Best Served Cold Sally Spencer, 2015-08-01 A Monika Paniatowski British police procedural On the night the Whitebridge Players staged their last ever performance, the idealistic young actors in the company resolved that twenty years on they would return to the same theatre and stage the same play. But two decades later, old resentments have grown and new jealousies have germinated, and it is a very different company that returns to re-enact the Spanish Tragedy. The cast members all have their axes to grind – and some have clear targets for those axes . . . It is in this world – where normal rules and standards have no meaning – that DCI Monika Paniatowski finds herself, once a tragedy within the Tragedy has occurred. But how can she uncover the killer’s motive when everyone seemed to want the victim dead? And how can she decide who is telling the truth – when all these people lie for a living?

Foreign Women Authors under Fascism and Francoism Pilar Godayol, Annarita Taronna, 2018-11-30 This collection of essays highlights cultural features and processes which characterized translation practice under the dictatorships of Benito Mussolini (1922-1940) and Francisco Franco (1939-1975). In spite of the different timeline, some similarities and parallelisms may be drawn between the power of the Fascist and the Francoist censorships exerted on the Italian and Spanish publishing and translation policies. Entrusted to European specialists, this collection of articles brings to the fore the “microhistory” that exists behind every publishing proposal, whether collective or individual, to translate a foreign woman writer during those two totalitarian political periods. The nine chapters presented here are not a global study of the history of translation in those black times in contemporary culture, but rather a collection of varied cases, small stories of publishers, collections, translations and translators that, despite many disappointments but with the occasional success, managed to undermine the ideological and literary currents of the dictatorships of Mussolini and Franco.

Great, Grand & Famous Hotels Fritz Gubler, Raewyn Glynn, 2008 This is a book for lovers of remarkable hotels. Whether you are a long-term luxury hotel addict, or just fantasising about a visit to one of the world's great hotels, this book is for you. This book features stories about great, grand and famous hotels sourced from history, legend and the occasional snippet of gossip. Take a peek inside and discover a treasure trove of famous or forgotten anecdotes. See the dramas unfold in lobbies, dining rooms, bars and ballrooms, or behind the closed doors of guest rooms and Presidential Suites. Marvel at those who made these hotels what they are: daring financiers, visionary owners, inventive architects, cutting-edge designers, devoted

hoteliers and renowned chefs. Remember the great, grand and famous celebrity guests and meet the new breed of visionaries who are creating the great hotels of the future. Visit historic hotels, including The Ritz, Paris; the Waldorf-Astoria, New York; the Beverly Hills Hotel, Los Angeles; the Savoy, London; the Hassler, Rome; The Peninsula, Hong Kong; Raffles, Singapore; Mena House, Cairo; Taj Lake Palace, Udaipur; Chateau Lake Louise, Alberta; the Cipriani, Danieli and Gritti Palace, Venice; Reid's Palace, Madeira; and the Baur au Lac, Zurich, alongside modern masterpieces such as The Burj al Arab, Icehotel and other futuristic hotels. The book is intended to give the traveller a better understanding of, and greater insight into, the hotels they admire and love. It is also a reference book for the passionate hotel professional and provides knowledge for young hoteliers, helping them to understand the history and the development of their industry. Combining four years of research, assisted by many students in various hotel schools around the world, and with contributions by six travel writers, it is hoped this book will entice more people to seek out the world's great, grand and famous hotels, and to stay in them for an unforgettable experience, not just as a place to spend the night.

Too Close to Home Andrew Grant, 2020-01-07 His cover: courthouse janitor. His cause: justice. But when Paul McGrath uncovers a shocking connection to a file of missing evidence, he finds the truth sometimes hits a little too close to home. An intelligence agent-turned-courthouse janitor, Paul McGrath notices everything and everyone—but no one notices him. It's the perfect cover for the justice he seeks for both his father and the people who've been wronged by a corrupt system. Now he's discovered a missing file on Alex Pardew—the man who defrauded and likely murdered McGrath's father but avoided conviction, thanks in large part to the loss of this very file. And what lies behind its disappearance is even worse than McGrath had feared. Meanwhile, at the courthouse, he stumbles on the case of Len Hendrie, a small businessman who's been accused of torching a venture capitalist's mansion. Though Hendrie admits starting the fire, McGrath learns how the VC has preyed on average Joes to benefit himself—and his extensive wine collection. McGrath can't resist looking deeper into this financial predator and soon finds himself in a gray area between his avenging moral compass and the limits of the law. Then, just as the Hendrie case is heating up, McGrath receives word of the death of his father's former housekeeper, sending him back to his family home to confront unfinished business from his past. And he's about to find some unwelcome truths about the mother he lost as a child—and the father who hid even more secrets than he realized.

Features of the Golden Age in Agatha Christie's "Death on the Nile", 2023-11-29 Seminar paper from the year 2021 in the subject English Language and Literature Studies - Literature, grade: 1.7, University of Heidelberg, course: Introduction to Crime Fiction, language: English, abstract: The Golden Age is known as the time between the two world wars. During this time, many crime fiction novels were written by several authors. The Mysterious Affair at Styles 1920 by Agatha Christie is often seen as the first novel of the Golden Age crime fiction and In the Teeth of the Evidence 1939 by Dorothy L. Sayers as the last one. The novels often represent social problems, which sounds controversial to the 'golden' notion. The

crime fiction novels published in the Golden Age period have many common features which will be discussed in the following pages. The Golden Age features will be compared to Agatha Christie's novel *Death on the Nile* (1937). There is a lot of research about crime novels during that period but only a few compare the features of the Golden Age to *Death on the Nile*, which is why I chose this novel for further analysis. Being a huge fan of crime fiction, I wanted to take a closer look at Agatha Christie's writing style and see how it fits in the Golden Age period. One feature she followed is that murder becomes the main feature of the stories published in the Golden Age. By the 1920s words like 'murder' or 'death' began to be seen in the title (cf. Knight 2010: 86). Especially Agatha Christie's book titles let the readers know what the book will be about before reading the summary on the cover (e.g. *Death on the Nile*, *Death in the Clouds*, *Mrs. McGinty's Dead*, *Murder on the Orient Express*), along with authors like Dorothy L. Sayers with *Murder Must Advertise*, Margery Allingham with *Death of a Ghost* and Ngaio Marsh with *Death on Ecstasy*. These four British authors - Agatha Christie, Dorothy L. Sayers, Margery Allingham, and Ngaio Marsh - were known as "The Big Four" or "The British Quartet", but only Agatha Christie achieved the honour of being called the "Queen of Crime" (cf. Keitel 2008).

Do Not Become Alarmed Maile Meloy, 2017-06-06 The moving and suspenseful new novel that Ann Patchett calls smart and thrilling and impossible to put down... the book that every reader longs for. "This summer's undoubtable smash hit... an addictive, heart-palpitating story." —Marie Claire The sun is shining, the sea is blue, the children have disappeared. When Liv and Nora decide to take their husbands and children on a holiday cruise, everyone is thrilled. The adults are lulled by the ship's comfort and ease. The four children—ages six to eleven—love the nonstop buffet and their newfound independence. But when they all go ashore for an adventure in Central America, a series of minor misfortunes and miscalculations leads the families farther from the safety of the ship. One minute the children are there, and the next they're gone. The disintegration of the world the families knew—told from the perspectives of both the adults and the children—is both riveting and revealing. The parents, accustomed to security and control, turn on each other and blame themselves, while the seemingly helpless children discover resources they never knew they possessed. *Do Not Become Alarmed* is a story about the protective force of innocence and the limits of parental power, and an insightful look at privileged illusions of safety. Celebrated for her spare and moving fiction, Maile Meloy has written a gripping novel about how quickly what we count on can fall away, and the way a crisis shifts our perceptions of what matters most.

Saira Zariwala Is Afraid Shabnam Minwalla, 2021-02-05 'Akaash, where are you?' Saira is thrilled about getting her own phone. What she's not so thrilled about is that most of the messages that arrive on it are for somebody called Akaash. As the messages get stranger, Saira's irritation gives way to curiosity. Who is Akaash? How has he disappeared so entirely that even his friends and family don't know where he is? Is he connected with the horrors that the police have unearthed in a fancy Mumbai building? Saira and her friends decide to play detective. But the light-hearted adventure soon turns dark and

sinister. Someone is watching their every move. Someone thinks Saira knows much more than she does. Someone has killed once and is willing to kill again. Curiosity killed the cat. Will it kill Saira?

The Family Fang Kevin Wilson, 2011-08-09 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY TIME, PEOPLE, SALON, AND ESQUIRE “The Family Fang is a comedy, a tragedy, and a tour-de-force examination of what it means to make art and survive your family....The best single word description would be brilliant.” —Ann Patchett, author of *Bel Canto* A funny, poignant, laugh-and-cry-out-loud (sometimes at the same time) novel about the art of surviving a masterpiece of dysfunction. Meet The Family Fang, an unforgettable collection of demanding, brilliant, and absolutely endearing oddballs whose lives are risky and mischievous performance art. Basis for the major motion picture starring Nicole Kidman, Jason Bateman and Christopher Walken. Annie and Buster Fang have spent most of their adult lives trying to distance themselves from their famous artist parents, Caleb and Camille. But when a bad economy and a few bad personal decisions converge, the two siblings have nowhere to turn but their family home. Reunited under one roof for the first time in more than a decade and surrounded by the souvenirs of their unusual upbringing, Buster and Annie are forced to confront not only their creatively ambitious parents, but the chaos and confusion of their childhood. “It’s The Royal Tenenbaums meets *Who’s Afraid of Virginia Woolf?* I’d call The Family Fang a guilty pleasure, but it’s too damn smart....A total blast.” —Hannah Pittard, author of *The Fates Will Find Their Way*

White Heat Dominic Sandbrook, 2015-02-05 'An active pleasure to read' Mail on Sunday Harold Wilson's famous reference to 'white heat' captured the optimistic spirit of a society in the midst of breathtaking change. From the gaudy pleasures of Swinging London to the tragic bloodshed in Northern Ireland, from the intrigues of Westminster to the drama of the World Cup, British life seemed to have taken on a dramatic new momentum. The memories, images and colourful personalities of those heady times still resonate today: mop-tops and mini-skirts, strikes and demonstrations, Carnaby Street and Kings Road, Harold Wilson and Edward Heath, Mary Quant and Jean Shrimpton, Enoch Powell and Mary Whitehouse, Marianne Faithfull and Mick Jagger. In this wonderfully rich and readable historical narrative, Dominic Sandbrook looks behind the myths of the Swinging Sixties to unearth the contradictions of a society caught between optimism and decline.
