Never Have I Ever Kourtney Jason, Worm Miller, 2012-10-16 Raise the stakes in the popular drinking game with prompts that will make your friends spill the juiciest details of their lives. Exposed Secrets . . . DRINK! Confessed Sex-capades . . . DRINK! Shared Life Experiences . . . DRINK! Relived Embarrassments . . . DRINK! Oh Yes You Did . . . DRINK! Packed with 1000 confessions, this book guarantees that your next game of Never Have I Ever will be the most fun, exciting and revealing time you've ever had with your friends. "A fun one . . . full of ideas . . . So never again will you have to be the guy or gal holding things up while you keep saying 'Hold on, I'm trying to come up with a good one!'" (Seriously, you've had time to brainstorm.) Some of them are tame—like 'built a tree fort,' 'visited the National Mall' or 'touched a sea turtle.' However, most of them are a bit raunchy and personal." —HuffPost College

Never Have I Ever With a Duke Darcy Burke, 2020-10-12 From the USA Today bestselling author of The Untouchables series comes your next Regency obsession: The Spitfire Society... Meet the smart, independent women who've decided they don't need Society's rules, their families' expectations, or, most importantly, a husband. But just because they don't need a man doesn't mean they might not want one... Graham Kinsley is shocked when he inherits a debt-ridden dukedom, and now he has just one month to repay a loan. He needs an heiress—or find a way to recoup the former duke's losses. When he meets the alluring Arabella, he's entranced. Unfortunately, she's as bankrupt as he is, but if they work together they may be able to recover their fortunes. Though if they keep stealing kisses, they may lose their hearts instead. Arabella Stoke can't afford an attraction to the penniless duke who has vowed to help rescue her family from financial devastation. She needs to find a wealthy husband before her father succumbs to the stress of losing everything. However, as Graham brings them closer to finding the swindler who stole their money, the war between what they want and what they need may ruin them both.

Never Have I Ever Remy Marie,2019-03 Never Have I Ever...How can a simple game be so complex?Never Have I Ever, is a simple drinking game played with a group of people. In the game the players raise a set of fingers and say a truth about their life experiences they have never experienced before. Such as never have ever I gone skiing, been to Hawaii, or been arrested. If another player has experienced this event, they place a finger down, and take a sip of their drink. The game continues until one of the players places all their fingers down. This is the game two Westcliff University students played together. Christina Dennis and Carlos Mendez thought they were going to be playing a simple game. Instead they found themselves admitting truths never spoken before, dealing with complex emotions, and doing the one thing they never ever thought possible, fall for each other.

Never Have I Ever W. Winters,Amelia Wilde,2025-09-30 Everyone knows the tale of Hansel & Gretel. The innocence that was taken from them and the torture the witch put them through. But what happened after they burned the witch in the oven? With scars and memories of horror, their lives were forever changed, until one day the trail leads back to that cottage in the woods...

The Opposite of Everyone Joshilyn Jackson,2016-02-16 A fiercely independent divorce lawyer learns the power of family and connection when she receives a cryptic message from her estranged mother in this bittersweet, witty novel from the nationally bestselling author of *Someone Else's Love Story* and *Gods in Alabama*—an emotionally resonant tale about the endurance of love and the power of stories to shape and transform our lives. Born in Alabama, Paula Vauss spent the first decade of her life on the road with her free-spirited young mother, Kai, an itinerant storyteller who blended Hindu mythology with southern oral tradition to re-invent their history as they roved. But everything, including Paula's birth name Kali Jai, changed when she told a story of her own—one that landed Kai in prison and Paula in foster care. Separated, each holding secrets of her own, the intense bond they once shared was fractured. These days, Paula has reincarnated herself as a tough-as-nails divorce attorney with a successful practice in Atlanta. While she hasn't seen Kai in fifteen years, she's still making payments on that Karmic debt—until the day her last check is returned in the mail, along with a mysterious note: "I am going on a journey, Kali. I am going back to my beginning; death is not the end. You will be the end. We will meet again, and there will be new stories. You know how Karma works." Then Kai's most treasured secret literally lands on Paula's doorstep, throwing her life into chaos and transforming her from only child to older sister. Desperate to find her mother before it's too late, Paula sets off on a journey of discovery that will take her back to the past and into the deepest recesses of her heart.

With the help of her ex-lover Birdwine, an intrepid and emotionally volatile private eye who still carries a torch for her, this brilliant woman, an expert at wrecking families, now has to figure out how to put one back together—her own. The Opposite of Everyone is a story about story itself, how the tales we tell connect us, break us, and define us, and how the endings and beginnings we choose can destroy us . . . and make us whole. Laced with sharp humor and poignant insight, it is beloved New York Times bestselling author Joshilyn Jackson at her very best.

Games We Play - Round 1 Pia Mazilu,Ronnie Bennett,2024-06-29 When Matteo and Valentina come face to face at a party, they both felt as if they'd met each other before. Everybody knows Matteo Giudice is the first son of a billionaire who is probably, but not surely, the head of the Sicilian mafia. Everything he does seems to be for his own pleasure, and having everything fall into his lap meant that being bored was his biggest problem in life. Valentina is the daughter of a successful Russian businessman and has always flown under the radar at school but now seems to be everywhere and nowhere at the same time. There's something about her, as if she has something nobody else possesses. A mystery that peaks Matteo's interest in the first place. When Matteo and Valentina met in 2019, neither of them knew their destinies had been intertwined for decades. When buried secrets start coming out, their lives turn into a deadly game of power, in which love and war have no choice but to co-exist. --- Rule nr. 1: The game of power is won by those brave enough to play it --- A slow-burn coming of age mafia romance novel, in which the only thing the protagonists know for sure is that fate doesn't care who your soulmate
