Solving for Why Dr. Mark Shrive, 2022-01-25 From Mercy Ships surgeon Dr. Mark G. Shrive comes an inspiring memoir about finding the answer to life's biggest question—Why?—and about following that answer through remarkable, unlikely places on the road to fulfillment, purpose, and joy. SOLVING FOR WHY chronicles one man's journey to find the answer to the biggest of all life's questions: Why? Following a traumatic car accident, Dr. Shrive—the child of Lebanese immigrants fleeing a civil war, who later became a successful practicing surgeon in Boston—found himself compelled to change the course of his life, determined to find meaning and satisfaction even if it meant diverting from America's idea of “success.” Featuring stories, insights, and research from his own exceptional life and work, SOLVING FOR WHY is the story of Dr. Shrive's search for—and discovery of—lifelong fulfillment. Now a global surgeon operating on a hospital ship docked off the coast of West Africa and one of the few global experts on surgery in low- and middle-income countries, Dr. Shrive seeks to impart the wisdom of the lessons he's learned over the course of his search for a life of true contentment. In the tradition of Dr. Paul Farmer's *To Repair the World*, Dr. Atul Gawande's *Better*, and Dr. Michele Harper's *The Beauty in Breaking*, SOLVING FOR WHY combines personal stories with deep, thoughtful research into the challenges of working in modern medicine in the 21st century and the commodification of work in America. A story of discovery and transformation, SOLVING FOR WHY seeks to help readers answer the “why” of their own lives and ultimately find joy outside the status quo.

His Mate or His Girlfriend Rubyk12, 2021-06-01 Rose thought she was just another ordinary high school student with high aspirations to go to college. For as long as she can remember, it's always been her aunt and her going through the adventure of life together. All that changes on her 16th birthday when she learns that the birthmark on her arm is actually the symbol of her birthright to become the Luna to the Alpha of one of the most powerful werewolf packs on the East Coast. In a bid to protect her from their enemies, Rose was hidden away and her existence became top secret information within the Pack hierarchy. However, Xavier is now the new Alpha and instead of being eager to claim his Luna, he scoffs at the 16-year old stick of a girl, claiming she holds no attraction for him. He would much rather stay with his girlfriend, Alyssa, promising to eventually make her Luna of his pack. Meanwhile, Rose's world is turned upside down when the truth is revealed and she has to leave her old secluded life for her new pack life. She could care less about mating with Xavier until Xavier returns from college in Europe and both can't seem to resist the pull of their wolves anymore. Whereas before, Xavier had been

reluctant to go through with the mating ceremony with Rose, now he doesn't find it such a horrible thought. Join Xavier and Rose on a journey of self-fulfillment in which both learn that love is never just a spoken word, but reflected in one's deeds and acts. As they grow together in a journey to protect their pack, will they find love in each other or will Xavier cast her away as he always intended and make Alyssa his mate?

Cain's Children Estefan San Martin, 2019-05-17 Sexy, handsome young attorney Dante Martino is having problems in the romance department when he gets a fateful call from his sister that his brother has died suddenly in embarrassing circumstances. He races to a family reunion across the country where he is needed to give his sibling's eulogy. After some girl trouble, meeting a mysterious and lovely young woman and wild sexting and craziness on the trip, he arrives somehow in one piece. Once there, he encounters all the dysfunction of his youth and makes it one mess of a eulogy. Suddenly after his arrival, his relatives are dropping dead like flies and he is a person of interest in their deaths, while the family business is close to financial disaster due to insider criminal activity. Can handsome Dante, his winsome twin sister, Rhonda, and her sexy flaxen sweetheart, Carol, stop the criminals who are robbing the family fortune? And can they solve the mysteries of who is behind it all? Dante is wanted by a bevy of sexy women and also by the law and a shadowy criminal Mr. Black. He's a victim of circumstances; sexting accidents; angry, jealous lovers; and strong libidos. He is also mired in a love triangle. Plus to complicate matters, he has met three women that may be the one. To top it all, he may be an heir to a share of over \$100 million—and just where are those missing diamonds worth as much as \$60 million hiding? This book is a very steamy, sexy, dark adult comedy with suspense, larceny, cheating, criminal behavior, murder, and sexy naughtiness.

It's right. The whole purpose of your meditation is to show up as awake and aware as possible to your everyday life. The Spiral Sheila Rowett, 2025-09-22 This book is written for anyone who would like some understanding about how the Self might get lost in childhood, and how unconscious adverse childhood conditioning works in every day life. This can open

the way to developing self-awareness which in turn, can be a path to healing the fractured relationship with the Self. This process generates more confidence, self-esteem and better, more secure relationships with others, and with the world. It is not a quick fix, but rather a long and sometimes difficult journey. Looking into the Self in order to integrate both light and shadow requires perseverance and trust, but is enormously worth the effort for those looking for transformation. Drawn to horses from childhood, the Author has experienced profound acceptance and generosity in their wonderfully enlightened and humorous presence. Living abroad for much of her time, she has appreciated many different approaches to life and aspires to an open and eclectic attitude, hoping always to find universal truths from higher perspectives. A peaceful warrior, she is passionate about the possibility and potential of transformation from striving to thriving for those who actively seek change. Training includes: MSc.
