The Law of Success, Volume IV Napoleon Hill, 2003-09 The updated and most complete edition of Napoleon Hill's masterwork Napoleon Hill stunned America when he published his first edition of The Law of Success. This recording explains step-by-step how you can use the following four Principles of Success: Initiative & Leadership: Develop your instincts to anticipate problems and know when to seize opportunities Imagination: Stimulate your mind to create new concepts out of common ideas and put them to work for you Enthusiasm: Overcome uncertainty or shyness, and inspire others to take interest in you and your ideas Self-control: Find the firmness of character to truly be master of your fate and the captain of your soul. This revised and updated edition—the second of the four volumes—incorporates new information, explains historical context, and augments Napoleon Hill's original examples with contemporary stories which conclusively prove that the Law of Success is as relevant and applicable today as it was when this landmark book was first published.
