The Apocalypse Explained According to the Spiritual Sense Emanuel Swedenborg,1897

The Story of Faith, Hope and Love William Edward Dewberry,2013-10-23 The Story of Faith, Hope and Love is a book about discovering God's nature, character, love, justice, forgiveness, and truth. The Bible answers these questions and offers people hope for eternal life. This book answers important questions that inquiring minds might wonder about. For example: where did people come from? What is the purpose of their existence? What happens to them when they die? Does their spirit live forever? What happens to the spirit of people when the body dies? This book gives an answer to all these questions and offers people hope for eternal life. If this book is read without prejudice, it will have the intended effect of producing faith in God. Faith will lead to a desire to obey God and except Jesus Christ as the Son of God, which can lead to eternal life. The story of faith, hope and love would be a great help to anyone in the missionary field as well as being an aid for Bible School teachers or anyone wanting to know more about the teachings of the Bible and their own personal salvation.

The Holy Bible Containing the Old and New Testaments Translated Out of the Original Tongues ,1885

Renewal Theology John Rodman Williams,1996 Renewal Theology deals with the full range of Christian truth from within the charismatic tradition. Previously published as three separate volumes, Renewal Theology represents the first exhaustive, balanced articulation of charismatic theology. Renewal Theology discusses: Book One--God, the World, and Redemption - Book Two--Salvation, the Holy Spirit, and Christian Living - Book Three--The Church, the Kingdom, and Last Things. As theology, this work is an intellectual achievement. But it is much more than that. The author urges the church to undertake its task of theology in the proper spirit: - an attitude of prayer - a deepening sense of reverence - an ever-increasing purity of heart - a spirit of growing love - a theological approach rooted in the glory of God. Done in such a spirit, theology becomes a faithful and powerful witness to the living God.
