

Say You Still Love Me

Annie Raymond Stillman

Say You Still Love Me K.A. Tucker, 2019-08-06 INTERNATIONAL BESTSELLER The bestselling author of *The Simple Wild* and *Keep Her Safe* and “master of steamy romance” (Kirkus Reviews) delivers a sizzling novel about an ambitious and high-powered executive who reconnects with her first love: the boy who broke her heart. Life is a mixed bag for Piper Calloway. On the one hand, she’s a twenty-nine-year-old VP at her dad’s multibillion-dollar real estate development firm, and living the high single life with her two best friends in a swanky downtown penthouse. On the other hand, she’s considered a pair of sexy legs in a male-dominated world and constantly has to prove her worth. Plus she’s stuck seeing her narcissistic ex-fiancé—a fellow VP—on the other side of her glass office wall every day. Things get exponentially more complicated for Piper when she runs into Kyle Miller—the handsome new security guard at Calloway Group, and coincidentally the first love of her life. The guy she hasn’t seen or heard from since they were summer camp counselors together. The guy from the wrong side of the tracks. The guy who apparently doesn’t even remember her name. Piper may be a high-powered businesswoman now, but she soon realizes that her schoolgirl crush is still alive and strong, and crippling her concentration. What’s more, despite Kyle’s distant attitude, she’s convinced their reunion isn’t at all coincidental, and that his feelings for her still run deep. And she’s determined to make him admit to them, no matter the consequences.
