A Magical Mystery Time Brooke Halpin, 2015-03-12 From February 1964 to 1970, it was a magical, mysterious time when The Beatles were a powerful force that shaped an entire generation of teens throughout the world. Trevor Hampton, the character in Brooke Halpin's new novel, was one of those teens. Trevor was so infatuated with and enamored by The Beatles, that he thought he was a Beatle. *A Magical Mystery Time*, based on a true story, is about Trevor's musical dreams and aspirations of becoming a successful rock and roller, who devoutly followed everything The Beatles did. But there were pot holes and dead ends on this obstacle laden long and winding road, that led Trevor to disillusionment and shattered dreams. Before he could move forward -- away from his false identity and life beyond The Beatles -- he had to get back to his past and resolve outstanding issues.

Losing Faith in Faith Dan Barker, 2006 *Losing Faith in Faith* records Dan Barker's dramatic journey from devout soul-winner to one of America's most prominent freethinkers. Following his calling at age 15, Dan Barker worked as a missionary, ordained minister, associate pastor, touring evangelist, Christian songwriter, performer and record producer. After preaching for 19 years, Barker lost faith in faith. Throwing out the bath water, he discovered: There is no baby there! Today Barker, co-president of the Freedom From Religion Foundation, Inc., (www.ffrf.org) frequently represents freethought on the talkshow circuit and at personal appearances, concerts, and debates around the country, turning his experience as a former minister into ammunition against superstition and irrationality. In *Losing Faith in Faith*, Barker explains why he left the ministry. He also offers a definitive, compelling analysis of why he rejects belief in a god and the claims of religion. He explores the fallacies, inconsistencies, and harm of Christian doctrine and theistic dogma. In its place, he issues an appealing and compassionate invocation of freethought, reason, and humanism. *Losing Faith in Faith* is both a challenge to believers and an arsenal for skeptics.

Marconics Alison David Bird, Lisa Wilson, Grace Elohim, Archangel Ariel, 2017-09-25 An Atlantean civilization engulfed by cataclysm falls through time and space, scattering hundreds of thousands of souls throughout the dimensional fabric of Free Will Universe One. The survivors, trapped on Earth for eons with no way out, attempt to rebuild a Civilization of Light on a dense and hostile planet. Failed retrieval missions leave Earth poised for auction to the highest bidder. Leaders of the Founder Races, the Elohim, and the Seraphim discover a single timeline of redemption a brief window at the end of Earth's final Ascension cycle. As the Galactic Federations prepare the planet for a transfer of ownership, they must leverage their human incarnates, tasking them to step into unseen realms and forge a collaborative rescue mission against all odds. Told from the perspective of galactic observers charting the orchestrated evolution of man, this cleverly crafted fictional narrative draws from channeled information and presents compelling evidence revealing the higher truth of humanity's origins and Earth's destiny.

This book analyzes what is a "Hit Song", covering my Hit Song Recipe - a collection of special ingredients that makes up the "Hit Song" sauce. This analysis will help you as a songwriter gain a clearer path on how to write a "Hit" song and why you should at least write one for your catalog. Who knows, once you get hooked, you may realize that all your songs can be Hits! But songs aren't Hits just in the writing. This book focuses not just on songs, but you as the songwriter. You'll also receive tips on marketing, branding and networking in the music business, including an in-depth chapter on licensing and publishing your songs. By the end of this book, you'll have your Writing Recipe book, and you'll be able to determine whether you're up to playing the music business game to succeed as a professional, consummate, 360° Songwriter. Through my carefully crafted strategies, you'll give your SONG the BEST SHOT. Actually, a SLAM DUNK.

Do You Believe Is It Real or Fiction? Scott Chally, 2014-08-08 This is a real-life story. You will read and get an in-depth look of my childhood, family, my teen years, the years I spent in the service, running a business and all the good and bad in my life, that I had, clear up till I had lost it, where I was put in the hospital and then diagnosed with bipolar affective disorder/schizo affective disorder. It all started forty days before Easter of 2006, having visions or insights into the Bible while making a new law for the people, also having vibes and connections with spirits that allowed me to believe that the end of the world was upon us. This true life story takes you on a journey, which is believed to have come from God. During the second part of the story, I fight against evil or Satan himself, which makes me believe that I may possibly be the Antichrist if I don't do the right thing in order to save the world. I would tell people that I'm the Chosen One Jesus Christ, the Second Coming, the Messiah, the Son of God or even the Lamb of God.
