Kenneth George King

Animal Farm, 2019 A beautiful graphic adaptation of George Orwell's timeless and timely allegorical novel. All animals are equal, but some animals are more equal than others. In 1945, George Orwell, called the conscience of his generation, created an enduring, devastating story of new tyranny replacing old, and power corrupting even the noblest of causes. Today it is all too clear that Orwell's masterpiece is still fiercely relevant wherever cults of personality thrive, truths are twisted by those in power, and freedom is under attack. Now, in this fully authorized edition, the artist Odyr translates the world and message of Animal Farm into a gorgeously imagined graphic novel. Old Major, Napoleon, Squealer, Snowball, Boxer, and all the animals of Animal Farm come to life in this newly envisaged classic. From his individual brushstrokes to the freedom of his page design, Odyr's adaptation seamlessly moves between satire and fable and will appeal to all ages, just as Orwell intended.

The Comics of Asaf Hanuka Matt Reingold, 2024-02-20 The Comics of Asaf Hanuka: Telling Particular and Universal Stories tells the story of how cartoonist Asaf Hanuka illustrates both universal and particular narratives. Through close readings of Hanuka's entire catalogue of comics and graphic narratives, Hanuka's work is situated within the broader story of his own experiences of being an insider (as a Jew and Israeli) and an outsider (as a Mizrahi, or Judeo-Arab) in Israeli society. By moving chronologically through Hanuka's works, the book traces how Hanuka navigates these disparate particular identities alongside more universal concerns about how to be a present partner to his spouse and to his children.

Animal Farm AltGmX Technology, 2017-01-25 COLOURING STORY BOOK - Welcome to the children's adaptation of the Animal Farm classic by George Orwell. Old Major's dream was to free all the animals of England from the cruelty of Man. He remembered an old song he used to sing when he was little that his mom had taught him. In a soft yet powerful voice, Old Major began to speak, My friends, I want to share with you a song that was taught to me by my mother. It has helped me feel better after a long day of work and not being treated well by Man. It helps me dream of a better future for us all. The song is an ancient song that pigs used to sing a long time ago - The Beasts of England, which went something like this, Old Major cleared his throat and began to sing - Beasts of England, beasts of Ireland, Beasts of every land and clime, Hearken well and spread my tidings of the golden future time. Will the animals of Animal Farm succeed in the Rebellion that Old Major had dreamt about. Will all the Beasts of England be free from Man? How will the animals of Animal Farm be able to run the farm

without Mr Jones? This series is designed to preserve the great classical stories that the older generations grew up with by bringing it to children of this generation. With the advent of technology, the young generation reads mainly for education and not as a hobby or just for fun. Classical literature is slowly fading with each generation and can only be kept alive if we bring these stories to children from an early age. As Wolfgang Von Goethe stated: The decline of literature indicates the decline of a nation.
