Sparkles: Selected Quotes from the Founders Talk Rev. Fr. J.E. Arul Raj, 2024-08-18 Collins Dictionary describes 'Sparkles' as "small points of light caused by light reflecting off a clear bright surface." Call them sparks, flashes or glitters; they reflect the light of a bright body. This book titled 'Sparkles' comes with flashes of thoughts from the talks of Rev. Dr. Fr. J.E. Arul Raj, the founder of DMI, MMI and AMI. They are carved out from his talks and framed as one-liners. These selected quotes from his talks serve the purpose of getting to know the mind of the Founder on a wide variety of topics. They are of course, not exhaustive or comprehensive but very much reflective of his spirit and vision. The effort was to reproduce the words of the founder verbatim and to be faithful to his mind. Hence, faithfulness to the original delivery of thought has taken precedence over fineness of language. In this book, there are two sections: one containing all the quotations in the alphabetical order; and another containing various topics, and under them, the quotations relevant to each topic. It is believed that this handy book would serve as a ready reckoner for all, especially the DMI sisters and MMI fathers to put them to use in their talks and writings; and more importantly for personal reflection and profitable implementation in their life and mission.
