## Bhimeswara Challa

**The Wisdom Bible of 100 Stock Gods** James Kim, James Kim Jr., 2025-02-04 James Kim is an experienced entrepreneur with a wide range of business interests, including international trade, commercial and residential real estate development, securities, insurance, and investments. He has extensive experience in investing in and holding shares of publicly traded companies and was selected as an outstanding CEO by a global business organization in 2002.

*Man's Fate and God's Choice* Bhimeswara Challa, 2021-06-29 Stagnate as a 'creepy caterpillar' or transform into a 'beauteous butterfly'-this path-breaking book of a rare genre suggests-is the seminal choice before mankind, and every one of us. In this setting, the book raises some fundamental questions: What is man's rightful place in the cosmos and his manifest destiny on earth? Why are we so self-righteously self-destructive? Are we a doomed species? Or 'divine' beings struggling to overcome the hubris of the human intellect? Is God getting weary of mankind? How should we synergize human effort and Divine Grace? The book posits that any betterment in human behavior needs a cathartic change at the deepest levels. That requires diluting the dominance of the mind and reawakening the long-dormant intelligence of the human heart. To meet that challenge, we need minimum numbers, a 'critical mass' to create self-sustained momentum for transformation through consciousness change. And every single human of this generation should behave in such a way that he or she is that single person whose transformation could make the decisive species-scale difference. The book offers a menu of ideas and an agenda of action. This book could be itself become an input to mobilize that very 'critical mass' it advocates for human transformation. Well-planned and cohesively written, the book is noteworthy for its delightful blend of information and arguments, and reveals the depth of the author's understanding of the human predicament... This is a closely argued and thought-provoking book... The Hindu, 13 Sept 2011 [This book] is a gripping exposition on human nature and self-transformation without preference to religion... Challa has critically provided a foundational argument for a deeper discussion of philosophical and practical ideals concerning self-transformation... harmonizing the head and the heart is the way for humans to function as spiritual beings. Recommended by the USR. The US Review of Books [The author] reflects upon the crisis of contemporary civilizations and outlines a blueprint for a new world order based on progressive spiritual values and change of human consciousness. The strength of this treatise is the sweep of Challa's reach and his treatment of a vastly complex set of issues that bedevil humankind today... India International Center Quarterly, Summer 2012 As a thinker

and erudite scholar, [the author] has made a profound study of the world situation and the moral decadence of man... [This book] deserves to be on the shelves of university, college and public libraries... Triveni Magazine, July-Sept 2011 It is difficult to pigeon-hole this book as... a 'prophetic discourse', a 'journey into the human mind', a 'guide for human survival', a 'spiritual treatise'. It is an amalgam of all these and more... the volume reaches out to those who are already uneasy about the way we on this earth are progressing. The Book Review, India, June 2013

Flying Free: A Journey from Fundamentalism to Freedom John Morgan, 2009-03-10 Flying Free thoroughly covers the background of the Worldwide Church Of God (WCG) cult â its history, leadership, doctrines, beliefs and its membership. This book contains never previously published research explaining Herbert Armstrongâs Holiness Quaker upbringing. It also includes extensive research on the WCGâs comparison to a cult, and the characteristics that actually define a cult. Flying Free documents the impact of the Armstrong teachings on individual lives, but then goes on to show a priceless freedom â found in life beyond fundamentalism. Flying Free is a valuable, practical resource for ex-WCG members and for relatives or friends attempting to come to terms with the reality of loved ones joining a cult. It should serve as a warning to those contemplating entering a fundamentalist church. The book also includes a balanced assessment of the origins of the Bible, the authority of the Bible, and an appraisal of organised Christianityâs influence on the individual Christian.

**God, Money, and Power** Ricky Johnson, 2017-12-22 The Beginning and the End that is who God is as stated in Revelation 22:13, I am the Alpha and the Omega, the First and the Last, the Beginning and the End. That reasoning is why I put the Old Testament quotes and New Testament quotes for the first quarter and fourth quarter. First quarter are quotes that has helped me learn about God and how important he is in my life. There are verses of knowledge, wisdom, hope and understanding that are beneficial for everyday living. Fourth quarter are quotes from Jesus and how we should act like Him. We say we are Christians but are we really acting like Christ? This quarter teaches you about love, good deeds, prayer, receiving your blessings, and how the ultimate goal is to make it into Heaven and have eternal life. When you reach halftime I will give you some of my favorite quotes that I hold dear to my heart that didn't make it to the quarters. I will open up about a few and explain why they are important to my life. The Second and Third quarters are about money and power. Money is one form of power. The more you obtain, the more powerful you can be on Earth. I wrote this book of quotes to teach you about God, Jesus, how to obtain financial freedom, and how to understand the realm of power, the good side and the bad. The more knowledgeable you are the more success and more wealth you will have. The greatest investment you can make is to educate yourself. This book will teach you things you don't learn in school. This is just the starting point, the rest you have to do on your own.

*Dream Wild* Jennifer LeClaire, 2018-02-06 WE ARE CAUGHT UP IN THE RAT RACE. We're stuck in the day-in and day-out mundanity of life. But God wants us to dream with Him. He gives us the desires of our hearts, and He want us to build ourselves up in our faith and pursue those dreams. The enemy comes with doubt, unbelief, religious thinking, and other obstacles to combat our dreams. Ward off spiritual attack and acheive your dreams with a prayer action plan. After receiving one wild prophecy, prophetess Jennifer LeClaire was inspired to chase after the God of her dreams-the One who ultimately makes all dreams come true. Dream Wild will set a Holy Ghost fire under people to pursue God of the desires He put in their hearts. Each chapter begins with a short prophetic word, and the book includes stories of inspiration, overcoming challenges,

gaining victory, and experiencing God's power as they relate to building one's faith to dream.
