In this book, Doreen Virtue and Robert Reeves (a successful Australian naturopath) explain how you can reduce or eliminate physical discomfort with their unique blend of natural and spiritual healing methods. Learn which modalities may be best for you, and how to get well without the need for harsh chemical drugs or surgery. You'll also be inspired by stories shared by readers and clients who were able to relieve their pain with the help of the angels. Don't allow pain to hold you back any longer. Underneath your suffering is a perfectly comfortable, healthy body. Within these pages you will find out how to ease pain naturally so you can reveal it. Get ready to enjoy life again!

Pain-Free Life: Andrea Hayes, 2016-02-12 Irish broadcaster and producer Andrea Hayes is well known to the Irish public for her positive, friendly and down-to-earth persona on television and radio. Hidden behind her smile though, is Andrea's battle with constant chronic pain. After over 20 years of unanswered questions, misdiagnosis, failed procedures and despair, the diagnosis of a rare neurological disorder, Chiari Malformation 1, in December 2013 set Andrea on a journey of wellness to become an empowered patient. Andrea's compelling and candid story is an insightful and thought-provoking read, revealing the daily struggle of life with an invisible illness and the step by step personal pain management programme she has developed in her search for a pain-free life. Trained as a clinical hypnotherapist, Andrea explores the power of the mind, and challenges the language of pain to create a positive mind set. This transformative, enlightening, and inspiring book is a must-read for anyone suffering from or affected by pain or a chronic illness. The curative relaxation hypnosis that accompanies the book is an excellent mechanism for self healing, and will also provide many more positive effects than just pain control for any daily wellness routine.
