Social Reading Cultures on BookTube, Bookstagram, and BookTok Bronwyn Reddan, Leonie Rutherford, Amy Schoonens, Michael Dezuanni, 2024-04-30 This book examines the reading cultures developed by communities of readers and book lovers on BookTube, Bookstagram, and BookTok as an increasingly important influence on contemporary book and literary culture. It explores how the affordances of social media platforms invite readers to participate in social reading communities and engage in creative and curatorial practices that express their identity as readers and book lovers. The interdisciplinary team of authors argue that by creating new opportunities for readers to engage in social reading practices, bookish social media has elevated the agency and visibility of readers and book consumers within literary culture. It has also reshaped the cultural and economic dynamics of book recommendations by creating a space in which different actors are able to form an identity as mediators of reading culture. Concise and accessible, this introduction to an increasingly central set of literary practices is essential reading for students and scholars of literature, sociology, media, and cultural studies, as well as teachers and professionals in the book and library industries.

You Were Never Meant to Lead Alone E. K. Strawser, 2025-09-23 Build a Collaborative and Sustainable Ministry Structure The work of the church is more than any one person can handle, and God never intended for one pastor to do all a church's ministry alone. Discover a communal and biblical model of missional leadership in *You Were Never Meant to Lead Alone*. In this book, E. K. Strawser seeks to recover the shared leadership model of the early church, offering a practical and inclusive alternative to hierarchical and patriarchal church leadership structures. This book invites pastors, church planters, and ministry leaders to rethink how leadership can empower the entire body of Christ. By identifying the gifts of apostles, prophets, evangelists, shepherds, and teachers, this book provides a vision for leadership that fosters collaboration, inclusivity, and spiritual flourishing. In this book, Strawser Explores how shared leadership can be integrated into the structure of a church; Expands on the fivefold diversity of leadership: apostles, prophets, evangelists, shepherds, and teachers; Highlights how different gifts and leadership styles suit various aspects of ministry; Expands ministry beyond paid staff, promoting inclusivity regardless of gender, race, or culture; Addresses real-life power dynamics and temptations leaders face; and Offers practical, sustainable structures to multiply leaders for the benefit of the entire community. This book argues that for the church to truly reflect the fullness of Christ, it must embrace the sharing of power. If you're ready to

reimagine ministry and build mature leadership in your church, start with *You Were Never Meant to Lead Alone*.
