Built for Show Nate Green,2008-11-20 Every guy is looking for an edge, some way to get single women his age to notice him more than they do now. Unfortunately, most guys have absolutely no idea what kind of body automatically flips a girl's attraction switch. Nate Green does. Built for Show is the first fitness book to address young men on the prowl. It's not just written for them; it's written by one of them. Green, who's just twenty- three years old, is already a veteran fitness professional who's been quoted in Men's Health and Maximum Fitness magazines. Green offers four twelve- week workout programs, each with a seasonal theme. The fall and winter workouts add muscle size and strength that'll show even under layers of clothing. The spring and summer workouts burn fat and chisel the showpiece muscles—creating a lean, cut, beach-ready physique. But Built for Show is more than just a workout book. It also provides: · Realistic nutrition advice to feed the muscles and starve the fat without breaking the bank or spending hours in the kitchen · Tips on dressing right, looking the part, improving your social status, and settling into your new lifestyle · Quick ways to assess posture, with useful exercises to fix flaws and improve self- presentation, no matter the situation. The detailed programs include over fifty exercises, illustrated with over one hundred original photos. Neither a weight-loss guide nor a body- building manual, Built for Show instead reveals to guys exactly what they need to build the body they - and women - want. Read Nate Green's posts on the Penguin Blog.

**The Heroin Diaries** Nikki Sixx,2008-09-04 Set against the frenzied world of heavy metal superstardom, the co-founder of legendary Motley Crue offers an unflinching and gripping look at his own descent into drug addiction. When Motley Crue were at the height of their fame, there wasn't a drug Nikki Sixx wouldn't do. He spent days - sometimes alone, sometimes

with others addicts, friends and lovers - in a coke- and heroin-fuelled daze. THE HEROIN DIARIES reveals Nikki's personal diary entries alongside commentary from the people who know Nikki best including band mates Tommy, Vince and Mick. The book is a candid look at a nightmare come true: a punishing heroin addiction that brought Nikki to the edge of losing his talent, his career, his family and finally to a near-fatal overdose which left him clinically dead for a few minutes before being revived. Brutally honest, utterly riveting and shockingly moving, THE HEROIN DIARIES follows Nikki during the year he plunged to rock bottom and his courageous decision to pick himself up and start living again.

**Preserving Democracy** Elgin L Hushbeck, Jr, 2024-05-21 Like an aging monument, democracy itself is crumbling. An ever-expanding government threatens both our freedom and a financial collapse. Increasing polarization makes the task of governing effectively difficult. ● Government's attempts to make people's lives better often have the opposite effect ● Differing views of the Constitution divide more than unify us. ● Both sides increasingly question elections if they don't win. ● Even the concept of what an American is leads to division. ● Debate is often less about solving problems and more about political advantage and defeating the other side. Today, 15 years after the first edition of this book was published, these problems are growing worse, not better. But the solutions still remain in deeper understanding of the issues and in the ability to work together to produce effective solutions that are based on facts and evidence. We can learn a great deal about how to accomplish this by studying the history of American representative democracy. Preserving Democracy delves into areas such as taxation and the welfare state, planning versus competition, the rule of law, the breakdown of voting, the distortion of language, the importance of an informed electorate, and the loss of American values. It highlights how these factors have impacted the health of American democracy and government and outlines the long-term consequences. This book points the way to seriously studying American democratic traditions and the things that have made them function this long. It then talks about how we can get back onto the track of building and preserving a just society. Every American who plans to vote or otherwise participate in our government needs to read this book, not necessarily to agree with the author on each subject, but to find a way to better understand both the subject and the background of diverse views. Informed dialogue may be the key to preserving democracy in America.

**The Heroin Diaries: Ten Year Anniversary Edition** Nikki Sixx, 2007-09-18 The shocking, gripping, and at times darkly hilarious bestselling memoir of Nikki Sixx's yearlong war with a vicious heroin addiction, featuring exclusive new content. When Mötley Crüe was at the height of its fame, there wasn't any drug Nikki Sixx wouldn't do. He spent days—sometimes alone, sometimes with other addicts, friends, and lovers—in a coke- and heroin-fueled daze. The highs were high, and Nikki's journal entries reveal some euphoria and joy. But the lows were lower, often ending with Nikki in his closet, surrounded by

drug paraphernalia and wrapped in paranoid delusions. Here, Nikki shares the diary entries—some poetic, some scatterbrained, some bizarre—of those dark times. Joining him are Tommy Lee, Vince Neil, Mick Mars, Slash, Rick Nielsen, Bob Rock, and a host of ex-managers, ex-lovers, and more. Brutally honest, utterly riveting, and surprisingly moving, *The Heroin Diaries* follows Nikki during the year he plunged to rock bottom—and his courageous decision to pick himself up and start living again.

*Acrostic World* Promise Beshel,2021-09-30 The author offers a detailed and realistic, sometimes enchanted, description of the current world situation. An eclectic tormented world full of problems, inequalities, injustices, degradation... What the author tries to do through his intricately crafted words is not only to identify the problems that afflict all the people of the world but to try to offer solutions to challenges that we face every day globally. His words are harsh but at the same time true, objective testimony, of a world that seems to have forgotten harmony, peace, and equality. He successfully stirs the reader to reflect upon the world we live in. Promise Beshel, born in Nigeria in 1985, grew to be passionate about the upholding of human dignity, and remains a firm believer in the attainment of a just, more peaceful, and healthier planet. It is to this end that he sought a unique way to drive a one world message on the backdrop of creative excellence, presenting a unique approach to the ageless ideals of love, unity, and harmony. He remains an open-minded human whose flaming hunger for creativity has helped unfound the lines of colour, clannishness, language, and partisanship in this book. He has steadily honed his writing skills right from high school, much to the admiration of his immediate community and most of his circle of social media friends. He is a graduate of Electrical/Electronic Engineering from the University of Port Harcourt, Nigeria, and a graduate of the 2019 YCombinator's Startup School. He is certified by Google in Fundamentals of Digital Marketing and holds a Certificate of Accomplishment in Introduction to Project Management, from the University of Adelaide, South Australia. He also holds a Certificate of Achievement in Ideas for a better World: Leading Change Through Policy Making, from the British Council. He is a member of Junior Chamber International wherein he is a Certified Trainer, Administrator, and Presenter, amongst other JCI qualifications and offices held at both Chapter and Regional levels. Promise Beshel has, within his capacity, played crucial roles in humanitarian service from his National Youth Service Corps (NYSC) days up till date, the most recent being his Personal Social Responsibility project which seeks to add value to the quality of education of the citizenry, at least one person at a time.

The Biblical Illustrator - Vol. 21 - Pastoral Commentary on Ecclesiastes Charles Spurgeon,Alexander Maclaren,Henry Ward Beecher,2013-11-05 \*\*This ebook version of The Biblical Illustrator - Pastoral Commentary on Ecclesiastes contains nearly 700 pages of commentary! What if Charles Spurgeon helped you prepare next Sunday's sermon? Or what if you could talk over your preaching with Joseph Parker, Richard Baxter, Henry Ward Beecher and H. P. Liddon. Do you think it would make a difference to get the input of some of the greatest preachers who ever lived? That's precisely what Joseph Exell had in mind when he put together the massive series of volumes called The Biblical Illustrator. In what can only be called a Herculean feat, he spent years gathering preaching notes and sermon outlines from the very best preachers of his day (in the late 1800s and early 1900s), and he did it covering every book of the Bible. And it is amazingly comprehensive. Exell approached his task by taking every verse in the Bible and seeking to discover how it has been preached in the past. Though there is plenty of exegetical material here, this is not primarily a commentary. This series is for preachers, teachers, Bible students and anyone else looking for penetrating pastoral insights from some of the all-time greats of the faith.
