Angry God L. J. Shen, 2024-01-18 Buckle up and enjoy the ride, because you're not coming out the same way you went in. A top 2020 read hands down." Helena Hunting, New York Times and USA Today Bestselling Author "Heartbreakingly beautiful, awe-inspiring, and gut-wrenching, Angry God is a unique masterpiece that will leave you gasping for air and crying for more. LJ Shen is in a league of her own and this book and series will forever leave a mark on your soul." Rachel Brookes, Bestselling author Vaughn Spencer. They call him an angry god. To me, he is nothing but a heartless prince. His parents rule this town, its police, every citizen and boutique on Main Street. All I own is a nice, juicy grudge against him for that time he almost killed me. Between hooking up with a different girl every weekend, breaking hearts, noses and rules, Vaughn also finds the time to bully little ole' me. I fight back, tooth and nail, never expecting him to chase me across the ocean after we graduate high school. But here he is, living with me in a dark, looming castle on the outskirts of London. A fellow intern. A prodigal sculptor. A bloody genius. They say this place is haunted, and it is. Carlisle Castle hides two of our most awful secrets. Vaughn thinks he can kill the ghosts of his past, but what he doesn't know? It's my heart he's slaying.

Theologians You Should Know Michael Reeves, 2016-06-14 Whether you realize it or not, you are the beneficiary of centuries of careful study and reflection on God's Word. The writings and teachings of figures from the past are crucial to what the church believes today. But just like intriguing guests of honor at a dinner party, these theologians can be intimidating to get to know. Introducing you to the lives and thought of figures such as the Apostolic Fathers, Justin Martyr, Augustine, Thomas Aquinas, Martin Luther, John Calvin, Karl Barth, and others, this book makes the writings of these significant theologians accessible and approachable—opening up for you the riches of church history and enlarging your vision of God and his plan for the world.

On Giants' Shoulders MIKE REEVES, 2020-05-21 Is 'newer' really 'better'? We often assume so, but if we do treat the past as inferior we will ignore the legacy of history, and thus will find ourselves stranded on the tiny desert island of our own moment in time. In particular, this applies to Christian theology, which should be thought, and lived, corporately by the church down through the ages. The remedy to 'chronological snobbery' is, as C. S. Lewis put it, 'to keep the clean sea breeze of the centuries blowing through our minds'. Such is the motivation behind Michael Reeves' introduction to a selection of influential or significant Christian theologians. Furthermore, by 'sitting on the shoulders of giants ... our glance can take in

more things and reach farther than theirs' (Bernard of Chartres). This accessible and informative companion volume to *The Breeze of the Centuries* covers Martin Luther, John Calvin, John Owen, Jonathan Edwards, Friedrich Schleiermacher and Karl Barth. Each chapter begins with a brief biography and some background, then surveys each theologian's major work or works, gives a timeline for historical context, and ends with guidance for further reading.

Let the Light In Colin McCartney, 2021-06-01 Do you feel like God is angry at you? Or at least disappointed? Our view of God shapes our minds, behavior, and relationships. What happens when we view God as a furious, frustrated deity? What changes when we glimpse a God who looks like Jesus? Building upon personal experience, biblical study, and recent discoveries in neuroscience, pastor and ministry coach Colin McCartney warns of the dangers of viewing God as a judgmental, angry dictator. Such a negative view of God poisons the mind and produces alienation from God and others. In its place, McCartney lays out a strong case, rooted in Scripture, for a more accurate image of a God that is Love. Healing from distorted images of God is one of the primary tasks of the maturing Christian, and McCartney gently leads readers on this healing journey. He also refuses to shy away from difficult topics as God's wrath, hell as eternal punishment, and violent depictions of God in the Bible. By sharing the beliefs of the early church fathers and mothers and pointing to a Christ-centered hermeneutic, McCartney inspires readers with the truth of a God who is extremely involved and deeply in love with every one of us. What if the boundless love that we see in Jesus Christ isn't just one of many traits of God? What if that infinite, absolute love is, well, everything?

A Well-Trained Wife Tia Levings, 2024-08-06 The instant New York Times bestseller: "Today it hit me when he hit me, blood shaking in my brain. Maybe there wasn't a savior coming. Maybe it was up to me to save me." Recruited into the fundamentalist Quiverfull movement as a young wife, Tia Levings learned that being a good Christian meant following a list of additional life principles--a series of secret, special rules to obey. Being a godly and submissive wife in Christian Patriarchy included strict discipline, isolation, and an alternative lifestyle that appeared wholesome to outsiders. Women were to be silent, "keepers of the home." Tia knew that to their neighbors her family was strange, but she also couldn't risk exposing their secret lifestyle to police, doctors, teachers, or anyone outside of their church. Christians were called in scripture to be "in the world, not of it." So, she hid in plain sight as years of abuse and pain followed. When Tia realized she was the only one who could protect her children from becoming the next generation of patriarchal men and submissive women, she began to resist and question how they lived. But in the patriarchy, a woman with opinions is in danger, and eventually, Tia faced an urgent and extreme choice: stay and face dire consequences, or flee with her children. Told in a beautiful, honest, and sometimes harrowing voice, *A Well-Trained Wife* is an unforgettable and timely memoir about a

woman's race to save herself and her family and details the ways that extreme views can manifest in a marriage.

A Christian Appeal to Atheism Dean Holbrook,2023-05-02 Are you an atheist that is curious about Christianity? Do you know an atheist that you'd like to share your Christian faith with? Dean Holbrook is a former atheist and provides a unique, more palatable perspective on Christianity. He gives a respectful, fresh take on it, having been an atheist himself. The book is not fire-and-brimstone. It's not fear based; it is based on the author's own personal experience with Christianity.

Free Market Dogs Michal Piotr Pręgowski,Justyna Włodarczyk,2016-04-15 What has changed in the last twenty-five years in the relationship of Poles with their dogs? How have the free market and capitalism influenced Poland and the human-canine bond there? Are dogs property, friends, or members of the family in post-communist Poland? *Free Market Dogs*, edited by Michal Piotr Pregowski and Justyna Włodarczyk, examines the interactions and relationships of dogs and humans in contemporary Polish culture and society, and explores how Poland's intense exposure to Western-and particularly American-cultural patterns influenced the status of dogs after restoration of democracy in 1989. This book discusses topics such as the emergence of pet cemeteries, dog memoirs, and presidential dogs in Poland; the growing popularity of dog sports and the feminization of said sports; the philosophical and ideological changes in dog training caused by exposure to state-of-the-art methods from American books and videos; dogs in contemporary Polish art; and the specificity and growing pains of local pet-facilitated therapy. *Free Market Dogs* was written by researchers and practitioners whose academic background includes sociology, anthropology, pedagogy, cultural studies, and literary studies, and whose practical experience involves either training dogs or working with them. Based on thorough research and personal expertise, this is a great book for anyone interested in human-canine relationships-and their similarities and differences-around the world.

For the Former Things Have Passed Away Janet Beasley,2019-04-06 Since their wedding day in 1981 Janet and Don Beasley have experienced multiple major losses. The pinnacle of their losses came in 2017 when Janet's parents passed away only six months and ten days apart. During Don and Janet's major losses they leaned on God harder than they ever had. It is with deep compassion and sincerity that Janet has shared their journey of triumphs, tragedies, and miracles in this inspirational, encouraging self-help book/study guide. *For the Former Things Have Passed Away* sheds light on biblical truths and will give grieving individuals opportunities to experience peace, joy, comfort, compassion, grace, the love of God, and mercy. Readers will discover they are not alone in their crying, sorrow, death, and pain. Janet believes that, through her words on these pages, her readers will find hope in the fact that there is a real place where there is no more crying, no more sorrow, no more death, and no more pain-a real place where the former things have passed away.

Numinous Jeffrey C McAndrew,2019-05-11 This is a novel about a minister's struggle with his own faith. It's also a story about the battle within all of us to maintain consistency and integrity of character during life's toughest times. In the book, Pastor Nathan Simone becomes increasingly more skeptical of the strict rules of organized religion and questions "why he is

playing this game.” He enjoys helping others but feels more and more caught in the grips of a troubling ethical crisis fueled by church politics. To help him through his journey he sees visions, the spirits representing the battle between love and truth. The pastor believes that the inspiring visions come directly from God. God teaches him that our current conceptions of reality are far off from what really exists and that one needs to be infinitely humble and retain a vibrant wonder about life “like a young child gazing at the stars in the night sky.” It slowly dawns on our main character that religion may be less divinely inspired and more of a creation of mankind. The story also contains a surprise conclusion that the reader may not expect.
