Situationship E.M. Wilson,2025-04-29 Two fiercely independent young professionals begin an “arrangement” where they have pre-scheduled hookups, but the situation grows complicated when feelings get in the way. This blend of spice, fake-dating, and the lives of the privileged will immediately find fans among readers of Not in Love by Ali Hazelwood, Wildfire by Hannah Grace, and The Dixon Rule by Elle Kennedy. Never let friendship get in the way of a situationship . . . Teagan knows what she wants, and how she’s going to get it. She’s in her last year of law school and appearances are important to her family—she doesn’t want to let anyone down. But when her parent-approved boyfriend isn’t cutting it between the sheets or beyond, she decides to leave him behind—right at the start of summer season. . . and it sucks being single when there are so many weddings and black-tie events lined up in her social calendar. Teagan’s a fiercely independent woman who knows she doesn’t need a man . . . but people ask so many questions. Enter, Heath. They’ve been in the same friend group forever, and when they set their complicated past behind them, it becomes apparent that they can both get what they want. Heath’s handsome, smart, sexy, and knows his way around, but he’s not “relationship” material. With him, Teagan doesn’t have to be the only “single” at events. Soon, the two sign a contract to define their situation—but when feelings start to get in the way, their deal might be irretrievably broken.

So, before pursuing her masters at HBU, she vows this summer will be different. With her friends, Oakport Island, and a secret bucket list meant to help her be selfish for a change. Finding soccer captain Caden Callahan in her room was not part of that plan though, and that they’re bunking together even less. The No-Fraternization Policy between her friends runs deep, and if she’d known he’d be forced into their circle, she wouldn’t have slept with him four months earlier. Now, staying away from Caden is a given, but gets damn-near impossible between her new-found love of selfishness and the realization that he’s the only person she can truly be herself around ... »LESSONS IN FALLING combines everything a good romance book needs: humor, tension and themes to make you think - a perfect match!« CARINA FROM QUEEN.CARI English edition of LESSONS IN FALLING by WATTPAD-superstar Selina Mae

Through You Ariana Godoy,2023-01-17 The long-awaited sequel to Ariana Godoy’s successful novel Through My Window. Claudia knows the wealthy, gorgeous Hidalgo brothers better than most people: she lives with them, after all. Once

she was just the housekeeper's daughter, but now she looks after the whole household. At one time, she shared a spark with the eldest brother, Artemis, since they grew up side by side. Yet there's no world where they could be together. Now Artemis is back from university, in the house, in the pool, in her mind—invading all Claudia's safe spaces, and behaving hot and cold towards her. Where there once was tentative friendship, something more ignites. Claudia must protect her future and her heart as things become more serious with the man set to take over the Hidalgo family business. As Claudia and Artemis realize that they connect completely in so many ways, they won't let anything—family obligations, social prejudices or personal history—keep them apart.

Hand Johnson and Vaughn's (Spellbound) latest to readers who love quick whirlwind romances that feature lovable characters, a ton of humor, and favorite tropes such as forced proximity, fake dating, and only one bed. —Library Journal Desideria is looking for true love... When your father, the king of demons, tells you to find an eternal partner in ninety days, you do it—because the alternative is worse. Jace's heart is shattered and guarded...All I asked for was a quiet roommate to help with the bills; instead, I got a sassy demon princess. Cannon wants everyone to be happy, but ... Sure, I want to help my friends, but I've got ambitions too. Infernis help them. A visit to the human realm is Desi's last-ditch effort to find the partner of her dreams—she wants to marry for love—but with only three months to fall head over heels and take someone home to her chaotic family in Infernis, it seems impossible. When every date Desi goes on ends in disaster, she enlists the help of her two handsome roommates. While one is friendly and fun, willing to help in any way he can, the other is stern and impenetrable, resolute in his theory that everlasting love isn't possible. But as much as she'd like to deny it, Desideria is an agent of chaos, and she quickly starts knocking down walls and crossing boundaries—in every aspect of her romantic life... Maybe it was kismet that landed Desi in Denver, but the choice she and her new friends have to make will define not only their futures, but that of an entire realm.
