Can't Take That Away Steven Salvatore, 2021-03-09 A charming, inspired story about being true to who you are. - Phil Stamper, bestselling author of *The Gravity of Us* An empowering and emotional debut about a genderqueer teen who finds the courage to stand up and speak out for equality when they are discriminated against by their high school administration. Carey Parker dreams of being a diva, and bringing the house down with song. They can hit every note of all the top pop and Broadway hits. But despite their talent, emotional scars from an incident with a homophobic classmate and their grandmother's spiraling dementia make it harder and harder for Carey to find their voice. Then Carey meets Cris, a singer/guitarist who makes Carey feel seen for the first time in their life. With the rush of a promising new romantic relationship, Carey finds the confidence to audition for the role of Elphaba, the Wicked Witch of the West, in the school musical, setting off a chain reaction of prejudice by Carey's tormentor and others in the school. It's up to Carey, Cris, and their friends to defend their rights--and they refuse to be silenced. Told in alternating chapters with identifying pronouns, debut author Steven Salvatore's *Can't Take That Away* conducts a powerful, uplifting anthem, a swoony romance, and an affirmation of self-identity that will ignite the activist in all of us.

**Playing the Piano with Chords - Note Reading for Pianists** Raphaël Van Goubergen, 2021-08-30 *Playing the Piano with Chords - Note Reading for Pianists* is a practical and visually clear manual for beginning pianists, self-learners and teachers. The book is divided into two complementary parts: *Piano Playing with Chords* introduces accompaniment styles, chord symbols, rhythms, voicings and creative improvisation — in the spirit of the “jazz school”. *Music Reading for Pianists* covers pitch notation, rhythm, rests, time signatures and classical sheet music reading — inspired by the “classical school”. Richly illustrated and written in a friendly, accessible tone, the book encourages understanding, listening, and musical intuition. It is also an ideal preparation for more advanced harmonic studies, such as those found in the author's book *Parent Scales and Chord Scales*. Originally created during the COVID-19 lockdown period in response to students' questions during online lessons. © 2021, Raphaël Van Goubergen (SABAM) - all rights reserved. She found peace, comfort, and healing during her walks on the beach following the loss of her mother. This place also became a refuge for Chelle to be her authentic self and quickly became her happy place. One Sunday morning, Chelle crossed paths with an unlikely visitor, and her life would never be the same again.
