**Patricia Martens Miller**

**I AM Unconditional Love** Dash Trembley,2019-08 We may not be able to turn back the clock to rewind what's been said and done by others with our past, but we hold the present power to birth a whole new future generation of thinkers, doers, and world shapers with just one mindset-shift in this new millennium. Poverty has never existed due to a lack of resources, but rather, a person carrying a mindset of scarcity and negativity his whole life, then passing it down and over like a baton of a relay race that no new lease of life intended to partake in. — Dash Trembley Mission: Eradicate Poverty On Planet Earth #1billionhearts An original collection of 111 authentic quotes of carefully selected words that entails a journey of mindfully cultivated life lessons of gratitude and self-love. Also helping you sculpt and mold a willpower of your own to help you through significant decision-makings in life. It covers an overall well-being theme that is uplifting in nature and it will help create an inner environment that is well-rounded, engineering all aspects of your life. Boldly creating new revolutionary perspectives for our near future, against all odds of growing up within the internal conflicts, dysfunctions, and drama of family ties and relationships. Also skating through the whirlwind of emotional roller coaster rides to overcome all the obstacles, madness, and chaos of the heart and mind. The only way out is to eventually work your way in. This book is exceptional. I love everything that's in it. I highly recommend this if you're a quote lover. You'll fall in love with it. —Linsey Corbett An uplifting emporium of wisdom and life truths. Such fine compilations of thought in depth offered to illuminate the ponderous oceans within us all as a lighthouse would guide lost travelers. Experienced. Appreciated. Loved. —Kristian Markovic

*52 Quotes to live by* Zett Why,2012 *52 Quotes to Live By* is a Self Help category book written by Zett Why. It's a spiritual and philosophical book that discusses what really makes us happy. Due to many objective and subjective reasons, we are often forced to go in directions which wouldn't be our choice under other conditions. We usually follow the goals imposed by society, friends, or just egoism created by ourselves. The more intellectual we become, the less often we feel satisfaction in our consciousness. We postpone moments of happiness to particular points in time, and believe that we will be happy when we achieve them. But right after having achieved them, we set new goals, and go on to the next goal. This race has no end... Oriental wisdom says - if you don't let the bee go out of the hive, she will not be able to bring back nectar. Letting go of your knowledge is an art and the high road to wisdom. Wisdom accommodates opposites. The intellect is not capable of this. You

have to let go of Rightness, too. Then you won't be hurt by knowing. Only this will help you become reborn, and only this will let you find joy in simple things. Only this way leads to happiness... Pleasure in consciousness is all that we need. It's a guiding star, showing us whether we are on the right Way, or not. Alienation from pleasure is called Suffering. Pleasure seeking (desire) is called Hope. The appearance of a pleasurable moment - Happiness. Permanence in being in a condition of pleasure is called Love. A condition of pleasure which involves all your entity is called Nirvana. People who are able to stay in a condition of overpowering pleasure in consciousness all the time, call it the Supreme Truth. Here is all that is Human... In his book, Zett Why encourages learning to differentiate real joy from egoism. He also offers 52 Ways about how to achieve a feeling of satisfaction in consciousness. In describing the ways, Zett analyzes aspects of daily life and introduces practical recommendations about how to find our real I, and joy in our daily life.
