I Love the Beach, Poetry, Long Walks, Night Runs, Riding My Bike, Sunsets and Smelling My Own Feet... Edwin Estuya,2011-03-30 this is a summary of his daily thoughts which he wrote every night. The Reconnection Eric Pearl,2011-04 Why are prominent doctors and medical researchers all over the world interested in

the extraordinary healings reported by the patients of Dr. Eric Pearl? What does it mean when these patients report the sudden disappearance of afflictions such as cancers, AIDS-related diseases, and cerebral palsy? And what does it mean when people who interact with Dr. Pearl report a sudden ability to access this healing energy not just for themselves, but for others, too? What is this phenomenon? Well, you might have to reconsider everything you've read up until now about conventional healing. The "new" frequencies of healing described by Dr. Pearl transcend "technique" entirely and bring you to levels beyond those previously accessible to anyone, anywhere. This book takes you on Dr. Pearl's journey from the discovery of his ability to facilitate healings, to his well-deserved reputation as the instrument through which this process is being introduced to the world. But most important, *The Reconnection* reveals methods you can use to personally master these new healing energies.

Your Dieting Daughter...Is She Dying for Attention? Carolyn Costin, 2013-06-20 This book focuses on the essentials of nutrition, offering clear guidelines for healthy eating and dispelling many of the myths promoted by the diet industry. A concise and informative review of the most popular diet programs helps set the record straight on what's behind all of those promotional campaigns to which adolescent (and younger) girls are regularly exposed. The goal here is to help parents understand the kinds of pressure their daughters are under and to provide them with the necessary knowledge to work with their daughters - rather than against them - in forming a strong, positive, and clear sense of self.

Wisdom for the Soul Larry Chang, 2006 Five Millennia of Prescriptions for Spiritual Healing

Musings and Reflections William Galvin, 2016-11-23 After *Reflections On A Moon*, my meanderings took me to a long stay in Arizona, another trip to see family and friends in Texas a few weeks later, and to a new apartment after packing up 30-plus years of memories and selling the house. So, the journey continued, and in *Musings and Reflections*, I share the interpretations of what I saw and heard and felt on that path. Many good people of soul have impressed me when their journeys have intersected with mine. Plus, many great minds have inspired me with their words passed forward through time, and some are quoted here in what would have been empty white spaces. There is so much beauty out there to be seen, felt, and expressed... from a tear to a laugh; from a loss to a light; from a river to a mountain; from a speck of sand to a star; and all the moons and moods between... the best and the worst are all beautiful when accepted as part of the whole fabric of Life. The book is a collection of poems, stories, and quotes selected to ease women's paths toward and through menopause. It is valuable for women, their partners, and families because it gently and humorously describes mid-life as it can be, real and

wonderful.
