**Macho Man Murder** Leslie Langtry, 2020-07-07 From USA Today bestselling author Leslie Langtry comes the latest hilarious Merry Wrath Mystery, where Merry's past with the CIA comes back to haunt her in a very lively way in small town Iowa! Just when you thought it was safe to come out of the water... Who expects to come home and find an angry Chechen strong man in their front yard? That's what former CIA turned suburbanite Merry Wrath discovers when she comes home from a disastrous pool party with her Girl Scout troop. Only this is Iowa, not Chechnya, and Aslan is anything but friendly, having realized Merry double-crossed him in her former CIA life. As revenge for the humiliation, Aslan has an ultimatum for Merry: kill her former handler, Riley Andrews, or Aslan's goons, Ron and Ivan, will kill Merry's husband, Rex. Be careful what you wish for... When Merry's assassin colleague Hilly (who isn't an assassin because the CIA doesn't have assassins - that would be illegal) shows up to help, Merry dares to hope the two of them can find a solution to avoid killing Riley and protect Rex. But before they can come up with a plan, Merry is faced with a dead body, and Hilly tells police she saw Ron and Ivan dumping it. Unfortunately, Merry knows that's not true as she was with the dim-witted rogues when the murder happened. It's a not-so-classic cozy conundrum... Now Merry is trapped in a diabolical dilemma. With Hilly and Riley now suspects in the murder, she could say nothing and watch Ron and Ivan take the fall. Or does she do the right thing, and help Ron and Ivan implicate her friends in the process? Merry has to solve this one on her own as she walks a fine line between doing the right thing for the wrong people, or the wrong thing for the right people. The Rhetorical Power of Popular Culture Deanna D. Sellnow,2017-03-07 Can television shows like Modern Family, popular music by performers like Taylor Swift, advertisements for products like Samuel Adams beer, and films such as The Hunger Games help us understand rhetorical theory and criticism? The Third Edition of *The Rhetorical Power of Popular Culture* offers students a step-by-step introduction to rhetorical theory and criticism by focusing on the powerful role popular culture plays in persuading us as to what to believe and how to behave. In every chapter, students are introduced to rhetorical theories, presented with current examples from popular culture that relate to the theory, and guided through demonstrations about how to describe, interpret, and evaluate popular culture texts through rhetorical analysis. Author Deanna Sellnow also provides sample student essays in every chapter to demonstrate rhetorical criticism in practice. This edition's easy-to-understand approach and range of popular culture examples help students apply rhetorical theory and criticism to their own lives and assigned work.

**Mosquito Bite Murder** Leslie Langtry,2021-08-10 From USA Today bestselling author Leslie Langtry comes a killer summer camping trip! In her career as a spy, Merry Wrath had her share of camping trips—from glamping in a yurt at Oktoberfest with drug lord Carlos the Armadillo to an awkward team building campout in the backyard of a Yakuza mob boss who thought “trust falls” should have lethal consequences. So when the former CIA turned Girl Scout troop leader has the opportunity to take six girls from her troop into a vast, private nature preserve in search of an abandoned scout camp, she jumps at it. The fact that she can secretly use this as a chance to meet up with another spy who has asked for her help just seems to be an added bonus. Of course she doesn't expect to find a guy named Chad in a shallow grave. He's still alive, at

least for the moment, and he insists on accompanying them further into the woods. Merry's contact is a no-show, but another, more dangerous colleague surprises them on the trail. And just when she thinks she might be able to handle things, the group find themselves confronted by a hostile group of senior citizen hermits. From the strange noises in the night, to vampire ticks, and the constant fear of being invaded by Communists, everything in Merry's world appears to be dangerously off kilter. When she's accosted by a 200lb snapping turtle named Old Eisenhower, Merry realizes that not everything is what it appears to be. Can Merry figure out who is behind the strange occurrences before the camping trip ends up with a body count?
