

When Was The Kaaba First Built

Isaac Adams

The Unveiling Origin of Mecca Mohammed Alal Khan, 2021-09-12 The Unveiling Origin of Mecca provides insights into the history of Kaaba (Ka'ba) in Mecca. The Ka'ba is the first house built on earth. It is one of the few and perhaps the only Islamic History books that looks at modern archaeological evidence and the Holy Quran and the history of the Quran to explore the proper location of the Ka'ba. The author notes that in the Holy Quran, Mecca, sometimes also called Becca, which words are synonymous, and signify "a place of great intercourse," is undoubtedly one of the most ancient cities in the world. Some authors imagine it to be the Mesa, or Mesha, of the Scripture and that it deduced its name from one of Ishmael's sons. It stands in a stony and barren valley, surrounded by mountains under the exact parallel with the Macoraba of Ptolemy, and about 40 Arabian miles from the sea 'Al Kolzom. There is a magnificent temple in the city, like the Colosseum at Rome. However, it is not made of such large stones but burnt bricks and round in the same manner. It has ninety or one hundred doors around it and is arched...upon entering the temple you descend ten or twelve steps of marble, and here and there about the said entrance there stand men who sell jewels and nothing else. Researching ancient Islam and the origin of Mecca, the author asserts that the Ka'ba is currently misplaced, contradicting the Holy Quran and Arabian geography. Although there are many Islamic scholars and Quran research Institutes throughout the world, sadly, none of them have yet verified the exact places, mountains surrounding Ka'ba, and its sacred area according to the Holy Quran.

Origin of ancient places of worship Abdul Waheed, When man was born on earth, he saw the things on earth and could not understand the natural laws like rain, lightning, fire. In this way he became a little scared, after that he thought that there must be someone who runs these rules, then he named this power and then started worshipping. But where, how and when did the first man start worshipping? This is a subject of study on which long research is required. But still, as far as I could, in this book I have given a brief description of the ancient places of worship which belong to all religions. People of almost all religions claim that their religion is the oldest and worship started from there, but it is known from archaeological research that how old each religion is. A brief description of this is given in this book, please read and gain knowledge, if there is any deficiency then inform and if there is any more topic in your knowledge, then tell me so that I can add. Thank you

Three Famous Impostors? Adam Freeman,2016-03-11 The three religions proclaim that they are transmitting the Word of God. But can it be that Moses, Jesus, and Muhammad are impostors? Can it be that the Torah was not written by Moses but during the reign of King Josias centuries later? Can it be that the source of the New Testament is Paul and not Jesus? Why is there no chronology in the Quran? Are there two Muhammads and two Islams? Judaism, Christianity, and Islam preach hate and destruction, not love. The Quran (4.82) states, If the Quran was not of God, they would find in it many inconsistencies. This book will study the contradictions and errors of the sacred texts of the three religions to show that they are not from God. Did King David commit adultery and treason? Was King Solomon a dictator? Are the dietary laws for hygienic reasons or to prevent assimilation? Is circumcision from Egypt? Is the epic of Jesus built from Jewish prophecies carefully selected to show they got realized in Jesus? Who cancelled circumcision, the Shabbat, and food restrictions, Jesus or Paul? Did Jesus resurrect? Is the Quran from the angel Gabriel or a salad of the two other religions? Can Allah change His laws? Is Khadija, the first wife of Muhammad, the reason for the teachings of Islam against women? Why is the Muslim paradise so erotic? How did Muhammad resuscitate the pagan beliefs of the Arabs: the Kaaba, the Ramadan, etc.
