

Bill Simmons Of Basketball

Jackie MacMullan, Rafe Bartholomew, Dan Klores

The Book of Basketball Bill Simmons, 2009-10-27 #1 NEW YORK TIMES BESTSELLER • The wildly opinionated, thoroughly entertaining, and arguably definitive book on the past, present, and future of the NBA—from the founder of *The Ringer* and host of *The Bill Simmons Podcast* “Enough provocative arguments to fuel barstool arguments far into the future.”—*The Wall Street Journal* In *The Book of Basketball*, Bill Simmons opens—and then closes, once and for all—every major NBA debate, from the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons’s one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: *The Secret of Basketball*. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), *The Book of Basketball* offers every hardwood fan a courtside seat beside the game’s finest, funniest, and fiercest chronicler.

Now I Can Die in Peace Bill Simmons, 2009-03-24 NEW YORK TIMES BESTSELLER • Bill Simmons replays the years leading up to the Boston Red Sox historic championship season and says goodbye to a lifetime of suffering. At least for now. The Red Sox won the World Series. To Citizen No. 1 of Red Sox Nation, those seven words meant No more 1918 chants. No more smug glances from Yankee fans. No more worrying about living an entire life -- that's 80 years, followed by death without seeing the Red Sox win a Series. But once he was able to type those life-changing words, Bill Simmons decided to look back at his *Sports Guy* columns for the last five years to find out how the miracle came to pass. And that's where the trouble began. Why didn't he see it coming? Why didn't it happen sooner? What was the key deal, the lucky move, the funny bounce, the sign from above that he failed to spot? Pretty soon, *The Sports Guy* was second-guessing himself, rewriting history, sniping at his own past predictions, pounding the table -- that's what sports guys do, right? And doing so, he let himself get sidetracked by the suffering of the Boston Bruins, frustrated by the false promise of the Celtics -- and driven into a state of ecstasy by the dynastic New England Patriots. The result is *Now I Can Die in Peace*, a hilarious and fresh new look at some of the best sportswriting in America, with sharp critical commentary (and fresh insights) from the guy who wrote it

in the first place.

The Black Athlete as Hero Joseph Dorinson, 2022-11-09 Part history, part biography, this study examines the Black athlete's search to unify what W.E.B. DuBois called the two unreconciled strivings of African Americans--the struggle to survive in black society while adapting to white society. Black athletes have served as vanguards of change, challenging the dominant culture, crossing social boundaries and raising political awareness. Champions like Joe Louis, Jackie Robinson, Muhammad Ali, Jim Brown, Wilma Rudolph, Roberto Clemente, Althea Gibson, Arthur Ashe, Serena Williams, Kareem Abdul-Jabbar and LeBron James make a difference, even as many in the Black community question the idea of athletes as role models. The author argues the importance of sports heroes in a panic-plagued era beset with class division and racial privilege.

Basketball: Great Writing About America's Game Alexander Wolff, 2018-02-27 From the street game to March Madness to Jordan and LeBron, the greatest writing about the grit, grace, and glory of basketball Made in America, basketball is a sport that stirs a national passion, reaching fever pitch during the NCAA's March Madness and the NBA Finals. Masterfully assembled by longtime Sports Illustrated writer Alexander Wolff, Basketball spans eight decades to bring together a dream team of writers as awe-inspiring and endlessly inventive as the game itself. Here are in-depth profiles of the legends of the hardcourt--Russell, Kareem, Bird, Jordan, and LeBron--and storied franchises such as the Knicks and Celtics, along with dazzling portraits of the flash and sizzle of playground ball and more personal reflections on the game by some of America's finest writers, among them Donald Hall, John Edgar Wideman, and Pat Conroy. Highlights include James Naismith recalling how he invented the game that would go on to conquer the world; John McPhee capturing the ever-disciplined Bill Bradley as a Princeton Tiger; Peter Goldman's indelible portrait of the life and death of a Harlem Globetrotter; and Michael Lewis's account of the brave new world of NBA analytics. Classic journalism about inner-city basketball by Pete Axthelm, Rick Telander, and Darcy Frey is joined by stories of the game's popularity across America, from the heartland of Hoosier country to an Apache Reservation in Arizona.

Focus On: 100 Most Popular National Basketball Association All-Stars Wikipedia contributors,

Basketball Jackie MacMullan, Rafe Bartholomew, Dan Klores, 2018-09-18 NEW YORK TIMES BESTSELLER • Inspired by a major ESPN film series, this is an extraordinary oral history of basketball—its eye-opening untold history, its profound deeper meaning, its transformative influence on the world—as told through an unprecedented series of candid conversations with the game's ultimate icons. This is the greatest love story never told. It has passion and heartbreak, triumph and betrayal. It is deeply intimate yet crosses oceans, upends lives and changes nations. This is the true story of basketball. It is the story of a Canadian invention that took over America, and the world. Of a supposed “white man's sport” that became a way for people of color, women, and immigrants to claim a new place in society. Of a game that demands everything of those

who love it, yet gives so much back in return. To tell this story, acclaimed journalists Jackie MacMullan, Rafe Bartholomew and Dan Klores embarked on a groundbreaking mission to interview a staggering lineup of basketball trailblazers. For the first time hundreds of legends, from Kobe, LeBron and Steph Curry to Magic Johnson, Dr. J and Jerry West, spoke movingly about their greatest passion. Former NBA commissioner David Stern and iconic coaches like Phil Jackson and Coach K opened up like never before. Those who shattered glass ceilings, from Bill Russell and Yao Ming to Cheryl Miller and Lisa Leslie, explained what it really took to lay claim to their place in the game. At once a definitive oral history and something far more revelatory and life affirming, *Basketball: A Love Story* is the defining untold oral history of how basketball came to be, and what it means to those who love it.

El libro del basket Bill Simmons, 2025-10-22 En *El libro del basket*, una obra absolutamente única, el prolífico, ingenioso e hilarante Bill Simmons abre —y cierra, de una vez por todas— todos los debates sobre la NBA. Desde la eterna pregunta de quién ganó la histórica rivalidad entre Bill Russell y Wilt Chamberlain, hasta qué equipo merece realmente el título del mejor de todos los tiempos. Todo ello sin olvidar grandes ¿y si...?, como qué habría pasado si Portland hubiese seleccionado a Jordan en lugar de a Sam Bowie en el draft de 1984, o si Memphis, y no Cleveland, hubiera reclutado a LeBron en 2003. Pero Simmons no se detiene ahí: se atreve a reevaluar completamente no solo los criterios para elegir a los miembros del Salón de la Fama de la NBA, sino también a proponer una reconstrucción total de la institución. El resultado es la pirámide, un santuario de cinco niveles que celebra a los 96 jugadores más grandes en la historia del baloncesto profesional. Finalmente, Simmons, creador de auténticas catedrales del periodismo deportivo como *Grantland* o *The Ringer*, nos guía al corazón del baloncesto para desvelarnos ese elemento tan codiciado y enigmático: el secreto del baloncesto.

Interdisciplinary Analyses of Professional Basketball Till Neuhaus, Niklas Thomas, 2024-01-03 This edited collection conceptualizes professional basketball not just as a sport but as an historically, culturally, and economically embedded entity. The chapters analyse the fact that the sport of basketball contains alternative logics that can easily clash, and by treating professional basketball as the negotiation place of these multiple demands, ideas, and logics, the editors have identified three areas in which these clashes manifest: the realization of the game; the cultural impact of professional basketball and the global outreach of professional basketball. The book is explanatory and qualitative, offering new perspectives and touching on topics including gender, diversity, racism, and minority experiences within professional basketball. As such it will be of interest to sport sociologists, as well as those researching the history of sport, sports marketing and cultural studies.

Ball Don't Lie Santiago Colás, 2016-04-05 Pro basketball player Rasheed Wallace often exclaimed the pragmatic truth “Ball don’t lie!” during a game. It is a protest against a referee’s bad calls. But the slogan, which originated in pickup games, brings the reality of a racialized urban playground into mainstream American popular culture. In *Ball Don’t Lie!*, Yago Colás traces the various forms of power at work in the intersections between basketball and language from the game’s invention to

the present day. He critiques existing popular myths concerning the history of basketball, contextualizes them, and presents an alternative history of the sport inspired by innovations. Colás emphasizes the creative prerogative of players and the ways in which their innovations shape—and are shaped by—broader cultural and social phenomena. *Ball Don't Lie!* shows that basketball cannot be reduced to a single, fixed or timeless essence but instead is a continually evolving exhibition of physical culture that flexibly adapts to and sparks changes in American society.

Can I Keep My Jersey? Paul Shirley,2008-03-25 He's been called a journeyman. Even Paul wouldn't dispute that classification. Regardless, Bill Simmons, ESPN's "The Sports Guy," has said of Paul Shirley, "We could finally have an answer to the question 'What would it be like if one of our friends was an NBA player?'" There's no denying that Paul Shirley is the closest thing pro basketball's got to Odysseus. In Homeric fashion, he has logged time practically everywhere in the roundball universe, from six NBA cities to pro leagues in Spain and Greece to North America's pro ball Siberia, the minor leagues. Hell, he's even played in the real Siberia. And in *Can I Keep My Jersey?*, Shirley finally puts down roots long enough to deliver one of the great locker-room chronicles of the modern age. With sharp elbows and an even sharper wit, Shirley—whose writings have been described as "wildly entertaining" by *The Wall Street Journal*—drops hilarious commentary, revealing which teams have the best cheerleaders (he's spent many a time-out watching them ply their trade), why Christ is rapidly becoming every team's "sixth man," and even the best ways to get bloodstains out of your game uniform, using only an ordinary bar of soap and a hotel bathroom sink. From sharing the court with Kobe and Shaq to perusing the food court at some mall in a bush-league burg; from taking pregame layups to getting laid out by a stray knee from an NBA power forward; from hopping a limo to the team's charter jet to dashing to catch the van home from a B-league game in Tijuana, Shirley dishes on what it's like to try to make it as a professional athlete. *Can I Keep My Jersey?* is a rollicking, thoughtful, even thought-provoking insider's look at a pro baller's life on the fringe. Like Jim Bouton's *Ball Four* or John Feinstein's *A Season on the Brink*, Shirley's odyssey deserves to find a home on every sports fan's bookshelf.

The Official NBA Basketball Encyclopedia National Basketball Association,1989 The first official NBA encyclopedia to come out in nine years contains every stat for every player for every ABA and NBA game.ly Cunningham is to be the spokesperson for the book, with ads in *Sports Illustrated* and TV spots during NBA games. 50 photos.

The Publishers Weekly ,2009

Grantland Issue 4 Bill Simmons,Dan Fierman,2012-11-06 Grantland Quarterly is a collaboration between McSweeney's and Bill Simmons's new web magazine Grantland. It will feature the best sports writing from the website, delivered in a full-

color book featuring original artwork and a host of print exclusives--including original fiction, new writing from editor-in-chief Bill Simmons, posters and pull-out sections, old-school baseball cards and mini-booklets, and a cover that looks and feels like you're holding a basketball. Like its namesake website, Grantland Quarterly will regularly include some of the most exciting and form-pushing sports writers currently plying the trade, including Chuck Klosterman, Malcolm Gladwell, Tom Bissell, Harris Wittels, John Brandon, Anna Clark, Chris Jones, Colson Whitehead, and many more.
