Victory in Marriage Sarah Noel Maxwell,2017-10-04 Victory in Marriage will tell you things most married couples wish they knew before marriage began. The wedding, prayer, money, sex, long-distance relationships, dating, and many other topics will be dissected, and hopefully you'll learn something that will equip you to be the kind of spouse you want to be married to! Whether you're single, engaged, or married, you can gain something if you invite God into your reading. You'll be encouraged, laugh a little, and struggle with breaking down difficult notions we've grown up hearing—most probably false—like how marriage is something you do simply because I love them! and how you should end your marriage if you aren't happy. Sarah defines her worth in seeking Christ-likeness in all aspects of her life, even when she falls short. She has

written many blogs on various topics and hopes to publish a book for women, as well as children's picture books in the near future, but *Victory in Marriage* is her first published book. I wasn't married long, Sarah says, but I entered marriage with God already the Lord of my life, being married committedly, even when it was ending, is what makes me qualified. Betrayal changed my life after this book published, but the meaning and importance of marriage remains. I hope *Victory in Marriage* creates teachable moments for you as it did for me when I wrote it, Sarah shares. As you read, consult scriptures and prayerfully take your time reading, and contact me to discuss any discrepancies, concerns, or inspiring moments further with me. *Victory in Marriage* is filled with beautifully written, authentic advice of how to do marriage well. Sarah covers a multitude of topics and consistently points to Jesus through each subject. — Mat and Est - Christian Vloggers
