*Dead Heat* Joel C. Rosenberg, 2008 2009 Retailer's Choice Award winner! The stage is set for war. Oil prices are surging to record highs. A new dictator is rising in Iraq. China is threatening Taiwan. North Korean forces appear ready to strike south. Israel is feverishly trying to complete the Third Temple. And in the midst of a world ready to explode, American president James MacPherson's second term is ending. The battle to succeed him is heating up into the most fiercely contested presidential election in American history. Who will lead a bitterly divided country over the next four years? And just what role—if any—does the US play in history's last days? As the presidential campaign narrows to a dead heat, the Secret Service learns of a catastrophic terrorist plot to assassinate one of the candidates—but which one? Whom do they want dead? And can US forces stop the terrorists before millions lose their lives? From New York Times best-selling novelist Joel C. Rosenberg, this explosive political thriller is sure to provoke discussion, along with fervent hopes that this frightening vision of the future will not come true.

**Sequels** Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series.

**Without Warning** Joel C. Rosenberg, 2017 When the president erroneously believes that ISIS is about to be defeated, foreign correspondent J.B. Collins informs him he is wrong and argues for a capture, or kill, order for the leader, Abu Khalif.

*Two Nations Under God* Tom Doyle, 2008-08-01 Why should you care about Israel? With the war in Iraq, possible engagement in Iran, and an imminent presidential election, U.S. foreign policy in the Middle East and the issue of solidarity with Israel remain important. In *Two Nations Under God*, American missionary Tom Doyle presents even greater reasons why the U.S. should show concern for Israel. Part one, "Why Should America Care?" is a biblical and historical primer on Israel with fascinating insights into connections between American and Middle East culture. Part two, "Sorting Out the Middle East Maze," presents more facts about Islam and the spiritual roots behind the Middle East conflicts. Part three, "Maximizing the Moment," is a call to action and prayer for the American church regarding the future of Israel. Best of all, readers will learn throughout that, despite the headlines, there is plenty of good news coming from the Middle East. Doyle reports on the increasing number of Muslims converting to Christianity, profiles local disciples and church planters, and provides helpful timelines, comparison charts, photographs, and more to keep every detail concerning Israel in perspective. Endorsements:

Chaos. Carnage. Confusion. For many, that's the modern Middle East. But Tom Doyle gets it. Better yet, he can really explain it. With a pastor's heart, he clearly and concisely describes why God loves the Jews of Israel and her Muslim neighbors, and why we should, too. What's more, Tom reveals how powerfully God is moving in the modern Middle East, and how we can join Him. Two Nations under God is a must read—fascinating, insightful, and deeply thought-provoking. Get one for yourself, and another for your pastor. Joel C. Rosenberg, New York Times best-selling author of Epicenter: Why the Current Rumbblings in the Middle East Will Change Your Future

**Home Front** Joel Rosenberg, 2003-03 When aging, balding, copy editor Ernest Sparky Hemingway (no relation) gets a call from the daughter of his Vietnam buddy George Washington (also no relation), he is faced with a choice. He can head out to Minneapolis to help her out of a jam or hang up the phone--and this phone call has the potential to turn Sparky's life upside down. He's managed to erect a pretty effective cocoon around himself over the last few years, and no amount of aggravation (or thoughts about his long-gone ex-wife) can get through his very carefully nurtured shell. He's very comfortable living (well, maybe just existing) in the little North Dakota town of Hardwoods, filled with its decidedly odd folks who just do what they have to in order to get along, where everybody knows everybody else's secret but pretends they don't. He's left alone, and that's the way Sparky likes it. But you don't walk away from a promise. Especially when that promise was made to somebody who pulled your butt out of more unfriendly and friendly fire than a hailstorm of June bugs. You don't ask, you just do. His fellow vet buddy Doc Holiday (you guessed it, no relation) meets him in Minneapolis and tosses him a .45, which comes in handy when they run into a hard time with some gang-bangers who are after the girl in question. They rescue Washington's teenage daughter, Tenisha, and Doc and Sparky split up, Sparky taking Tenisha and her cat back to his place. Between dealing with the aforementioned gang-bangers, the Minneapolis police, who are hassling Sparky, Doc's brain tumor, and the mostly white town Sparky lives in taking umbrage at the color of Tenisha's skin--not to mention having to haul a four-month-pregnant neighbor and her baby to his house for safety during a blizzard--Sparky thinks he's handling himself pretty well. And then things start to get weird.

Alpha And Omega Isaac Jalal, 2022-02-22 The book Alpha and Omega covers pre-existent names of the Messiah, prophecies, and predictions about the coming of the Messiah foretold in the Old Testament. This book guides readers through some of the usual arguments about the existence of God and the self-existence of Christ before His incarnation as Jesus. Following the very first verse in the Bible, Genesis 1:1 provides the roadmap for the rest of Jesus's biblical story as represented in the New Testament from His birth through His crucifixion, resurrection, and second coming. This study restates the subjects and events based exclusively on biblical accounts and known historical facts in exceptional detail. Jesus Always Existed The Old Testament prophets recognized Jesus as God Almighty or Jehovah God, the First and the Last (Exod.

6:3; Isa. 44:6, 48:12). In the Old Testament, Jesus is not referred to by His earthly name Jesus. His true identity is revealed in the New Testament after His holy birth to Virgin Mary when God's angel told Mary to name Him Jesus (Luke 1:30-31). He was chosen before the creation of the world, but was revealed in these last times for your sake. (1 Pet. 1:20) Jesus's true identity was reaffirmed in the book of Revelation: I am the Alpha and the Omega, says the Lord God, who is, and who was, and who is to come, the Almighty. (Rev. 1:8) Who Was Jesus and What Was His Message? Different individuals have different views of Jesus. To some, He is either a prophet or enlightened man. To others, He was a revolutionary or political defiance. To the believers, however, Jesus is the Son of God, the Alpha and the Omega (which He is).

**The Word of the Lord Came to the Prophets** Rev. Harold E. Petersen, 2022-05-07 The Bible, the Word of God, has been a part of my life. We had family devotions mornings and evenings, Sunday school, and worship services. These continued to draw me into the Word. When I was in high school, I started to read the Bible through in a year, which I have continued down to the present times. It was when I was in the seminary that I was inspired to mark a special verse in every chapter of the Bible. Some chapters were so full of gems of truth that I chose several. The prophets are a source of amazing truth about life and our relationship with the Lord God. The prophets have influenced my life in many ways. Isaiah is full of good news. Jeremiah speaks volumes about how I live. Ezekiel draws me into the drama of faithfulness. The other prophets have enriched me in many ways.

**Epicenter 2.0** Joel C. Rosenberg, 2012-11-16 In his first groundbreaking nonfiction book, now with updated content, New York Times best-selling author Joel C. Rosenberg takes readers on an unforgettable journey through prophecy and current events into the future of Iraq after Saddam, Russia after Communism, Israel after Arafat, and Christianity after radical Islam. You won't want to miss Joel's exclusive interviews with Israeli, Palestinian, and Russian leaders, along with previously classified CIA and White House documents. New content includes the most up-to-date information since the hardcover release in 2006, a new poll about American attitudes toward the Middle East and prophecy, and transcripts of interviews conducted during the interview process for the Epicenter DVD-video.

**Rushing Ahead to Armageddon** Christopher M. Jones, 2010 The world seems to be on the brink as tensions in the Middle East are escalating daily. Russia is strengthening its ties with China, North Korea, Syria and Iran arming them with sophisticated military weaponry. Russia is building up its armed forces, returning to Cold War military tactics, including reopening ports used by the former Soviet Union. Tensions between Israel and Iran have never been higher with each nation poised to strike against the other in a moment's notice. Iran's nuclear ambition is well documented and is becoming a menace on the International stage. With Israel's very existence at stake, a preemptive strike against Iran's Russian built nuclear facilities is not out of the realm of possibility. A preemptive strike by Israel could provoke a retaliatory response by Russia and her allies. It seems that in a moment's notice the events described in Ezekiel 38 & 39 could break out right before our

eyes...or is it? For many years, contemporary prophecy writers have been telling us that we are living in the last days and the Gog and Magog alliance is one sure sign that the Rapture and the Second Coming of Christ are near. However, there is strong biblical evidence that the candidate often identified as Gog, Russia, may not in fact be the candidate that Ezekiel was referring too. Using the Bible as a guide, we can figure out who this obscure person is instead of using today's newspapers. With a long history of well documented failed predictions by contemporary prophecy writers, maybe it's time that we begin to reevaluate today's popular interpretation of Ezekiel 38 & 39 in light of the Bible. Author's Bio: Christopher Jones is the church administrator for Faith Community Worship Center located in the San Francisco Bay Area where he also preaches part-time.

**The Beirut Protocol** Joel C. Rosenberg, 2021-03-09 From New York Times, USA Today, and Publishers Weekly bestselling author Joel C. Rosenberg! A game-changing peace treaty between Israel and the Saudis is nearly done. The secretary of state is headed to the region to seal the deal. And Special Agent Marcus Ryker is leading an advance trip along the Israel-Lebanon border, ahead of the secretary's arrival. But when Ryker and his team are ambushed by Hezbollah forces, a nightmare scenario begins to unfold. The last thing the White House can afford is a new war in the Mideast that could derail the treaty and set the region ablaze. U.S. and Israeli forces are mobilizing to find the hostages and get them home, but Ryker knows the clock is ticking. When Hezbollah realizes who they've captured, no amount of ransom will save them—they'll be transferred to Beirut and then to Tehran to be executed on live television. In the fourth installment of Rosenberg's gripping new series, Marcus Ryker finds himself in the most dangerous situation he has ever faced—captured, brutalized, and dragged deep behind enemy lines. Should he wait to be rescued? Or try to escape? How? And what if his colleagues are too wounded to run? This is the CIA's most valuable operative as you have never seen him before.

**Family Matters** Joel Rosenberg,2004-07 When aging, balding, copyeditor Ernest Sparky Hemmingway (no relation) got a call from Tenishia, the daughter of his late Vietnam buddy George Washington (also no relation), he was faced with a choice: head out to Minneapolis to help her out of a jam or hang up the phone. He made the decision to help and it changed his life. Along with his old army buddy Doc Holiday (you guessed it-no relation) Sparky faced down the bad guys and found out who caused Washington's death. Sparky chooses to give Tenishia a shot at a normal life and takes her back to the little North Dakota town of Hardwoods, filled with decidedly odd folks who just do what they have to in order to get along-a place where everybody knows everybody's else secrets but pretends they don't. When he begins the unenviable task of rearing an almost grown inner-city teenager, many in the town think he's nuts. But this girl isn't just anybody, and the bonds-and promises-made in war sometimes last even longer than a man's life. Just when Sparky thinks he's got the hang of his new lifestyle, he gets roped into becoming a deputy sheriff and runs smack dab into a political wrangle over the possible building of a major trauma center in the town. The hospital could be just the thing to save a sleepy little hamlet that loses farm kids every year to the big cities. But Hardwoods isn't the only town that is vying for the honor, and where people's jobs and lives are at stake, is there any doubt that a dead body or two will join the party any minute?

U.S. President William Jackson threatens to support a U.N. Security Council resolution condemning the Jewish State for unprovoked and unwarranted acts of aggression. Meanwhile, CIA operative David Shirazi has infiltrated the Iranian regime and intercepted information indicating that two Iranian nuclear warheads survived the attack and have been moved to a secure and undisclosed location. In danger not only from the ongoing missile strikes on Iran but also from the increasingly hostile and suspicious governments of multiple countries, David and his team are in a race against time to find the remaining nuclear warheads before disaster strikes.
