Waiting for You Elle Spencer, 2020-05-12 Have you ever met someone and felt like you've known them in a thousand different lifetimes? Lindsay Hall was a high school senior when she and her friend Patty discovered peach schnapps, listened to a past-life hypnosis CD, and got an up-close look at who she once was. And who she used to love. The knowledge of her past life has always haunted Lindsay. As her ex is happy to point out, it's gotten in the way of her relationships too. Even her teenage daughter has politely suggested that she "get the eff over it." Except she didn't say eff. Ren Christopher just wants a quick break before she starts a new job in Paris. She's just extracted herself from a not-brief-enough, drama-filled relationship. A few weeks relaxing and hanging with her old college friend Deb is just what the doctor ordered. No pressure, no expectations, and absolutely no drama. Everything is perfect until Lindsay faints at the sight of Ren.

30 Dates in 30 Days Elle Spencer, 2019-10-15 Veronica Welch has made it. She's about to be named a partner at one of the most prestigious law firms in New York City. She's on top of the world, except for one tiny ridiculous thing: she promised herself she'd be married by thirty-five. After a drink too many, she accidentally lets her "life plan" slip to Bea, her steadfast, ever meddling assistant, and now Bea won't let the idea go. Rachel Monaghan doesn't do serious relationships. As a busy wedding photographer, she's jaded about lasting love, has a thriving repeat business, and hasn't had much luck with love herself. While bartending at her cousin's bar, Rachel learns of Bea's plan to get her boss married off by scheduling thirty dates in thirty days. In this sophisticated contemporary romance, Veronica Welch tries to find love in the most efficient way possible, while Rachel Monaghan avoids love at all costs. What could possibly go wrong?

Cross Your Heart Michele Bardsley, 2010-09-07 A vampire gets spooked by love in this Broken Heart romance from New York Times bestselling author Michele Bardsley. After the death of my husband—and my dreams of motherhood—I returned to the family estate in Broken Heart, Oklahoma. Little did I know I would literally give up my life as Elizabeth Bretton, the Silverstone heiress. The whole undead situation calls for a drink—blood martini, straight up, please. Escaping the past isn't that easy—especially when someone else's past is out to get me. Now I have a vengeful ghost trying to kill me, a 150-year-old mystery to solve, and an outrageous were-jaguar named Tezozomoc "Tez" Abraham Elvis Jones trying to get into my boudoir. Tez is a homicide detective who is vulgar, egotistical, presumptuous—and ridiculously hot. Mreow, indeed.

Give In to Me Elle Spencer, 2021-05-11 Whitney Ainsworth has had a very tough year. First up was the very public

divorce from an A-list actress, and then the third book in her popular suspense series bombed. She's got a chronic case of writer's block and feels like a fraud getting paid to give speeches about achieving success. After a particularly disastrous event, Whitney's manager suggests a romantic distraction might be in order. Gabriela Talbot never expected to hear back when she requested an interview with her favorite author—certainly not after the scathing review she'd given Whitney's latest book. She's thrilled when the opportunity arises. What happens next isn't what either expected, and although passions flare, Whitney is furious when she learns she's slept with the enemy. Their already rocky road to friendship—or something more—is complicated by family, Hollywood's expectations, and an ex-wife who's set to star in the film adaptation of Whitney's first book. Will they find their way to love or will insecurities and outsiders prove too much to overcome?

Over My Dead Body Michele Bardsley, 2009-05-05 A single mom finds a man who's hot enough to wake the undead in this Broken Heart novel from New York Times bestselling author Michele Bardsley. With my ex-husband out of my life after attempting murder (on me!) and my little Glory not uttering a word since that awful night, Broken Heart, Oklahoma seemed like the perfect sanctuary for us. And I, Simone Sweet, was ready to start a new life. I just didn't figure it'd be an eternal one. But then local hunk Braddock Hayes turns my undead world upside down. He's the only one who sees me as I really am, and let me tell you, he makes my fangs quiver. But if he finds out the truth about my past, it would just about kill me (if I weren't already dead, that is). Luckily, no one knows better than me that things aren't always as they appear...

Under the Stars with You Jaime Clevenger, 2023-03-01 Six months ago, Ty Sutherland dropped out of an online sex chat group. It was anonymous. No one knew their real identity. And it was a space where they could finally be themselves. Unfortunately, it was also a space where they fell in love with a woman whose name they promised to forget. Leslie Brandt would like to forget the online sex chat group she joined on a whim. In real life, she's a successful realtor with a professional image to maintain. She'd never want anyone to know the kinky things she's fantasized about—even if maybe she wishes some of those things could actually happen. When they bump into each other at an open house, Leslie thinks Ty is simply a vet student who's obsessed with horses and only came to the open house for a free cookie—all of which is true. But when the rest of the truth comes out, neither Leslie nor Ty believes there's a way forward. Sometimes believing in love is the first step. And sometimes it's all about trusting the stars.

Houseswap 101 Jaime Clevenger, 2024-04-01 When Devyn Lancaster comes home from a busy shift at the hospital, the last thing she expects to find is a woman weed-whacking her garden. It gets worse when she learns her ex-husband invited the woman to trade houses with him—all without telling her a thing about the plan. Robbie Price was looking forward to a month-long vacation in San Diego. A break from the Seattle rain in exchange for doing a few home repair projects and taking a cute dog to the beach seemed well worth a house swap. Then she meets her coworker's ex-wife. For Robbie and Devyn, even tolerating each other feels impossible at first. And neither expect to learn to like each other. But at the end of the

month, parting ways is what feels impossible.
