*Los Muertos de Plaza de Mayo: 1945, 1953 y 1955* Héctor Daniel De Arriba, 2024-12-03 La historia de nuestro país muestra una Argentina fracturada. Donde el otro que opina distinto, el que concibe a su mundo político-social-económico de acuerdo a sus necesidades o simplemente porque quiere verlo y sentirlo de ese modo, es descalificado desde la palabra hasta el punto de destruirlo, siendo la violencia, que trae la muerte de la mano, la que termina con esa otredad. Este libro nos lleva, de la mano del Profesor Héctor Daniel De Arriba, a un período muy especial ya que representa un hito en la vida económica y social de los argentinos. Recrea, a través de una ardua investigación, cómo el odio fue llevado a su forma más cruel. El otro que inquieta por ser diferente en su pensamiento, no pudiendo ser cuestionado o expuesto en el lugar que habita el ser humano, LA PALABRA, debe ser eliminado. Es esta la forma de pensar de las minorías violentas. La Plaza de Mayo: es ahí a donde Héctor Daniel De Arriba, nos convoca con su pluma; lugar emblemático para nuestro país, que fue, es y será el escenario de vivas y descontentos; tristemente, también allí danza la muerte violenta dejando cuerpos sin vida en su ritmo como si fuera el ritual de la maldad. La historia y el tiempo se encargaron de poner cifras, números fríos, que se convirtieron en las lápidas de los seres humanos que perdieron la oportunidad de completar su existencia, como hubieran deseado. El mismo odio que vilmente los hombres y mujeres imponen a través de la censura y olvido intencional, se encargó de borrar las tragedias que este libro nos muestra, con toda la dureza que se impone a través de los testimonios recabados y de las imágenes que duelen, porqu Nuestra historia muestra, cómo algunos sectores invocaron a las KERES (espíritus femeninos de la muerte violenta) para recorrer las calles y plazas, tanto para destruir al otro, como para infundir miedo que es la otra cara de la violencia. Sea este libro el que comience el camino que abra los ojos y mentes que confunden al Otro como el enemigo. Los seres humanos somos los sujetos de la palabra: que las páginas de esta obra sean el lugar del encuentro. Adriana Silvia De Arriba Lic. en Periodismo y Profesora

*La profanación* Juan Carlos Iglesias,2017-07-01 La investigación más exhaustiva sobre el hecho que en 1987 conmovió al país y al mundo: la profanación de la tumba de Juan D. Perón, y el corte y la desaparición de las manos de su cadáver. El 1 de julio de 1987 la Argentina fue sacudida por la noticia de la mutilación del cadáver de Perón en el Cementerio de la Chacarita: sus manos habían sido robadas. Al estupor le siguieron las hipótesis: se las habían llevado para cobrar un rescate millonario o para acceder con sus huellas digitales a cuentas en Suiza; el ultraje había sido parte de un rito masónico en venganza por pactos no cumplidos por el ex presidente, o un mensaje de la poderosa logia Propaganda Due de Licio Gelli o una ceremonia esotérica de otro origen. El gobierno de Alfonsín sostuvo que se trataba de un ajuste de cuentas entre líneas internas del peronismo, y éste contraatacó diciendo que era una campaña del radicalismo para perjudicarlo en las elecciones de gobernadores de ese año. Pero el hecho no quedó ahí: el juez del caso, Jaime Far Suau, fue asesinado, y dos testigos clave fallecieron en circunstancias sospechosas; además, el comisario a cargo de la investigación sobrevivió milagrosamente a un disparo a quemarropa y al poco tiempo fue pasado a retiro sin justificación. Claudio R. Negrete -periodista- y Juan Carlos Iglesias -abogado que integró el equipo de Far Suau- investigaron durante años para escribir este libro, que sigue a fondo cada una de las pistas y reconstruye la historia completa de un hecho impune que la ficción más descabellada no se hubiera atrevido a imaginar, y cuya conclusión, a tres décadas de sucedido, es nadie sabe; nadie fue.
