was caught in the media spotlight—and marked for death by virtually every terrorist in the world. Now a CIA advisor, Rapp is ready to battle terror far from the front lines. When a Navy SEAL team in the Philippines is ambushed, all evidence points to a leak within the US State Department. And a greater threat lurks—a ruthless assassin working for the most powerful men in the Middle East, who are bent on igniting a world war. With the world watching, Rapp must hold back the flames of Armageddon.

Vince Flynn Collectors' Edition #2 Vince Flynn, 2010-12-07 In this special collectors’ edition, relive the action in Vince Flynn’s #1 New York Times bestselling political thrillers: *Separation of Power*, *Executive Power*, and *Memorial Day*. *Separation of Power* Newly appointed CIA director Dr. Irene Kennedy is the target of an inside plot to destroy her and prematurely end the American President's term. To make matters worse, Saddam Hussein is close to entering the nuclear arms race—something Israel has vowed to stop. With the haunting specter of World War III looming, the President calls on his secret weapon: top counterterrorism operative Mitch Rapp. But with only two weeks to take out the nukes, Rapp is up against a ticking clock—and impossible odds. *Executive Power* After years of working in the shadows, Rapp is caught in the media spotlight—and marked for death by virtually every terrorist in the world. Now a CIA advisor, Rapp is ready to battle terror far from the front lines. But when a Navy SEAL team in the Philippines is ambushed, all evidence points to a leak within the U.S. State Department. And a greater threat still lurks—a ruthless assassin working for the most powerful men in the Middle East, who are bent on igniting a world war. With the world watching, Rapp must hold back the flames of Armageddon.... *Memorial Day* CIA intelligence has pointed to a major terrorist attack on the United States, just as the nation's capital prepares for a grand Memorial Day tribute to the veterans of World War II. Racing to Afghanistan, Mitch Rapp leads a commando raid on an al-Qaeda stronghold in a remote border village—and defuses plans for a nuclear strike on Washington. The crisis averted, the special ops work is done. But Rapp knows, in the face of a new kind of enemy, nothing is as it seems—and it's up to him alone to avert a disaster of unimaginable proportions.

The Vince Flynn Encyclopedia ,2015-04-01 Everything you need to know about Vince Flynn's #1 New York Times bestselling Mitch Rapp series! Hailed as “the king of high-concept political intrigue” (Dan Brown, #1 New York Times bestselling author of *The Da Vinci Code*), Vince Flynn’s covert agent Mitch Rapp took the world by storm in his bestselling series, fighting terrorism and treason both at home and abroad, and captivating the minds of readers all across the world. This comprehensive compilation of characters is the ultimate guidebook to the thrilling and dangerous world of Mitch Rapp. Featuring summaries, memorable quotes, and other fascinating trivia, *The Vince Flynn Encyclopedia* will tell you everything you need to know about all the characters you love, and the ones you love to hate.

Executive Power ,2012 CIA superagent Mitch Rapp battles global terrorism in a high-octane follow-up to *The New York Times* bestselling *Separation of Power* - another chillingly authentic adventure from the master of the political thriller. Mitch Rapp's cover has been blown. After leading a team of commandos deep into Iraq to prevent Saddam Hussein from joining the nuclear arms race, he was publicly hailed by the president as the single most important person in the fight against terrorism. But after years of working covertly behind the scenes, Rapp now lives in the glare of the public spotlight, lauded by the nation and an easy target for virtually every terrorist from Jakarta to London. As special advisor on counterterrorism to CIA director Dr. Irene Kennedy, Rapp is ready to fight the war on terrorism from CIA headquarters rather than the front line. That is, until a platoon of Navy SEALs, sent to the Philippines to save an American family kidnapped by radical Islamic terrorists, is caught in a deadly ambush. The mission had been top secret - so who told the enemy? All evidence points to the State Department and the Philippine embassy. But a greater threat still lurks. An unknown assassin working closely with the highest powers in the Middle East is bent on igniting war. Now, with the world watching his every move, will Rapp be able to overcome this anonymous foe and once again keep the flames of war from raging? Transporting us into an intriguing geopolitical puzzle full of deadly motives, covert operatives, and all the true-to-life insider detail we've come to expect from Vince Flynn, *Executive Power* is a high-flying story that delivers shattering suspense with the velocity of a 9mm bullet.

The Vince Flynn Reader's Companion Vince Flynn,2012-03-20 In this free collection of excerpts, enjoy a taste of all of Vince Flynn’s thrillers starring CIA superagent Mitch Rapp.

Vince Flynn Collectors' Edition #3 Vince Flynn,2011-12-06 In this special collectors’ edition, relive the action in Vince Flynn's #1 New York Tmes bestselling political thrillers: *Consent to Kill*, *Act of Treason*, and *Protect and Defend*. *Consent to Kill* An eye for an eye: that's what the powerful father of a dead terrorist demands in retribution--and with his hate-filled plea, Mitch Rapp becomes the target of an explosive international conspiracy. The fearless operative has both killed with impunity and tortured to avert disaster, all in a battle to preserve freedom. But even among America's allies, some believe the time has come to bring Rapp down. Now the unter is the hunted, and Rapp must rely on his razor-sharp instincts for survival—and justice—as he unleashes his fury on those who have betrayed him. *Act of Treason* In the final weeks of a fierce presidential

campaign, a motorcade carrying candidate Josh Alexander is shattered by a car bomb. Soon after the attack, Alexander is carried to victory by a sympathy vote, but his assailants have not been found. When CIA director Irene Kennedy and Special Agent Skip McMahon receive damaging intelligence on Washington's most powerful players, they call on Mitch Rapp—the one man reckless enough to unravel a global network of contract killers on an explosive mission that leads back to the heart of our nation's capital...and the inner sanctum of the Oval Office. Protect and Defend No longer willing to wait for the international community to stop its neighboring enemy, Israel brings down Iran's billion-dollar nuclear program in an ingeniously conceived operation. The attack leaves a radioactive tomb and environmental disaster in its wake, and has Iranian president Amatullah calling for blood—American blood. Seeing opportunity where others fear reprisals, Mitch Rapp devises a brilliant plan to humiliate Iran's government and push the nation to the brink of revolution. But when a back-channel meeting between CIA director Irene Kennedy and her Iranian counterpart goes disastrously wrong, Rapp is locked in a showdown with a Hezbollah mastermind in league with Amatullah—and he is given twenty-four hours to do whatever it takes to stop unthinkable catastrophe.

Nothing So Glorious (Cris De Niro, Book 5) Gerard de Marigny, 2014-01-26 President Park stepped onto the elevator and smiled, “It is spoken that you are a man of faith. I trust that you will do what is right.” The President of South Korea asks Cris De Niro for help. A North Korean general may be plotting to launch a missile attack on the South in order to reignite the Korean War, and a high-ranking South Korean official may be an accomplice. The only way to know for sure is for a small covert team to cross into the corrupt country - one not officially attached to any nation - and investigate. Mugsy Ricci and Scipio are assigned to the task. They’ll have to work with a North Korean general and a South Korean colonel whom they’re not sure they can trust. Meanwhile, Cris heads to Seoul with Michelle Wang and John “Johnny-F” Francis to uncover the South Korean conspirator. Enemies must work together or war will be inevitable ... a war that could drag the superpowers into it, from the creator of the Amazon-bestselling action & adventure CRIS DE NIRO and ARCHANGEL thriller series, Gerard de Marigny.

Memorial Day Vince Flynn, 2008-12-09 THE NEW YORK TIMES NUMBER ONE BESTSELLER When a spike in CIA intelligence suggests a major terrorist attack planned for Memorial Day, the president orders Mitch Rapp, his top counterterrorism operative, to pull out all the stops. Rapp immediately leaves for Afghanistan where he leads the ultra secret counterterrorism Special Forces unit on a daring commando raid across the border into Northern Pakistan. Their target: an al-Qaeda stronghold. Within a subterranean room, Rapp and his team discover a treasure trove of maps, computers, files and bills of lading for multiple freighters heading to US ports - all pointing to plans for a catastrophic attack on Washington DC. Information is quickly relayed back to CIA headquarters, and in a few hours, the freighters have been located and the danger averted. Or has it? To Mitch Rapp, the whole operation seemed just a bit too easy. Following his instincts on a quest to

unearth the whole truth, Rapp makes a truly terrifying discovery - and with Memorial Day closing fast, he must find a way to prevent a disaster of unimaginable proportions ... AMERICAN ASSASSIN, book one in the series, is soon to be a MAJOR MOTION PICTURE starring Dylan O'Brien (Maze Runner), Taylor Kitsch (True Detective) and Michael Keaton. Praise for the Mitch Rapp series 'Sizzles with inside information and CIA secrets' Dan Brown 'A cracking, uncompromising yarn that literally takes no prisoners' The Times 'Vince Flynn clearly has one eye on Lee Child's action thriller throne with this twist-laden story. . . instantly gripping' Shortlist 'Action-packed, in-your-face, adrenalin-pumped super-hero macho escapist fiction that does exactly what it says on the label' Irish Independent 'Mitch Rapp is a great character who always leaves the bad guys either very sorry for themselves or very dead' Guardian

The Footprints of God Greg Iles, 2004 In this New York Times bestseller, Iles probes the terrifying possibility that the next phase of human evolution may not be human at all. Alarming, believable, and utterly consuming.--Dan Brown. Now available in a tall Premium Edition. Reissue.

Books ,

Pursuit of Honor Vince Flynn, 2009-10-13 Mitch Rapp—the “mainstay of the modern techno-thriller” (New York Journal of Books)—returns in this exhilarating political thriller as he fights for the sake of his country and the pursuit of honor. Less than a week after a series of deadly explosions devastated Washington, DC, key officials are up in arms over whether to make friends or foes of the clandestine elite counterterrorism operatives that stepped between the enemy and countless American lives. Not for the first time, Mitch Rapp finds himself struggling to illustrate the realities of national security to politicians who are content to sit on the sidelines. Meanwhile, three al-Qaeda terrorists are still at large, and Rapp has been unofficially ordered to find them by any means necessary. No one knows the personal, physical, and emotional sacrifices required of the job better than Rapp. When he sees his colleague Mike Nash cracking under the pressure, he makes a call he hopes will save his friend, assuage the naysayers on Capitol Hill, and get him one step closer to the enemy before it’s too late. Once again, Rapp proves himself to be a hero unafraid “to walk the fine line between the moral high ground and violence” (The Salt Lake Tribune) for our country’s safety and for the pursuit of honor.

The Bowker Annual Library and Book Trade Almanac 2004 Information Today, Incorporated, 2004-05 As an on-the-job answer book, a statistical information resource, a planning and research guide, and a directory and calendar, The Bowker Annual Library and Book Trade Almanac 2004 delivers the hard-to-find industry news and information you need.
