## Horngren

**EBOOK: Management Accounting, 7e** Carsten Rohde, Karen Mustard, 2024-09-23 Management Accounting is a market-leading textbook that offers comprehensive coverage of cost and management accounting, understanding information for decision making, planning and controlling budgets and reporting, and understanding performance management in a strategic context. The much anticipated seventh edition places special emphasis on employability skills, and spotlights latest environmental, social and governance considerations. The book offers a balanced discussion of management accounting theory and practice and has been tailored specifically to courses across the UK and Europe. Retaining its student-friendly writing style and practical approach, it is the ideal text for students studying management accounting, from introductory through to advanced levels. Key Features: • Clear, user-friendly style • Focus on Practice boxes in every chapter illustrate precisely how management accounting theory affects companies, using examples from well-known companies and industry sectors. • Management Accounting in Action dialogues demonstrate topical issues in real world scenarios. • Chapter links throughout provide quick cross-referencing to show the connections between topics. • Review Questions designed to test you on material learned in a more formal style. New to this Edition: • Brand new Focus on Practice boxes based on the CGMA Competency Framework to showcase the variety of job roles within the field of accountancy, and to highlight key skills they may require. • Updated discussions and new sections on sustainability and corporate social responsibility, big data and data analytics, risk management post COVID-19, and graphing skills. • Fully updated questions, exercises, problems, and cases are categorized by level of difficulty to offer progressive learning for students. • Applying Excel Exercises have been expanded to further support student Excel skills Available on McGraw Hill's Connect®, the well-established online learning platform, which features our award-winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency. **Management Accounting** Charles T. Horngren,2002 This text is appropriate for one- or two-term, first and/or second year courses in Managerial or Cost Accounting at both the college and university level. The new edition of this best-selling text continues to emphasize a decision-making approach to prepare Canadian students to be managers of accounting information. It shows how accountants prepare information that is useful to managers, and demonstrates why managers in all types of organizations should have an understanding of the advantages and limitations of accounting. A strategic management theme running through the text allows students to relate management accounting decisions to a company's key success factors.
