The Power of Belief Yusuf Sabiku,2023-04-25 Thoughtful from the onset, *The Power of Belief* highlights the life story of the author, who despite all odds rose to greatness. Yusuf Sabiku, who grew up poor in one of the most densely populated areas of Lilongwe, Malawi, shares a journey of self-improvement that led him to a new world of possibility. Growing up in the slums where the dreams of many youths were shattered, the author came to realize that the power of belief reflects one's thoughts. That is, if we can only change our mindset and embrace positive thinking, we can free ourselves from the mental shackles of negativity and become empowered to effect change around us. The author's mastery of martial arts is a shining example of the power of belief, as well as his career in the British Army. Join the author on an incredible journey that will help you boost confidence and achieve excellence no matter what society expects from you. Transform your mind and annihilate all the obstacles that stand before you with the Power of Belief. Dwell into it and DEFY ODDS. Discover your real self Enhance the Potential within you Face your inner fears Yield self-belief and Positive thinking Overcome doubt and negativity Defeat adversity and embrace failure Define the meaning and purpose of life Serve your life with a greater cause

Seeking Virtue David Goza,2020-05-29 It is the purpose of this book to seek virtue through history and Scripture. Christians should seek to live virtuous lives. The contents of this book include hundreds of Scriptures that will aid believers as they pursue virtue. In addition to the Scripture, there are also hundreds of quotes and stories from various sources that will illuminate the path of virtuous living. Through all of the sources provided, this book will be a resource for those who are looking for inspiration to live a life of excellence. The unique contribution of this book is that the quotes and stories are all documented and cited. This book will be a resource for Christian teachers and preachers who are looking for relevant illustrations and quotes to be used in their sermons and Sunday school lessons.

YOU and Your Own Universe Silviu Pristavu,2022-04-22 What if you found out that you're not who you believe you are?

What if I told you that you're not who your family thinks you are? What if you're not the person that people around you see and hear ... What if the human being is, in reality, the fusing element of two worlds – physical and spiritual? What if, in the human body, you can find both physical and spiritual, where the spiritual manifests physically. What if what we call the mind, as we know it, is actually the gate through which the two worlds meet, cross, and exchange information? What You are, as a spiritual being, can't be described in any human language. What You are can't be seen by any human eyes. What You say can't be heard by any physical ears. You are the awareness in you – the consciousness. You are the love, the joy, and the happiness that bursts out of you. You are the creator of your body and the creator of Your Own Universe. You are limitless. You are wealth. You are health. You are all these things combined and more. You are something that can only be felt through your physical body, and you will feel You long before you finish reading this book. This book is not religious! It doesn't aim to favour one religion or discredit another. If anything, it's a tool for any religion that's been created from the beginning of humanity and helps explain phenomena that couldn't have been explained otherwise. It supports science equally; however, it doesn't just support theories that are based purely on physical evidence, though it may provide answers where these haven't been found yet, if one is open to accepting a different point of view. It was written to serve as a manual for life, explaining how things become what they are and providing confidence and strength to teens getting ready to face the world on their own, and to adults who feel lost, without a purpose, and in need of guidance toward a happy life.

Imperial Saint Gary Marker, 2007 Historian Gary Marker traces the Russian veneration of St. Catherine of Alexandria from its beginnings in Kievan times through the onset of female rulership in the eighteenth century. Two narratives emerge. The first focuses on St. Catherine within Christendom and, specifically, within Russia. The second shifts attention to the second wife of Peter the Great, Catherine I, who became Russia's first crowned female ruler. Marker then explores the evolution of divine queenship and the Catherine cult through the reigns of Elizabeth and Catherine the Great. Russia's cult of St. Catherine diverged from the veneration of Catherine in Western Christendom in several ways, particularly in the evolution of the Bride of Christ theme. Also, while St. Catherine became a figure of personal intercession in the West, her persona in Russia took a different path, one that valorized her regal and masculine qualities?attributes that supported her emerging role as a patron saint of the women of the ruling family. The intersection of gender, power, and religion is a central

theme of this study. Under Catherine I, the ruler's identification with St. Catherine, her name-day saint, became critical. In ever-widening cascades of public ceremonies, Catherine was lauded as her saint's living image, an affinity that ultimately provided the basis for establishing a distinctly female path to divinely chosen leadership. Imperial Saint draws upon extensive and often rare sources, including service books, saints' lives, sermons, public ceremonies, pilgrims' accounts, laws, and personal correspondence. It also calls attention to icons, iconostases, fireworks, processions, and other visual evidence. For readers interested in saints, cults, the ritualization of power, and the relationship between gender and religion?as well as scholars who study St. Catherine?this stimulating study offers valuable insights.

365 Greatest Inspirational Quotes Albert Goodman,2020-06-10 A Quote a Day to Unleash Your Best Self and Accompany You on Your Journey Toward Success Within the deepest recesses of your being is someone who is intently listening, someone who is capable of doing much more than they think, someone who is your most sincere ally. It is you. Everything you need to get your life into action is there, within you. All you need to do is to be aware of, and activate, it. Everything you hear or read, no matter how useful or beautiful, can evoke a response from you after you internalize it. Your time is now. This is a book with 365 quotes, one for each day of the year. You are invited to read 1 of these each day. And when you do, let it simmer; taste it, regurgitate it; meditate on it. Some of these quotes are meant to make you laugh, some to make you cry, some to inspire you, and some to spur you into action. But all of these quotes are meant to bring you closer to yourself, to look deep within your being, and believe that you can do anything. Giving makes you bigger. Giving is a defining characteristic of those who keep scaling higher peaks in life. These quotes were handpicked for you so you could discover the greater values that make you who you are. But on your journey toward success, you should share these quotes with others to enable them in seeing the bigger picture so they, too, can know themselves better and unleash the giant from within. Greatness beckons you. Keep this book with you. Read a quote. When motivation strikes you, write it down. Make whatever idea evolves from inside of you part of your action plan. You can also give this book as a gift to someone you care about. This book will delight you in every way. So, scroll up and click the Buy now with 1-Click button and get your copy!
