*Reconstructing Response to Student Writing* Dan Melzer, 2023-08-07 In *Reconstructing Response to Student Writing* Dan Melzer makes the argument that writing instructors should shift the construct so that peer response and student self-assessment are more central than teacher response. Presenting the results of a national study of teacher and peer response and student self-assessment at institutions of higher education across the United States, Melzer analyzes teacher and peer response to over 1,000 pieces of student writing as well as 128 student portfolio reflection essays. He draws on his analysis and on a comprehensive review of the literature on response to introduce a constructivist heuristic for response aimed at both composition instructors and instructors across disciplines. Melzer argues that teachers and researchers should focus less on teacher response to individual pieces of student writing and more on engaging in dialogue with student self-assessment and peer response, focusing on growth and transfer rather than products and grades. *Reconstructing Response to Student Writing*, especially when taken together with Melzer's previous book *Assignments across the Curriculum*, provides a comprehensive and large-scale view of college writing and responding across the curriculum in the United States.

*The Last Hunt* Deon Meyer, 2020-04-07 A cold case reaches from Cape Town's shadowy past to bucolic Bordeaux, France, in this thriller by the Barry Award-winning author of *Thirteen Hours*. When a cold case dossier lands on Captain Benny Griessel's desk, he and his partner Vaughn Cupido, fellow member of the Hawks elite police unit in South Africa, reluctantly set to work reviewing the evidence. Did ex-cop Johnson Johnson simply disappear on the world's most luxurious train line—or was he murdered? Two fellow travelers might have the answers Griessel and Cupido need, but they too seem to have disappeared, and the few clues that exist suggest a cover-up. Meanwhile, Daniel Darret has settled into a new, quiet life in Bordeaux, far from his revolutionary past in South Africa. But now a man from that past has reappeared. And he wants to

commission Daniel's unique skills one more time. As the two storylines come crashing together, Griessel and Cupido are left uncertain of the truth—and of their own future. A top-notch addition to the acclaimed Benny Griessel series, *The Last Hunt* makes a brave and powerful statement about the pervasive corruption that has stolen so much from Deon Meyer's native country. "Superb...this may be the breakthrough book this author deserves."—Publishers Weekly (starred review)
