Mad World Joseph Caligiuri, 2020-09-25 Learn to play Mad World (Gary Jules Version, from Donnie Darko) with Piano Tab; a color-coded, easy interpretation of piano music that requires little training. You will have fun playing this Melody Version with lyrics, written by Roland Orzabal, a 1982 song by the British band Tears for Fears. This piano tab displays right and left-hand fingering numbers with red and blue NOTE LETTERS. Perfect for the beginner to intermediate piano player. Someone with very little music reading ability could figure it out pretty quickly. Piano Tab is a method of learning featuring unique illustrations of sheet music. This is not standard sheet music notation. The most remarkable feature of this method is that it converts standard sheet music and uses letters instead of note symbols, so those who want to play the piano can learn in a much easier and more visual way. If you're a visual learner, intimidated with the complexities of reading standard piano sheet music, and want an additional tool to learn Mad World by Gary Jules and Michael Andrews, this book is for you! This method of piano tab is particularly helpful for piano beginners, and for those who want to learn new songs every once in a while. PlayPianoByLetters.com is an interesting and fun way for musicians to play well-known songs on the piano. Piano Tab by Joseph L Caligiuri.
