Ebenezer Cobham Brewer

The Original Language of the New Testament Giuseppe Guarino,2019-11-15 We got the New Testament in an original Greek. The Author was recently confronted with some claims that Greek was not its actual language of composition. Then he asked himself: were the autographs of the New Testament actually written in Greek or Hebrew, Aramaic, or whatever language or dialect was spoken by the Jews in Israel during the first century?He investigated the matter and found enough reasonable evidence to come up with convincing ideas. They are collected here, hoping they will be a satisfactory answer to those interested in this challenging question.Giuseppe Guarino was born in Catania, Sicily. He loves the Bible and has dedicated the last twenty years to the study of its original languages. Among his books: The Majority Text of the Greek New Testament, New Testament Greek for Beginners, Jewish Background of the New Testament, The Jehovah's Witnesses' Bible.
