**College Success Guaranteed 2.0** Malcolm Gauld, 2014-04-09 Teaching for nearly 40 years, Malcolm Gauld has watched thousands of high school graduates head off to college. After a while, he began to notice some unmistakable patterns — good and bad — relating to students after they hit college. About a decade ago, he began giving an annual talk to high school seniors in hopes of sending them off to college on a positive note. This led to the book *College Success Guaranteed: 5 Rules to Make it Happen* (Rowman Littlefield, 2011). Since writing the book, many parents have asked for tips on how they might optimize their son or daughter's college experience. Hence, Malcolm formulated *College Success Guaranteed 2.0: 5 Rules for Parents*, these five simple rules include: Make them pay... for something Wait for their call Step aside... and make way for new mentors Mantra — is this my issue? Get curious With anecdotes from college parents from over fifty schools, it is his hope that these stories combined with the stories from the 5 Rules for Students, will ensure your child “the best four years of their life.” Features: Five simple, clear-cut rules for parents of college students Stories and anecdotes from scores of actual college parents representing over 50 colleges and universities, all offered in a helpful non-judgmental tone References to several contemporary authors, psychologists, and family therapists on the nature of today's American family, the current national tendency toward parental over-protectiveness, and some new approaches parents might take A bibliography of relevant books for further reading A bonus chapter on how kids and parents might join together to face the troubling angst currently surrounding the annual college application process
