*** ** What those who were impacted from this book are saying: ** “Robert Wright has done it again, surpassing all expectations. The revised fourth edition of Killing Cancer-Not People contains indisputable breakthrough material on the cutting edge of scientific advancement in oncology.” — Maureen Howard Long, Owner, Holy Grail Cancer Care ** “If I had to choose one book that would teach me how to prevent and heal chronic disease it would be Bob Wright’s Killing Cancer-Not People. When you read it, open not just your conscious, left brain mind, but your heart mind. The truth shall set you free – from disease.” — Brian LeCompte, MD ** “I talk to people with cancer every day. At our pharmacy, we strive to inform and educate our clients regarding alternative cancer treatments and supplements. Most people don’t know what to do or where to start. I suggest, ‘Killing Cancer – Not People,’ as the best place to start. The book is easily understood and gets to the point with the truth about cancer and how to heal it. I consider it my cancer Bible. I use the book in our Tuesday health lectures and our Wednesday night water lectures. This book is exactly what I needed to help spread the word that there are natural ways to heal cancer.” - Barbara Hubbard, Town Center Compounding Pharmacy ** “Whether you are trying to prevent cancer or beat it, in this book Robert Wright delivers both the testimonial evidence and the factual proof that shows you can win the cancer battle – but you’ve got to be willing to FIGHT in order to WIN any battle in life! Through the testimonials herein, you’ll find some amazing stories of ‘miraculous’ healing of cancer that were the direct result of unleashing the body’s natural

healing capabilities....You hold in your hands the most powerful book ever written to prevent, treat, heal, and beat this disease” - Bill Powers, Texas, Stage IV Victor ** “After four months of following the 5-Step AACI Protocols, the tumors were diagnosed as ‘gone’ – by the same doctor who had diagnosed, my son, Kenny with brain cancer – through an MRI scan report dated July 12, 2016. Doctors kept saying it was a miracle. Of 10,000 previous cases, this is the only one where the patient was totally cleared of tumors WITHOUT any medical treatment. We are so happy and grateful to Bob Wright of the AACI/IWARC for this ‘miracle’ of natural healing and their prayers. Without reading this book and support from the AACI/IWARC, my son would have ended up taking chemotherapy. We cannot imagine what would have happened next!” - Dennis Kong, Sibü ** Bob give you here a fabulous 'User's Manual' for your body. He says he's giving you 'the truth' and he's right. I've read dozens of books on healing cancer using natural substances - the why and how. This is the best. I've written and published 3 three such books myself. This is the best Bar none. — Bill Henderson, Author of Cancer Free

Cancer Stories Esther Dreifuss-Kattan,1990 Cancer Stories provides a vivid depiction of the inner experience of the cancer patient as revealed by the accounts of, and pictures created by, the patients themselves. Drawing on her clinical work as well as an extensive autobiographical literature, Dreifuss-Kattan takes the reader on a deeply moving journey through the psychological realities of cancer, beginning with the initial shock of diagnosis and continuing through the multiple treatments for cancer -- surgery, radiation, chemotherapy -- with their frequently harrowing side-effects. She then demonstrates how psychotherapy and art therapy can be valuable additions to the treatment of cancer patients, fostering creativity which, in turn, can be the vehicle for achieving new psychological integration even in the face of impending death.
