

Miss Moriarty I Presume

Margaret Park Bridges

Miss Moriarty, I Presume? Sherry Thomas ,2021-11-02 Charlotte Holmes comes face to face with her enemy when Moriarty turns to her in his hour of need, in the USA Today bestselling series set in Victorian England. A most unexpected client shows up at Charlotte Holmes's doorstep: Moriarty himself. Moriarty fears that tragedy has befallen his daughter and wants Charlotte to find out the truth. Charlotte and Mrs. Watson travel to a remote community of occult practitioners where Moriarty's daughter was last seen, a place full of lies and liars. Meanwhile, Charlotte's sister Livia tries to make sense of a mysterious message from her beau Mr. Marbleton. And Charlotte's longtime friend and ally Lord Ingram at last turns his seductive prowess on Charlotte—or is it the other way around? But the more secrets Charlotte unravels about Miss Moriarty's disappearance, the more she wonders why Moriarty has entrusted this delicate matter to her of all people. Is it merely to test Charlotte's skills as an investigator, or has the man of shadows trapped her in a nest of vipers?

Murder on Cold Street Sherry Thomas,2020-10-06 Charlotte Holmes, Lady Sherlock, is back solving new cases in the Victorian-set mystery series from the USA Today bestselling author of *The Art of Theft*. Inspector Treadles, Charlotte Holmes's friend and collaborator, has been found locked in a room with two dead men, both of whom worked with his wife at the great manufacturing enterprise she has recently inherited. Rumors fly. Had Inspector Treadles killed the men because they had opposed his wife's initiatives at every turn? Had he killed in a fit of jealous rage, because he suspected Mrs. Treadles of harboring deeper feelings for one of the men? To make matters worse, he refuses to speak on his own behalf, despite the overwhelming evidence against him. Charlotte finds herself in a case strewn with lies and secrets. But which lies are to cover up small sins, and which secrets would flay open a past better left forgotten? Not to mention, how can she concentrate on only murders, when Lord Ingram, her oldest friend and sometime lover, at last dangles before her the one thing she has always wanted?

A Tempest at Sea Sherry Thomas,2023-03-14 Charlotte Holmes's life is in peril when her brilliant deductive skills are put to the test in her most dangerous investigation yet, locked aboard a ship at sea. After feigning her own death in Cornwall to escape from Moriarty's perilous attention, Charlotte Holmes goes into hiding. But then she receives a tempting offer: Find a dossier the crown is desperately seeking, and she might be able to go back to a normal life. Her search leads her aboard the RMS Provence. But on the night Charlotte makes her move to retrieve the dossier, in the midst of a terrifying storm in the

Bay of Biscay, a brutal murder takes place on the ship. Instead of solving the crime, as she is accustomed to doing, Charlotte must take care not to be embroiled in this investigation, lest it become known to those who harbor ill intentions that Sherlock Holmes is abroad and still very much alive.

A Ruse of Shadows Sherry Thomas, 2024-06-25 Charlotte Holmes is accustomed to solving crimes, not being accused of them, but she finds herself in a dreadfully precarious position as the bestselling Lady Sherlock series continues. Charlotte's success on the RMS Provence has afforded her a certain measure of time and assurance. Taking advantage of that, she has been busy, plotting to pry the man her sister loves from Moriarty's iron grip. Disruption, however, comes from an unexpected quarter. Lord Bancroft Ashburton, disgraced and imprisoned as a result of Charlotte's prior investigations, nevertheless manages to press Charlotte into service: Underwood, his most loyal henchman, is missing and Lord Bancroft wants Charlotte to find Underwood, dead or alive. But then Lord Bancroft himself turns up dead and Charlotte, more than anyone else, meets the trifecta criteria of motive, means, and opportunity. Never mind rescuing anyone else, with the law breathing down her neck, can Charlotte save herself from prosecution for murder?

Hext v. Moriarty, 259 MICH 590 (1932) ,1932 58

The Irish Reports ,1903

The Ring M.J. Trow, 2018-12-20 A grisly discovery fished out of the River Thames marks the start of an intriguing new case for private detectives Grand & Batchelor. September, 1873. Private enquiry agents Matthew Grand and James Batchelor have been hired by timber merchant Selwyn Byng following the disappearance of his heiress wife. The only clue they have to go on is a badly spelled note demanding the princely sum of £5,000 if Byng is ever to see Emilia again. As the two investigators assess whether Byng has been telling them the whole truth, a second package brings an extremely unwelcome surprise. At the same time, a human torso is found floating in the River Thames. Could there be a connection to Emilia Byng's disappearance ... ?

My Dear Watson Margaret Park Bridges, 2011-11-22 The greatest mystery surrounding Sherlock Holmes comes to light he was actually a woman! The master or rather, mistress of disguise finally puts pen to paper to reveal this decades-long deception and, in so doing, discovers another fact she kept secret even from herself. The complex mind of the brilliant consulting detective is finally opened to the public, in the chronicle of a new case involving Dr. Watson and Constance Moriarty, the beguiling daughter of Holmes infamous nemesis.
