A Willing Murder Jude Deveraux, 2018-09-18 A story of old secrets, deadly grudges and an improbable group of friends who are determined to uncover the truth regardless of the consequences... Sara Medlar is a household name in romance, with millions of books sold. But lately, retirement has been boring her and she's found herself back in her hometown of Lachlan, Florida, remodeling the grand old mansion she admired as a child. It's much too big for her alone, but she'd die before letting anyone in town know that. Then Sara's niece, Kate, is offered a job in Lachlan—a start in what could be a very successful career in real estate. She accepts immediately, but with so little saved up, she'll have to approach her estranged yet incredibly famous aunt for a place to stay while she gets herself settled. When she arrives at Sara's home, she finds she's not the only long-term houseguest. Jackson Wyatt already has his own room, and though it's impossible to deny his good looks and charm—he's clearly got her aunt wrapped around his finger—she's also never met anyone who irritates her quite like Jack does. However, when two skeletons are accidentally uncovered in the quiet town, this unlikely trio is suddenly thrust together by a common goal: solve a mystery everyone else seems eager to keep under wraps. United by a sense of justice and the desire to right old wrongs, Sara, Kate and Jack will have to dig into Lachlan's murky past to unravel the small town's dark secrets and work to bring the awful truth to light. A Relative Murder Jude Deveraux, 2022-03-29 Even the closest families have secrets hidden away. Bestselling novelist Sara Medlar is skilled at sharing stories about other people, but she hoped the truth about her own family would never surface. Her home in Lachlan, Florida, is her refuge and she loves having her niece Kate and dear friend Jack Wyatt together under her roof. The Medlar Three, as they are known around town, have sworn off getting involved in any more murder investigations. When the sheriff unexpectedly leaves on vacation, Jack is surprised to find himself appointed as deputy. So when Kate stumbles upon a dead body while visiting a friend, the Medlar Three are back in the sleuthing game. Kate also has a charming new real estate client with a mysterious past. He seems to be followed by trouble and that makes Sara and Jack uneasy. It doesn't take long to discover that the murder and the new man in town are somehow related—the question is how. When the stranger's true identity is revealed, Sara realizes her carefully crafted story is about to unravel and she fears she'll

lose Kate and Jack forever. But she desperately hopes that love and honesty will win out over years of lies and deceit. And besides, family is family—even if you sometimes want to kill them. A Justified Murder Jude Deveraux, 2019-02-26 The small town of Lachlan, Florida, was recently rocked when two bodies were uncovered in the roots of a fallen tree. Despite their lack of investigative experience, Sara Medlar; her niece, Kate; and Jack Wyatt found themselves at the center of the mystery, working together to reveal the truth behind a decades-old secret in the sleepy town. After a narrow escape, they vowed to never again involve themselves in something so dangerous—until Janet Beeson is murdered. When Janet's body is discovered, everyone is shocked by the violence of the attack. The sweet little old woman has been shot, stabbed and poisoned, but no one can imagine who would want to harm one of the town's kindest, most helpful residents. Sara, Kate and Jack are determined to leave this case to the professionals. But they are soon bombarded by townspeople eager to tell their stories and clear their names with the trio who solved the Morris murders. Even the sheriff is hoping they'll lend their skills to a crime that seems to have no explanation and no motive. And once the town gets talking, they begin to see that there are more secrets buried in quiet Lachlan than anyone could have imagined... An Unfinished Murder Jude Deveraux, 2024-04-30 Sara Medlar may be retired as a bestselling author, but her career as an amateur detective is facing one final mystery--and it's a killer. Retired romance novelist Sara Medlar has been comfortably sharing her large home with her niece Kate and her honorary grandson Jack. It's a convenient arrangement given the Medlar Three, as they've become known, are often working closely together to solve mysteries in their small town of Lachlan, Florida. But when real estate agent Kate announces she's been given the listing for the town's storied Lachlan House, it sets off alarm bells for Sara and Jack. The infamous house has a dark history, one that's certain to haunt them all. With little memory of her childhood, Kate doesn't understand what the fuss is about--until the trio visits the house and makes a grim discovery. Flooded by memories of the past, Kate realizes she spent time there as a child. But stumbling upon a skeleton dressed in a rotting tuxedo--a murder victim with connections to her father--causes Kate to wonder if the childhood she can't remember might be one she'd rather forget. As Sara, Kate and Jack delve deeper into the dead man's history, they learn he was last seen at a party held at Lachlan House in the late nineties--a swanky soiree attended by his many enemies. With more than one motive in play, every partygoer is a suspect, and Sara is determined to find the culprit, even if it means digging up past secrets she's worked hard to keep buried.
