The Quote Verifier Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's The Quote Verifier considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, The Quote Verifier also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, The Quote Verifier is not only a fascinating piece of literary sleuthing, but also a great read.

Year to Success Bo Bennett, 2018-08-20 Have you been promised success if you follow a few quick and dirty rules or secrets of success? Are you tired of irrelevant analogies that do nothing for you but make you feel inadequate? Have you had enough of highly metaphysical concepts and not enough practical solutions? Have you had your fill of grossly exaggerated claims that try to trick you into thinking success is easy? Are you all affirmationed out? You are not alone. Think of success as a game of chance in which you have control over the odds. As you begin to master concepts in personal achievement, you are increasing your odds of achieving success. Year To Success is a full year course in success, designed to be a practical guide to achieving your definition of success. Each day of this course will, through practical application, increase your odds of achieving success. It has been said that one line of wisdom can change your life more than volumes of books. Imagine what hundreds of pages of wisdom can do. Year To Success is perhaps the most complete book on success ever written. It uses my formula for success: education + inspiration + action = success. Education: each week starts off with two educational articles and ends with two more educational articles. Inspiration: the third day of the week is a success biography on someone I believe is one of the most successful people in history. These success biographies are full of inspiration to help keep your flame for success burning on high. Action: each of the educational articles has one or more action steps associated with it. Taking action and getting results are what this book is all about.

The One Year Book of Healing Reggie Anderson,2016-09 This year, experience deep healing and refreshment. We're all sick and we're all hurting. Whether it's a broken arm or a broken heart, a chronic illness or wounds from our past, the fact remains: We are all in desperate need of God's healing. In our pain, it can be easy to believe God has forgotten about us, to believe that he doesn't even care. Dr. Reggie Anderson, author of the acclaimed memoir *Appointments with Heaven*, knows it can't be predicted how God's healing work will come to pass in our lives and hearts . . . only that it will. As a country doctor who has had remarkable experiences attending people in pain, Reggie wants you to see what he sees every day--that whatever your sickness, whatever your hurt, God is alive and active in your life. He wants you to be truly well, even if that looks different than you might expect. Rich in story and inspiration, *The One Year Book of Healing* will reveal the many ways our Savior heals and intervenes in the lives of the sick and the hurting--giving you the faith, hope, and patience to believe that God can do the same in your life.
