**Dead by Dawn** Paul Doiron, 2021-08 Mike Bowditch is fighting for his life. After being ambushed on a dark winter road, his Jeep crashes into a frozen river. Trapped beneath the ice in the middle of nowhere, having lost his gun and any way to signal for help, Mike fights his way to the surface. But surviving the crash is only the first challenge. Whoever set the trap that ran him off the road is still out there, and they're coming for him.

**Knife Creek** Paul Doiron, 2017-06-13 When Maine game warden Mike Bowditch is tasked with shooting invasive feral hogs that are tearing up the forest in his district, he makes a horrific discovery — a dead baby buried in a shallow grave. Even more disturbing: evidence suggests the infant was the child of a young woman who was presumed to have died four years earlier after she disappeared from a group rafting trip. As Bowditch assists the reopened investigation, he begins to suspect that some of his neighbors aren't who they seem to be. When violence strikes close to home, he realizes that his unknown enemies will stop at nothing to keep their terrible secrets. Mike Bowditch has bucked the odds his whole career, but this time the intrepid warden may have finally followed his hunches one step too far.

**The Mike Bowditch Series, Books 1-3** Paul Doiron, 2015-05-12 Bestselling author and Edgar-Award finalist Paul Doiron knows Maine better than just about anyone, and in this series that follows Maine game warden Mike Bowditch, he proves it. Here together for the first time in one thrill-ride collection are the first three books in the critically acclaimed series: *The Poacher's Son* Set in the wilds of Maine, this is an explosive tale of an estranged son thrust into the hunt for a murderous fugitive—his own father. *Trespasser* On a fog shrouded road in Maine, a young woman disappears after hitting a deer with her car. When Bowditch is called to investigate, he uncovers a web of lies and deceit that leads to a killer who may have already gotten away with murder. *Bad Little Falls* Doiron delivers another masterpiece of high-octane narrative (Booklist) in this harrowing thriller about the hunt for a murderer at the height of a major snowstorm.

**Stay Hidden** Paul Doiron, 2018-07-03 A supposed hunting accident becomes a dangerously complicated murder investigation in *Stay Hidden*, the intricately-plotted new thriller from Paul Doiron featuring Maine Game Warden Mike Bowditch. A woman has been shot to death by a deer hunter on an island off the coast of Maine. To newly promoted Warden Investigator Mike Bowditch, the case seems open and shut. But as soon as he arrives on remote Maquoit Island he discovers mysteries piling up one on top of the other. The hunter now claims he didn't fire the fatal shot and the evidence proves he's

telling the truth. Bowditch begins to suspect the secretive community might be covering up the identity of whoever killed the woman, known as Ariel Evans. The controversial author was supposedly writing a book about the island's notorious hermit. So why are there no notes in her rented cottage? The biggest blow comes the next day when the weekly ferry arrives and off steps the dead woman herself. Ariel Evans is alive, well, and determined to solve her own "murder" even if it upsets Mike Bowditch's investigation and makes them both targets of an elusive killer who will do anything to conceal his crimes.

*The Bear Trap* Paul Doiron, 2017-06-06 "Breathless pacing, dark humor, wildlife, and vivid characters." —Boston Globe In this original short story in the Mike Bowditch mystery series, legendary Maine woodsman and bush pilot Charley Stevens tries to convince young Mike Bowditch of the dangers awaiting rookie game wardens. INCLUDES AN EXCLUSIVE EXTENDED EXCERPT FROM PAUL DOIRON'S KNIFE CREEK! "Nobody knows the woods of Maine like the rugged individuals who eke out a living by hunting, fishing and cutting timber. And nobody knows the region's inhabitants like Mike Bowditch, the young game warden in Paul Doiron's manly mysteries." —New York Times Book Review "Paul Doiron is shaping up as the Tony Hillerman of the east. . . . presenting central characters who are brave and brainy but all too human and fallible. . . . [Doiron's] storytelling is controlled and always enthralling. Just like Tony Hillerman's." —Toronto Star

**The Precipice** Paul Doiron, 2015-06-16 In this riveting new novel from Edgar finalist Paul Doiron, Bowditch joins a desperate search for two missing hikers as Maine wildlife officials deal with a frightening rash of coyote attacks. When two female hikers disappear in the Hundred Mile Wilderness—the most remote stretch along the entire Appalachian Trail—Maine game warden Mike Bowditch joins the desperate search to find them. Hope turns to despair after two unidentified corpses are discovered—their bones picked clean by coyotes. Do the bodies belong to the missing hikers? And were they killed by the increasingly aggressive wild dogs? Soon, all of Maine is gripped with the fear of killer coyotes. But Bowditch has his doubts. His new girlfriend, wildlife biologist Stacey Stevens, insists the scavengers are being wrongly blamed. She believes a murderer may be hiding in the offbeat community of hikers, hippies, and woodsmen at the edge of the Hundred Mile Wilderness. When Stacey herself disappears along the AT, the hunt for answers becomes personal. Can Mike Bowditch find the woman he loves before the most dangerous animal in the North Woods strikes again?

**Bad Little Falls** Paul Doiron, 2012-08-07 Summoned to a rustic cabin during a blizzard, Maine game warden Mike Bowditch embarks on a dangerous investigation involving a notorious drug dealer, a beautiful woman with a dark past, and her troubled young son.

*Widowmaker* Paul Doiron, 2016-06-14 In Paul Doiron's riveting novel *Widowmaker*, Game Warden Mike Bowditch is on the trail of a ruthless vigilante amid the snow-covered mountains of Maine. When a mysterious woman in distress appears outside his home, Mike Bowditch has no clue she is about to blow his world apart. Amber Langstrom is beautiful, damaged, and hiding a secret with a link to his past. She claims her son Adam is a wrongfully convicted sex offender who has vanished

from a brutal work camp in the high timber around the Widowmaker Ski Resort. She also claims that Adam is the illegitimate son of Jack Bowditch, Mike's dead and diabolical father—and the half-brother Mike never knew he had. After trying so hard to put his troubled past behind him, Mike is reluctant to revisit the wild country of his childhood and again confront his father's history of violence. But Amber's desperation and his own need to know the truth leads Mike on a desperate search for answers—one that takes him through a mountainous wilderness where the military guards a top-secret interrogation base, sexual predators live together in a backwoods colony, and self-styled vigilantes are willing to murder anyone they consider their enemies. Can Mike finally exorcise the demons of the past—or will the real-life demons of the present kill him first?

The Bone Orchard Paul Doiron, 2014-07-15 *The Bone Orchard* [is] both a rich exploration of character and a satisfying mystery. —Bruce DeSilva, Associated Press Excellent . . . Thoughtful plotting and strong characters raise this above the crime novel pack. —Publishers weekly In the aftermath of a family tragedy, Mike Bowditch has left the Maine Warden Service and is working as a fishing guide in the North Woods. But when his mentor Sgt. Kathy Frost is forced to kill a troubled war veteran in an apparent case of suicide by cop, he begins having second thoughts about his decision. Now Kathy finds herself the target of a government inquiry and outrage from the dead soldier's platoon mates. Soon she finds herself in the sights of a sniper, as well. When the sergeant is shot outside her farmhouse, Mike joins the hunt to find the mysterious man responsible. To do so, the ex-warden must plunge into his friend's secret past—even as a beautiful woman from Mike's own past returns, throwing into jeopardy his tentative romance with wildlife biologist Stacey Stevens. As Kathy Frost lies on the brink of death and a dangerous shooter stalks the blueberry barrens of central Maine, Bowditch is forced to confront the choices he has made and determine, once and for all, the kind of man he truly is, in *The Bone Orchard* by Paul Doiron.

*Trespasser* Paul Doiron, 2011-06-21 In Paul Doiron's riveting follow-up to his Edgar Award-nominated novel, *The Poacher's Son*, Maine game warden Mike Bowditch's quest to find a missing woman leads him through a forest of lies in search of a killer who may have gotten away with murder once before. While on patrol one foggy March evening, Bowditch receives a call for help. A woman has reportedly struck a deer on a lonely coast road. When the game warden arrives on the scene, he finds blood in the road—but both the driver and the deer have vanished. And the state trooper assigned to the accident appears strangely unconcerned. The details of the disappearance seem eerily familiar. Seven years earlier, a jury convicted lobsterman Erland Jefferts of the rape and murder of a wealthy college student and sentenced him to life in prison. For all but his most fanatical defenders, justice was served. But when the missing woman is found brutalized in a manner that suggests Jefferts may have been framed, Bowditch receives an ominous warning from state prosecutors to stop asking questions. For Bowditch, whose own life was recently shattered by a horrific act of violence, doing nothing is not an option. His clandestine investigation reopens old wounds between Maine locals and rich summer residents and puts both his own life

and that of the woman he loves in jeopardy. As he closes in on his quarry, he suddenly discovers how dangerous his opponents are, and how far they will go to prevent him from bringing a killer to justice.

*The Poacher's Son* Paul Doiron, 2017-10-03 Desperate and alone, game warden Mike Bowditch strikes up an uneasy alliance with a retired warden pilot, and together the two men journey deep into the Maine wilderness in search of a runaway fugitive--Mike's father. But the only way for Mike to save his father is to find the real killer--which could mean putting everyone he loves in the line of fire.

*One Last Lie* Paul Doiron, 2020-11 Never trust a man without secrets. These are the last words retired game warden Charley Stevens speaks to his surrogate son, Warden Investigator Mike Bowditch, before the old man vanishes without explanation. Mike suspects his friend's mysterious departure has to do with an antique warden badge that recently resurfaced at a flea market -- a badge connected to a cold case from Charley's past that the Maine Warden Service would rather forget.

**Skin and Bones** Paul Doiron, 2025-05-13 For the first time in print, *Skin and Bones* features a collection of eight gripping original short stories in the bestselling Mike Bowditch series—including one brand new, never-before-published story—from Edgar-award nominated author Paul Doiron. In *THE BEAR TRAP*, legendary Maine woodsman and bush pilot Charley Stevens tries to convince young Mike of the dangers awaiting rookie game wardens. *RABID* draws Mike into the story of a gruesome case involving a bat with rabies from his Charley Stevens's past (2019 Edgar award nominee for Best Short Story). When a visiting hunter goes missing in the middle of a snowstorm, a young Charley Stevens sets off to rescue him—but begins to suspect the man may not want to be found in *BACKTRACK*. In *THE IMPOSTER*, Mike is confronted with a baffling case of stolen identity when he discovers a dead body whose driver's license claims he is none other than Mike Bowditch himself. Mike tracks down a sinister prowler who turns a couple's dream vacation home into a nightmare in *THE CARETAKER*. An investigation into the killing of a bald eagle in *SKIN AND BONES* unearths an old case of a missing young man whose physically abusive brother might have murdered him. In *SNAKEBIT*, Mike must hunt down a killer who uses the unlikeliest of murder weapons: rattlesnakes. (Brand New!) Mike suspects there's more to a grisly murder-suicide than meets the eye in *SHEEP'S CLOTHING*. Critically acclaimed for his brilliant crime novels, Paul Doiron proves he is also the master of short story in *Skin and Bones*.

**Trespasser** Paul Doiron, 2011 While on patrol one evening, game warden Mike Bowditch receives a call for help. A woman has reportedly struck a deer on a lonely coastal road. When he arrives, he finds blood on the road - but both the driver and deer have vanished. Her body is found the next day, brutalised in a way eerily similar to a case seven years ago, when a jury sentenced Erland Jefferts to life imprisonment for the rape and murder of a college student. So was Jefferts framed? When Bowditch begins to investigate, he receives a warning from state prosecutors to stop asking questions. But for

Bowditch, doing nothing is not an option. And as he closes in on the truth, he suddenly discovers how far his opponents will go to prevent him from bringing a killer to justice...

**Massacre Pond** Paul Doiron, 2013-07-16 Massacre Pond is Edgar finalist Paul Doiron's superb new novel featuring Game Warden Mike Bowditch and a beautiful, enigmatic woman whose mission to save the Maine wilderness may have incited a murder. On an unseasonably hot October morning, Bowditch is called to the scene of a bizarre crime: the corpses of seven moose have been found senselessly butchered on the estate of Elizabeth Morse, a wealthy animal rights activist who is buying up huge parcels of timberland to create a new national park. What at first seems like mindless slaughter—retribution by locals for the job losses Morse's plan is already causing in the region—becomes far more sinister when a shocking murder is discovered and Mike's investigation becomes a hunt to find a ruthless killer. In order to solve the controversial case, Bowditch risks losing everything he holds dear: his best friends, his career as a law enforcement officer, and the love of his life. The beauty and magnificence of the Maine woods is the setting for a story of suspense and violence when one powerful woman's missionary zeal comes face to face with ruthless cruelty.

**Bad Little Falls** Paul Doiron, 2015 Game warden Mike Bowditch has been sent into exile, transferred by his superiors to a remote outpost on the Canadian border. When a blizzard descends on the coast, Bowditch is called to the remote cabin of a terrified couple: a raving and half-frozen man has appeared at their door, claiming his friend is lost in the storm. But what starts as a rescue mission soon becomes a baffling murder investigation. The dead man is an infamous drug dealer, and state police suspect it was his own friend who killed him. Bowditch isn't so sure - but his vow not to interfere in the case is tested when he finds himself powerfully attracted to a beautiful woman with a dark past and a troubled young son who harbours secrets of his own...

**Backtrack** Paul Doiron, 2019-06-25 Enjoy "Backtrack"—an original, brand new, short story from Edgar Award finalist Paul Doiron, author of the bestselling Mike Bowditch series. When a visiting hunter goes missing in the middle of a snowstorm, a young Charley Stevens (later the mentor to game warden Mike Bowditch) sets off to rescue him—but begins to suspect the man may not want to be found.

**Pitch Dark** Paul Doiron, 2024-06-25 Game Warden Mike Bowditch must chase down a cunning and dangerous fugitive in the North Maine Woods in this nail-biter of a thriller from Edgar Award-nominated author Paul Doiron, Pitch Dark. Legendary bush pilot Josie Jonson can't believe her luck when a skilled builder just happens to show up after she purchases land near Prentiss Pond. All Mark Redmond asks in return for building Josie's dream cabin is that he be left alone to homeschool his 12-year-old daughter, Cady. For Maine game warden investigator Mike Bowditch, the intensity of Redmond's secretiveness is troubling, especially in light of suspicious criminal activity being reported around the area—including rumors of an armed man offering large sums of money in exchange for the location of Redmond and Cady. Josie, though hesitant to

violate the trust of her prized builder, eventually agrees to fly Mike and his father-in-law Charley Stevens to the secluded pond in an attempt to protect Redmond and Cady. But hours after landing, the trip takes a dark turn when they witness a horrific murder and are taken captive themselves. Freeing himself, Mike is forced to set off through the impenetrable Maine forest towards Canada, alone and unarmed in pursuit of a mysterious fugitive. As he navigates a windblown landscape choked with deadfalls and blocked by swollen streams, he marvels at his enemy's bush craft. The killer possesses skills surpassing his own, and Bowditch can't tell if he is the cat or the mouse in this dangerous game. Can Mike Bowditch stop his adversary in time to save the life of a young girl, or will he be forced to watch another innocent soul die?

Almost Midnight Paul Doiron, 2019-08 While on vacation, Warden Investigator Mike Bowditch receives a strange summons from Billy Cronk, one of his oldest friends and a man he had to reluctantly put behind bars for murder. Billy wants him to investigate a new female prison guard with a mysterious past, and Mike feels honor-bound to help his friend. But when the guard becomes the victim in a brutal attack at the prison, he realizes there may be a darker cover-up at play--and that Billy and his family might be at risk. Then Mike receives a second call for help, this time from a distant mountain valley where Shadow, a wolf-hybrid he once cared for, has been found shot by an arrow and clinging to life. He searches for the identity of the bowman, but his investigation is blocked at every turn by the increasingly hostile community. And when Billy's wife and children are threatened, Mike finds himself tested like never before. How can he possibly keep the family safe when he has enemies of his own on his trail? Torn between loyalties, Mike Bowditch must respond in the only way he knows how: by bending every law and breaking every rule to keep his loved ones safe and the true predators at bay.--Back cover.

Dead by Dawn Paul Doiron, 2021-06-29 Maine game warden Mike Bowditch finds himself in a life-or-death chase in this next thriller in the bestselling series by Edgar Award nominee Paul Doiron, *Dead by Dawn*. Mike Bowditch is fighting for his life. After being ambushed on a dark winter road, Bowditch crashes his Jeep into a frozen river. Trapped beneath the ice in the middle of nowhere, having lost his gun and any way to signal for help, Mike fights his way to the surface. But surviving the crash is only the first challenge. Whoever set the trap that ran him off the road is still out there, and they're coming for him. Hours earlier, Mike had been called to investigate the suspicious drowning of a wealthy professor. Despite the death being ruled an accident, the victim's elegant, eccentric daughter-in-law insists the man was murdered. She suspects his companion that day, a reclusive survivalist and conspiracy theorist who accompanied the professor on his fateful duck-hunting trip—but what exactly was the nature of their relationship? And was her own sharp-tongued daughter, who inherited the dead man's fortune, as close to her grandfather as she claims? The accusations lead Mike to a sinister local family who claim to have information on the crime. But when his Jeep flies into the river and unknown armed assailants on snowmobiles chase him through the wilderness, the investigation turns into a fight for survival. As Mike faces a nightlong battle to stay alive, he must dissect the hours leading up to the ambush and solve two riddles: which one of these people desperately want
