The Blessing Way Tony Hillerman, 2009-03-17 Don't miss the TV series, Dark Winds, based on the Leaphorn, Chee, & Manuelito novels, now on AMC and AMC+! "Brilliant...as fascinating as it is original."—St. Louis Post-Dispatch From New York Times bestselling author Tony Hillerman, the first novel in his series featuring Lieutenant Joe Leaphorn & Officer Jim Chee who encounter a bizarre case that borders between the supernatural and murder Homicide is always an abomination, but there is something exceptionally disturbing about the victim discovered in a high, lonely place—a corpse with a mouth full of sand—abandoned at a crime scene seemingly devoid of tracks or useful clues. Though it goes against his better judgment, Navajo Tribal Police Lieutenant Joe Leaphorn cannot help but suspect the hand of a supernatural killer. There is palpable evil in the air, and Leaphorn's pursuit of a Wolf-Witch leads him where even the bravest men fear, on a chilling trail that winds perilously between mysticism and murder.

Investigating Identities, 2009-01-01 Investigating Identities: Questions of Identity in Contemporary International Crime Fiction is one of the relatively few books to date which adopts a comparative approach to the study of the genre. This collection of twenty essays by international scholars, examining crime fiction production from over a dozen countries, confirms that a comparative approach can both shed light on processes of adaptation and appropriation of the genre within specific national, regional or local contexts, and also uncover similarities between the works of authors from very different areas. Contributors explore discourse concerning national and historical memory, language, race, ethnicity, culture and gender, and examine how identity is affirmed and challenged in the crime genre today. They reveal a growing tendency towards hybridization and postmodern experimentation, and increasing engagement with philosophical enquiry into the

epistemological dimensions of investigation. Throughout, the notion of stable identities is subject to scrutiny. While each essay in itself is a valuable addition to existing criticism on the genre, all the chapters mutually inform and complement each other in fascinating and often unexpected ways. This volume makes an important contribution to the growing field of crime fiction studies and to ongoing debates on questions of identity. It will therefore be of special interest to students and scholars of the crime genre, identity studies and comparative literature. It will also appeal to all who enjoy reading contemporary crime fiction.

The Social History of Crime and Punishment in America: A De Wilbur R. Miller, 2012-08-10 This comprehensive and authoritative four-volume work surveys the history and philosophy of crime, punishment, and criminal justice institutions in America from colonial times to the present.

Crime Fiction and Film in the Southwest Steve Glassman, Maurice J. O'Sullivan, 2001 When Joe Leaphorn and Jim Chee, Tony Hillerman's oddly matched tribal police officers, patrol the mesas and canyons of their Navajo reservation, they join a rich tradition of Southwestern detectives. In *Crime Fiction and Film in the Southwest*, a group of literary critics tracks the mystery and crime novel from the Painted Desert to Death Valley and Salt Lake City. In addition, the book includes the first comprehensive bibliography of mysteries set in the Southwest and a chapter on Southwest film noir from Humphrey Bogart's tough hood in *The Petrified Forest* to Russell Crowe's hard-nosed cop in *L.A. Confidential*.

Dance Hall of the Dead Tony Hillerman, 2009-10-13 Don't miss the TV series, *Dark Winds*, based on the Leaphorn, Chee, & Manuelito novels, now on AMC and AMC+! The Edgar-Award winning second novel in New York Times bestselling author Tony Hillerman's bestselling and highly acclaimed Leaphorn and Chee series "Hillerman is a wonderful storyteller."—New York Times Book Review Two Native American boys have vanished into thin air, leaving a pool of blood behind them. Lieutenant Joe Leaphorn of the Navajo Tribal Police has no choice but to suspect the very worst, since the blood that stains the parched New Mexico ground once flowed through the veins of one of the missing, a young Zuñi. But his investigation into a terrible crime is being complicated by an important archaeological dig . . . and a steel hypodermic needle. And the unique laws and sacred religious rites of the Zuñi people are throwing impassable roadblocks in Leaphorn's already twisted path, enabling a craven murderer to elude justice or, worse still, kill again.

Comparative literature as a critical approach International Comparative Literature Association. Congress, 2017 Dans un monde où le comparatisme est partout mais la littérature comparée institutionnellement de plus en plus menacée là où elle s'est historiquement développée, en Occident, tandis qu'elle semble au contraire se développer en Asie, dans un contexte de mondialisation économique et de développement de l'informatique qui affecte tant l'économie du livre que le statut de l'auteur, du texte et le rôle du lecteur, l'ensemble de ces six volumes, qui réunit une sélection des actes du vingtième congrès de l'Association internationale de littérature comparée, propose une réflexion sur les bases à donner à une critique littéraire

comparatiste et sur les relations entre le comparatisme en littérature et dans les autres domaines du savoir et des arts.--Page 4 of cover.

Updating the Literary West ,1997 Western writers, says Thomas J. Lyon in his epilogue to *Updating the Literary West*, have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth. The editors of the *Literary History of the American West* (TCU Press, 1987) hoped that the first volume would begin, not conclude, their exploration of the West's literary heritage. Out of this hope comes *Updating the Literary West*, a comprehensive reference anthology including essays by over one hundred scholars. A selected bibliography is included with each piece. In the ten years since publication of *LHAW*, western writing has developed a significantly larger presence in the national literary stream. A variety of cultural viewpoints have developed, along with new tactics for literary study. New authors have risen to prominence, and the range of subjects has changed and widened. *Updating the Literary West* looks at topics ranging from western classics to cowboys and Cadillacs and considers children's literature, ethnicity, environmental writing, gender issues and other topics in which change has been rapid since publication of *LHAW*. This volume again affirms the West's literary legitimacy--status hard earned by the Western Literary Association--and the lasting place of popular western writing as part of the growing and changing literary--and American--experience. An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries. Selected list of contributors: James Maguire Fred Erisman Susan J.
