

Life Is Short But Also Terribly And Insufferably Long

David Baud

Halfway To Asphodel: 2020 Omnibus Edition Vishvaraj Chauhan, 2020-06-19 This second edition of the first book, "The Best of Halfway To Asphodel: 2015-2017", includes the author's work from 2018 to 2020. Certain changes in titles of chapters are done, as 'Letters to Silence' is now reverted to their original name, "Letters to Celisen", Celisen being an anagram for silence. It consists of five sections – Contemplative Philosophy, Personal, Romance, Letters To Celisen, and Poetry. Contemplative Philosophy consists of articles that choose one topic and discuss it philosophically, in a way that is contemplated by the author's mind. Personal articles have a touch of intimacy and relation. Romance contains essays about the author's idea of love, it's associated despair and other feelings. Letters To Celisen are letters addressed to silence. As mentioned above, initially posted as Letters To Celisen, readers had to guess who Celisen was. The Poetry section is the author's attempt at poems, which are often of the rhyming variety.

Life of Alfred Newton Alexander Frederick Richmond Wollaston, 1921

The Healer: The Complete Series, Books 1-4 C. J. Anaya, 2025-08-08 From USA Today bestselling author, C.J. Anaya, comes an epic saga of love, betrayal, and the ultimate battle between good and evil. Her touch could save multitudes. But even with superhuman powers, will one high-school senior survive a battle with almighty deities? Seventeen-year-old Hope wishes she could heal every wound. But after a heartbreaking ordeal during a hospital visit, her walk home turns into a fight for survival when she's attacked by a two-tailed demon cat. And though she tries to shake off the incident, the sudden arrival of a pair of overly curious new classmates sets off the miracle-worker's alarm bells. Working hard to keep a low profile, she's horrified when one of the handsome duo tricks her into mending his wounds after a schoolyard brawl. But when the two boys reveal their divine origins and her fated destiny, Hope plunges into a race to unlock her mystic potential before hellish forces turn them all to ashes. As the veil between life and death unravels, can she claim her future and shield humanity?
